Zandian Lights Burning Desires

"I'm your master. When I give you an order, you obey." I didn't escape my slave master only to be shackled again. Not even by a sexy male built of solid muscle who does wicked things with his fingers and tongue. Not even one of my own species who says he knows my father--the father I don't remember. No, I'm not about

to trust Tomis, the Zandian warrior who rescues me from the Finn, especially after he sets my body on fire with a series of humiliating punishments. But it's breeding season on Zandia and the crystals activate my hormones, making me desperate for satisfaction, even at the hands of the arrogant warrior bent on saving both me and his species. Devour USA Today Bestselling Author Renee Rose's steamy stand-alone romance in the interconnected Zandian Masters series today! Publisher's Note: This stand-alone alien scifi romance contains graphic sex including spanking. If such material offends you, do not buy this book.

The Alien's Ransom Independently Published

Alien Sentinel's Mate Independently Published

Sparks fly and passions ignite in a dangerous kiss of fyre. Get the complete Alien Dragon Shifters series in one binge-worthy boxed set. Under Fyre To save Earth from destruction, an unsuspecting Rhianna Montclair is sent to become the concubine of an alien dragon shifter prince. The last thing Prince K'ev desires is a human female, but his inner dragon insists she's their mate. Line of Fyre To escape political assassination and to right a past wrong, Helena Marshfield becomes the consort of an alien dragon shifter. But when she meets Draconian Prince T'mar, their passionate union draws them both into the line of fyre. Playing with Fyre After the loss of her child, dragoness O'ne devotes her life to service to the sacred fyre, quiet contemplation, and duty. But when the mostly human Henry Winslow arrives on planet Draco, he awakens desires she'd assumed were dead. Will she follow her duty or play with fyre?

The Celestial Mates agency always knows what - or who - you need. Tarrik would do anything to avoid breaking his mother's heart, so he begrudgingly signs up for Celestial Mates and agrees to come home and settle down once the agency finds his match. There's just one catch: he's not ready to give up his free and easy

life traveling the galaxy. And he's doing exactly as his mother asked, so what will it hurt if he makes himself as unappealing as possible on his mate application? Juliette is a woman on the run. Her attitude, and more importantly her hacking skills, have pissed off all the wrong people. Now the target of a contract hit, she's decided the solution to her problems is to leave the planet as fast as she can. The Celestial Mates program is exactly what she needs. By the time her "mate" realizes she's impossible to live with, hopefully it will be safe for her to return to earth. She wasn't counting on a seriously hot alien who looked like the devil and could do the most sinful things with his tail... The sparks fly at first meeting when their chemistry ignites. But they can barely stand to be in the same room with each other. They shouldn't work at all. But Celestial Mates always knows best. A steamy hot alien dating agency romance.

A Sci-fi Alien Fairy Tale Romance Alpha-Hole Duet

Stefan Ziakas might be her father's most hated business rival, but he's the only man who has ever made Selene Antaxos feel beautiful. So, needing to make a new life for herself, Selene apprehensively turns to Stefan for help. Except the dark-hearted tycoon is nothing like the white knight she remembers. Seduced, bedded and betrayed in a matter of days, Selene realizes it's not always better the devil you know. She's sold her soul—and her heart—to the enemy!

"Nothing in my life had prepared me for extraterrestrial motorcycle clubs." Frankie: I thought alien abductions only happened in movies. But here I am on a strange planet with green soil and a gang of muscled, wicked-horned aliens on hover

bikes. All I want to do is go back to Earth, but the alpha male in charge has decided I belong to him. Now I'm on the back of his bike speeding to an unknown destination and super freaked out about liking his biceps and serious scowl. Good thing I have some banked personal days, because this might take awhile...Daz: The job is supposed to be easy. All I have to do is deliver a spaceship of living cargo to the vile Uldani and they'll release my brother. If I fail, they'll take it out on him. Except the cargo is something I've never seen before--human females. The one called Frankie is beautiful and soft, and I've already spilled blood for her. Now how am I going to save my brother? Because this human female is mine. The Alien's Ransom is a full-length Sci-Fi romance novel featuring a snarky heroine who tries to find the humor in everything, even when kidnapped by aliens, and a possessive hero with lots of hidden weapons. Big ones.

