Sometimes horror is in the mind. And sometimes it's real. Telling the difference isn't always easy. It wasn't for Joe Creed. He'd just photographed the unreal. Now he had to pay the price. Because he always thought that demons were just a joke. But the joke was on him. And it wasn't very funny. It was deadly...

Does true love really exist or is it just a cliché? Can a single kiss really change your life? At sixteen, Diksha like any girl her age, finds her life revolving around school, boys and endless hours of fun with her best friend. But one day, all that changes. What starts as an innocent crush explodes into something far beyond her control. Eighteen years later, she finds herself at the crossroads of life. Urged by a twist of events, a wish list is born. But can a wish list help her piece back her life together? Will she succumb to the tangled mess of an extramarital relationship? Once again, Preeti Shenoy brings an extraordinary story that tugs at the heartstrings, with insight and wisdom, as she explores the

delicate matters of the heart.

#1 New York Times Bestseller • #1 USA Today Bestseller • #1 Wall Street Journal Bestseller Now you see her. Now you don't. THE NEW GIRL. A thriller of deception, betrayal, and vengeance. She was covered from head to toe in expensive wool and plaid, the sort of stuff one saw at the Burberry boutique in Harrods. She carried a leather bookbag rather than a nylon backpack. Her patent leather ballet slippers were glossy and bright. She was proper, the new girl, modest. But there was something else about her ... At an exclusive private school in Switzerland, mystery surrounds the identity of the beautiful raven-haired girl who arrives each morning in a motorcade fit for a head of state. She is said to be the daughter of a wealthy international businessman. In truth, her father is Khalid bin Mohammed, the much-maligned crown prince of Saudi Arabia. Once celebrated for his daring social and religious reforms, he is now reviled for his role in the murder of a dissident journalist. And when his only child is brutally kidnapped, he turns to the one man he can trust to find her before it is too late. What's done cannot be undone ... Gabriel Allon, the legendary chief of Israeli intelligence, has spent most of his life fighting terrorists, including the murderous jihadists financed by Saudi Arabia. Prince Khalid—or KBM, as he is known—has pledged to finally break the bond between the Kingdom and radical Islam. For that reason alone, Gabriel regards him as a valuable if flawed partner. Together they will become unlikely allies in a deadly secret war for control of the Middle East. The life of a child, and the throne of Saudi Arabia, hang in the balance. Both men have made their share of enemies. And

both have everything to lose. Filled with dark humor, breathtaking twists of plot, and an unforgettable cast of characters, *The New Girl* is both a thrilling, page-turning tale of entertainment and a sophisticated study of political alliances and great-power rivalries in a dangerous world. And it is once again proof that Gabriel Allon is “one of fiction’s greatest spies” (Kirkus) and Daniel Silva is “quite simply the best” (Kansas City Star) writer of foreign intrigue and suspense at work today.

A beautiful story of strangers who shape each other’s lives in fateful ways, *All of Us in Our Own Lives* delves deeply into the lives of women and men in Nepal and into the world of international aid. Ava Berriden, a Canadian lawyer, quits her corporate job in Toronto to move to Nepal, from where she was adopted as a baby. There she struggles to adapt to her new career in international aid and forge a connection with the country of her birth. Ava’s work brings her into contact with Indira Sharma, who has ambitions of becoming the first Nepali woman

director of a NGO; Sapana Karki, a bright young teenager living a small village; and Gyanu, Sapana's brother, who has returned home from Dubai to settle his sister's future after their father's death. Their journeys collide in unexpected ways. *All of Us in Our Own Lives* is a stunning, keenly observant novel about human interconnectedness, about privilege, and about the ethics of international aid (the earnestness and idealism and yet its cynical, moneyed nature).

 Lights! Camera! Trivia! What was the name of the film they were shooting in *Rangeela*? What was the Amul hoarding when Shahenshah released? Who has the longest-winning streak in Filmfare awards? Did Johnny Walker get his name from the whiskey or was it the other way round? Who will star in *Bajirao Mastani* when it finally gets made? If Bollywood questions keep you awake at nights, this is the book you want to read. Packed with 50 lists and 500 entries, it is a multiplex of pointless Bollywood gyaan. Separated in eight logic-less sections and without a contents page (or index), it is a book for dipping into and zipping through. Remember your favourite Bollywood film—fast, action-packed, mad, packed with colourful characters and a little bit of everything? Well, they made this book out of it.

 We are in the car. She's looking at me. I can see the love in her eyes for me. Then a huge crash. She's flung out of the window. I'm thrown out too. A pool of blood. Her eyes are still on me . . . but now it's a death stare. I am Daman and I wake up to this nightmare. Every. Single. Day. Waking up from a long coma, Daman learns that he was in a massive car crash with a girl who

vanished soon after the accident, leaving him for dead. Strangely, all he remembers is a hazy face, her hypnotic eyes, and her name—Shreyasi. To come to terms with his memory lapse he starts piecing together stories about himself and Shreyasi from his dreams, which he then turns into a hugely popular blog. When he's offered a lucrative publishing deal to convert his blog pieces into a novel, he signs up immediately. However, he gives in to editorial pressure and agrees to corrupt the original edgy character of Shreyasi. Big mistake. From then on Daman is stalked and threatened by a terrifying beauty who claims to be Shreyasi and who will stop at nothing to make him pay for being a sell-out. Before Daman fights back, he needs to know: Is she really who she claims to be? What does she want from him now? What if he doesn't do what she wants him to? *The Girl of My Dreams* is definitely not your usual love story.

 The South Asian subcontinent is home to nearly a billion people and has been the site of fierce historical contestation. It is a panoply of languages and religions with a rich and complex history and culture. Drawing on the newest and most sophisticated historical research and scholarship in the field, *Modern South Asia* is written in an accessible style for all those with an intellectual curiosity about the region. After sketching the pre-modern history of the subcontinent, the book concentrates on the last three centuries from c.1700 to the present. Jointly written by two leading Indian and Pakistani historians, it offers a rare depth of historical understanding of the politics, cultures and economies that shape the lives of more than a fifth of humanity. In this comprehensive study, the authors debate and challenge

the striking developments in contemporary South Asian history and historical writing. The book provides new insights into the structure and ideology of the British raj, the meaning of subaltern resistance, the refashioning of social relations along lines of caste, class, community and gender, the different strands of anti-colonial nationalism and the dynamics of decolonization. This book is a work of synthesis and interpretation covering the entire spectrum of modern South Asian history - social, economic and political. The authors offer an understanding of this strategically and economically vital part of the world.
