Now a major motion picture from Fox Searchlight Pictures, *The History Boys: The Film* contains Alan Bennett's diary of the filming, the shooting script, and an introduction by director Nicholas Hytner, as well as an extensive plate

section that includes a look behind the scenes and stills from the film. An unruly bunch of bright, funny sixth-form (or senior) boys in a British boys' school are, as such boys will be, in pursuit of sex, sport, and a place at a good university, generally in that order. In all their efforts, they are helped and hindered, enlightened and bemused, by a maverick English teacher who seeks to broaden their horizons in sometimes undefined ways, and a young history teacher who questions the

methods, as well as the aim, of their schooling. In *The History Boys*, Alan Bennett evokes the special period and place that the sixth form represents in an English boy's life. In doing so, he raises not only universal questions about the nature of history and how it is taught but also questions about the purpose of education today.

 Based on Lorraine Hansberry's *A Raisin in the Sun*. Musical Drama / 9m, 6f, chorus and extras / Unit set This winner of Tony and Grammy awards as Best Musical ran for three years on Broadway and enjoyed a record breaking national tour. A proud family's quest for a better life meets conflicts that span three generations and set the stage for a drama rich in emotion and laughter. Taking place on Chicago's Southside, it explodes in

song, dance, drama and comedy. "Pure magic ... dazzling! Tremendous!"
Cat on a Hot Tin Roof
 Turtleback Books
 Pulitzer Prize-winning author of *Fences* and *The Piano Lesson* Winner of the New York Drama Critics Circle Award for Best Play It is the spring of 1948. In the still cool evenings of Pittsburgh's Hill district, familiar sounds fill the air. A rooster crows. Screen doors slam. The laughter of friends gathered for a backyard card game rises just above the wail of a

mother who has lost her son. And there's the sound of the blues, played and sung by young men and women with little more than a guitar in their hands and a dream in their hearts. August Wilson's *Seven Guitars* is the sixth chapter in his continuing theatrical saga that explores the hope, heartbreak, and heritage of the African-American experience in the twentieth century. The story follows a small group of friends who gather following the untimely death of Floyd

"Schoolboy" Barton, a local blues guitarist on the edge of stardom. Together, they reminisce about his short life and discover the unspoken passions and undying spirit that live within each of them.

The Common Core State Standards mean major changes for language arts teachers, particularly the emphasis on "informational text." How do we shift attention toward informational texts without taking away from

the teaching of literature? The key is informational texts deeply connected to the literary texts you are teaching. Preparing informational texts for classroom use, however, requires time and effort. Using *Informational Text to Teach Literature* is designed to help. In this second volume (the first volume is on *To Kill a Mockingbird*), we offer informational texts connected to Lorraine Hansberry's *A Raisin in the Sun*. Readings range in genre (commencement address, historical and

cultural analysis, government report, socioeconomic research study, and Supreme Court decision) and topic (housing discrimination past and present, abortion, the racial and cultural politics of hair, socioeconomic mobility and inequality, the violence associated with housing desegregation, and the struggle against the legacy of systemic racism). Each informational text is part of a student-friendly unit, with reading strategies and vocabulary, writing,

and discussion activities. Teachers need to incorporate nonfiction in ways that enhance their teaching of literature. The *Using Informational Text to Teach Literature* series is an invaluable supportive tool. [Reasons to be Pretty](#) Dramatists Play Service, Inc. Abandoned as an infant, Jim Trewitt finds little affection for anyone or anything, except his own self-advancement. After a chance encounter with Adam Smith, Jim decides to put his faith in the free

market, becoming America's first laissez-faire capitalist. Soon his path to riches becomes entangled with that of an educated slave, who knows from experience that one person's profit is another's loss. From Tony- and Pulitzer Prize-winning playwright Bruce Norris comes an epic parable about the cost of inequality.

"All the elements of preparing a monologue audition - script analysis, staging, voice, timing, gesture, movement and self-presentation skills - are thoroughly explored here. The goal of the book, as Ms. Kohlhaas states in her Introduction, is not only to help you prepare for auditions, but to make working on

monologues a regular and enjoyable part of your acting life. As you follow the author along the path she charts, you are not only learning to rehearse monologues effectively, you are learning to turn auditions into exciting ways to grow and challenge yourself as an actor."--BOOK JACKET.

A Practical Guide for Actors Vintage

This simple and essential book about the craft of acting describes a technique developed and refined by the authors, all of them young actors, in

their work with Pulitzer Prize-winning playwright David Mamet, actor W. H. Macy, and director Gregory Mosher. *A Practical Handbook for the Actor* is written for any actor who has ever experienced the frustrations of acting classes that lacked clarity and objectivity, and that failed to provide a dependable set of tools. An actor's job, the authors state, is to "find a way to live truthfully under the imaginary circumstances of the play." The ways in which an actor can attain

that truth form the substance of this eloquent book.

Winner of the Olivier Award for Best New Play 2009, *The Mountaintop* is a historical-fantastical two hander and portrays the penultimate days in the life of Martin Luther King. The night before his assassination King retires

to room 306 in the now famous motel after giving an acclaimed speech to a massive church congregation. When a mysterious young maid visits him to deliver a cup of coffee, King is forced to confront his past and the future of his people. Katori Hall's award-winning play is heartbreaking, humorous and breathtakingly powerful. A lively mood and hints of surrealism and fantasy is combined with a clear-eyed view of the man behind the legend. She depicts King

as a real and at times flawed man, but nevertheless inspirational and capable of effecting momentous societal shifts. This is a story which crosses continents, colour and generations, and remains as relevant today as it was in the midst of the civil rights movement in 1968. Portraying rhetoric, hope and ideals of social change, *The Mountaintop* also explores being human in the face of inevitable death. The play is a dramatic feat of daring originality,

historical narration and triumphant compassion.
