 Interstate 64 Widening - Segment 1
 Level 1 Schedule: Executive Summary, also called a Project Master Schedule (PMS). This is a major milestone type of schedule; usually only one page, it highlights major project activities, milestones, and key deliverables for the whole project.
 What Are Schedule Levels From Level 1 to 5 - Planning Engineer
 1. Master Project Schedule. Developed in the initial

phase of project planning, the master project schedule is a summary level schedule which highlights the principal activities and tasks and their estimated duration. This schedule's strength lies in its ability to aggregate individual activity schedules and display them in one convenient document.
