Reprint. A best-selling book.

Soldier for the Empire. Dark forces
 Macmillan

Stories of fear in all its forms, from “the leading craftsman in the literature of terror and dread” (Louisville Courier Journal & Times). You have nothing to fear but fear itself. The only trouble is, fear comes in so

many different shapes and sizes these days—the rejection by a beautiful woman, the threat of impending nuclear holocaust, the erratic behavior of wackos walking the streets who only need a wrong word and there they go to the top of an apartment building with a sniper scope’d rifle. Fear is all around you, and the minute you get all the rational fears taken care of, all battened down and secure, here comes something new. Like the special fears generated in these sixteen incredible stories. Fear described as it has never been described before, by the startling imagination of Harlan Ellison, master fantasist, tour guide through the land of dreadful visions, unerring observer of human folly and supernatural diabolism. *Red Harvest: Star Wars Legends Arrow* “You have a very lovely little girl,” breathed the voice on the phone. And just like that, Susan Young is drawn into a

living nightmare. A stranger has kidnapped Sue’s daughter, Veda. But he doesn’t want her money, only her suffering—and he will kill Veda if Sue doesn’t follow his every command. With detailed instructions, the faceless abductor leads Sue into a blinding snowstorm on the longest night of the year, to a place she has not traveled to since childhood. The voice on the other end of the line somehow knows Sue’s deepest, most chilling secret—an ominous incident from her past, buried long ago... Across the loneliest back roads of Massachusetts, in the black expanse of a New England winter, Sue is forced to confront her most awful fears as she is met at each step by ever increasing horrors created by a monster who is surely something less than human. In the hope of saving her daughter from a kidnapper whose origin seems darker than anything

she could ever have imagined, Sue will discover just how much trauma and fright the human body is capable of absorbing. Set over the course of a single night, *Chasing the Dead* is a fast-paced, ferociously tense supernatural thriller. With the skill of masters like Dean Koontz and David Morrell, Joe Schreiber has created a tableau of shock and horror, death and destruction, that will draw you in and never let you go.

Darth Bane: Star Wars Legends 3-Book Bundle Ballantine Books

In Disney's live-action film "Beauty and the Beast," Belle, a bright, beautiful and independent young woman, is taken prisoner by a beast in his castle. Despite her fears, she befriends the castle's enchanted staff and learns to look beyond the Beast's hideous exterior and realize the kind heart and soul of the true Prince inside. This manga explores the Beast's struggle as he tries to move on from his past and learn what it is to love.

Told from three viewpoints, 13-year-old scientific genius Lenny Cyrus shrinks himself and, with the assistance of his best friend Harlan, enters the body of Zooey, the girl he has loved since third grade, hoping to physically change her mind about him on the very day her play opens. 25,000 first printing.

Path of Destruction, Rule of Two, Dynasty of Evil Putnam Adult

Ferris Bueller meets La Femme Nikita in this funny, action-packed young adult novel. Its prom night and Perry just wants to stick to his own plan and finally play a much anticipated gig with his band in the Big Apple. But when his mother makes him take Gobija Zaksauskas their quiet, geeky Lithuanian exchange student to the prom, he never expects that his ordinary high school guy life will soon turn on its head. Perry finds that Gobi is on a mission, and Perry has no other choice but to go along for a reckless ride through Manhattan's concrete grid with a trained assassin in Dad's red Jag. Infused with capers, car chases, heists, hits, henchmen, and even a bear fight, this story mixes romance, comedy, and tragedy in a true teen coming-of-age adventure and its not over until its au revoir. This ebook includes a sample chapter of PERRY'S KILLER PLAYLIST.

Set a thousand years before the events of Star Wars: A New Hope, Drew Karpysyn's electrifying Darth Bane novels take us deep into the dark side. This action-packed series follows the transformation of a lost young man who becomes a legendary Sith Lord, able to wield the

awesome power of the Force as never before. Packed with nonstop thrills, the entire Darth Bane trilogy is now available as an eBook bundle featuring PATH OF DESTRUCTION RULE OF TWO DYNASTY OF EVIL After a high-stakes card game ends violently, Dessel, a lowly miner, vanishes into the ranks of the Sith army and ships out to join the war against the Republic and its Jedi champions. There, Dessel's brutality, cunning, and exceptional command of the Force swiftly win him renown as a warrior. But in the eyes of his watchful masters, a far greater destiny awaits him . . . if he can prove himself worthy. As an acolyte in the Sith Academy, studying at the feet of its greatest masters, Dessel embraces his new identity: Bane. However, in order to gain full acceptance into this chilling Brotherhood, he must surrender completely to the dark side. Only by defying the most sacred traditions of the Sith can Bane hope to triumph—and forge from the ashes a new era of absolute power.

Death Troopers Star Wars Red Harvest

When madness is your inheritance, how do you escape it? Scott Mast thought he got away—first from a family haunted by a dark fate, then from a dull career writing greeting cards in Seattle. But now he has come back to his New Hampshire hometown only to find that his family is in ruins, his nephew needs a home, and a shattering truth is clawing its way into the light. Fifteen years ago, Scott's mother died in a fire. And now the shadowy circumstances—the bodies buried beneath the ashes, the lives ripped apart that fateful day—are starting to be revealed. The answers unspool in the pages of a peculiar old manuscript—an unfinished ghost story written in his father's own hand that beckons Scott out to a strange house in the woods with a lightless corridor that cannot be seen from the outside. Here Scott Mast will uncover all that has been hidden—and perhaps finish his father's unspeakable work.