OWNED BY THE MAN I BETRAYED Six years ago I uttered a lie that changed a man's life. My father banished him from his bratva cell. From the country. Now he's back to take my inheritance. My life. Not through murder, but marriage. And my own father arranged it. Maxim thinks he can make me submit to his will. He thinks he gets to call all the shots. I wanted him once and he refused me. I won't fall for him again. And I don't plan to cave. Not even when he makes me tremble with need...

"Once upon a time, the Trilyn made contact with the people of Earth. In return for taking seven fertile females as brides for their seven princes, they would share their alien technology and enable Earth to create intergalactic space ships. Prince Gardax,

the eldest of the seven princes has endured years of searching for the human female who can bear his children. Two years of parties, genetic compatibility scanners, and failed attempts at finding the one woman who was meant for him. In despair that he will never find his mate among the glittering party guests, Prince Gardax begins the search in earnest, and finds his mate in the most unlikely of places - the palace kitchens. Amy Allan was just looking for a job, anything to ensure the survival of herself and her baby sister. Working in the great palace of the eldest Trilyn prince seemed like a good idea at the time, and the only option available for a war-refugee with a toddler in tow. But with a backbreaking workload and a nightmare boss, hoping for something better seems futile. When the devastatingly handsome alien prince bursts into the kitchens demanding his mate, Amy's last shred of hope disappears as her domineering boss, Darla, steps in to claim the prince for herself. Darla will stop at nothing to become a princess, even if it means threatening Amy and her sister. Can Amy defeat her nemesis and win the prince's heart? Or will she lose everything she's fought so hard to keep?"-- Provided by publisher.

They Bought Me At Auction - Claimed Me As Theirs! Two purple, horned males with massive chests and arms as thick as my waist. They're taking me to Zandia to bear their young. The only trouble - I'm already pregnant! And if my former master finds me, he'll tear me to pieces, once his young is born... My new masters are firm, but kind. They give far more pleasure than pain. Their planet is beautiful. But when they find out my secret, I have no doubt they'll cast me out. And my life will be forfeit! Because no human female with a bounty on her head survives a lunar cycle alone...

The Omni Diet Burning Desires

Joanna just wants to spend the holiday curled up with her coven of handsome professors, but family obligations wait for no one. Instead of wintery cuddles, she's up to her neck in the Pike

brothers and their wives, a cast of political figures invited to their dinner parties and, worst of all, Callum's father, Duncan. Duncan Pike is a nasty piece of work--not only did he place a young Callum in the heart of an ugly war, he disapproves of Isaac and Aiden. Duncan claims a new war is coming, and it looks like he might be right. As if that weren't enough, the infamous warrior Sabine York is showing a marked interest in Callum--is she after revenge? Or does she want to add Callum to her coven of soldiers? When trouble strikes and Callum is separated from the rest of the coven, Joanna, Isaac, and Aiden must travel from the library to the capitol to Vermentia, desperate for their reunion. And, on his own for the first time in years, Callum must tread carefully back into the waters of war he's spent decades avoiding. Can they fight through the people and the miles standing between them and return safely together again?

Night of the Zandians Bridger Media

What produces mental illness: genes, environment, both, neither? The answer can be found in memes—replicable units of information linking genes and environment in the memory and in culture—whose effects on individual brain development can be benign or toxic. This book reconceptualizes mental disorders as

products of stressful gene-meme interactions and introduces a biopsychosocial template for meme-based diagnosis and treatment. A range of therapeutic modalities, both broad-spectrum (meditation) and specific(cognitive-behavioral), for countering negative memes and their replication are considered, as are possibilities for memetic prevention strategies. In this book, the author outlines the roles of genes and memes in the evolution of the human brain; elucidates the creation, storage, and evolution of memes within individual brains; examines culture as a carrier and supplier of memes to the individual; provides examples of gene-meme interactions that can result in anxiety, depression, and other disorders; proposes a multi-axial gene-meme model for diagnosing mental illness; identifies areas of meme-based prevention for at-risk children; and defines specific syndromes in terms of memetic symptoms, genetic/memetic development, and meme-based treatment.