Legacy of the Jedi / Secrets of the Jedi Disney Electronic Content

The era of the Old Republic is a dark and dangerous time, as Jedi Knights valiantly battle the Sith Lords and their ruthless armies. But the Sith have disturbing plans—and none more so than the fulfillment of Darth Scabrous's fanatical dream, which is about to become nightmarish reality. Unlike those other Jedi sidelined to the Agricultural Corps—young Jedi whose abilities have not proved up to snuff—Hestizo Trace possesses one extraordinary Force talent: a gift with plants. Suddenly her quiet existence among greenhouse and garden specimens is violently destroyed by the arrival of an emissary from Darth Scabrous. For the rare black orchid that she has nurtured and bonded with is the final ingredient in an ancient Sith formula that promises to grant Darth Scabrous his greatest desire. But at the heart of the formula is a never-before-seen virus that's worse than fatal—it doesn't just kill, it transforms. Now the rotting, ravenous dead are rising, driven by a bloodthirsty hunger for all things living—and commanded by a Sith Master with an insatiable lust for power and the ultimate prize: immortality . . . no matter the cost. Features a bonus section following the novel that includes a primer on the Star Wars expanded universe, and over half a dozen excerpts from some of the most popular Star Wars books of the last thirty years!

[The Dark Lord Trilogy](#) Open Road Media

"The Sith always betray one another. . . . I'm sure you'll learn that soon enough." The overthrow of the Republic is complete. The Separatist forces have been smashed, the Jedi Council nearly decimated, and the rest of the Order all but destroyed. Now absolute power rests in the iron fist of Darth Sidious--the cunning Sith lord better known as the former Senator, now Emperor, Palpatine. But more remains to be done. Pockets of resistance in the galaxy must still be defeated and missing Jedi accounted for . . . and dealt with. These crucial tasks fall to the Emperor's ruthless enforcer, Darth Vader. In turn, the Dark Lord has groomed a lethal apprentice entrusted with a top-secret mission: to comb the galaxy and dispatch the last of his masters' enemies, thereby punctuating the dark side's victory with the Jedi's doom. Since childhood, Vader's nameless agent has known only the cold, mercenary creed of the Sith. His past is a void; his present, the carrying out of his deadly orders. But his future beckons like a glistening black jewel with the ultimate promise: to stand beside the only father he has ever known, with the galaxy at their feet. It is a destiny he can realize only by rising to the greatest challenge of his discipleship: destroying Emperor Palpatine. The apprentice's journeys will take him across the far reaches of the galaxy, from the Wookiee homeworld of Kashyyyk to the junkyard planet of Raxus Prime. On these missions, the young Sith acolyte will forge an unlikely alliance with a ruined Jedi Master seeking redemption and wrestle with forbidden feelings for his beautiful comrade, Juno Eclipse. And he

will be tested as never before--by shattering revelations that strike at the very heart of all he believes and stir within him long-forgotten hopes of reclaiming his name . . . and changing his destiny. Features a bonus section following the novel that includes a primer on the Star Wars expanded universe, and over half a dozen excerpts from some of the most popular Star Wars books of the last thirty years!

[Lockdown: Star Wars Legends \(Maul\)](#) Vintage Crime/Black Lizard

This Star Wars novel ties in with the MMORPG of the same name, and is written by Sean Williams, the acclaimed science fiction author whose previous Star Wars game tie-in *The Force Unleashed* debuted at #1 in the New York Times bestseller list. 3,500 years in the past of the far-away galaxy, when the Jedi and Galactic Republic clashed with the Sith Empire, smuggler Jet Nebula has stumbled across a treasure richer than he ever dreamed. The Hutts want to auction it to the highest bidder, be it the Republic or the Empire, both of whom hope to bolster their chances in the coming conflict. But the Sith are interested too, and they don't bargain with anyone; the Jedi High Council is sending someone to investigate; a mysterious Mandalorian is chasing something connected to a long-forgotten crime; while a spy plays every side at once. What Jet has unearthed will surprise all of them, and leave none of them unchanged.

In the time immediately following the destruction of the Death Star and the years between the Battle of Yavin and the foundation of the Rebel Base on Hoth, the Empire's grip on the galaxy has become

an unyielding fist of retribution. Pressed into action by Emperor Palpatine, Imperial forces have stepped up efforts to hunt down and imprison Rebel sympathizers, shipping them off to newly formed detainment moons via huge prison barges. By necessity these barges are floating chambers of degradation and vice, notoriously unreliable spacecraft staffed by Imperial corrections officers whose cruelty rivals that of the inmates. The Imperial Prison Barge *Virtue* is hauling its load of prisoners, criminals and murderers, human and non-human, across the galaxy, when it breaks down in deep space. Soon after, the ship's warden discovers a derelict Star Destroyer, seemingly abandoned, and sends a boarding party to scavenge parts to repair the *Virtue*. Half of them don't come back. The ones that do are infected with a virus so deadly that within hours, it has wiped out ninety-nine percent of the barge's population. But for the handful of survivors -- two brothers, the *Virtue*'s female chief medical officer, and a sadistic captain of the guards, along with a certain rogue smuggler and his Wookiee sidekick - the true horror is just begun. Because those inmates and guards who died of the virus don't stay dead...and when they come back, they're extremely hungry. Against their better judgment, the survivors take refuge aboard the massive creaking emptiness of the Destroyer, only to discover that its original population has not disappeared at all -- and that they've been waiting for them.
