BRANSON BROCK

That Scaffold Writing from Paragraphs to Essays Shell Education

Tap into the power of graphic organizers for classroom success Veteran educator and NCTE trainer Katherine McKnight shows how students can use graphic organizers as an important tool to organize new information. Providing a visual representation that uses symbols to express ideas, concepts, and convey meaning, graphic organizers help to depict relationships between facts, terms, and ideas. The author demonstrates how graphic organizers have proven to be a powerful teaching and learning strategy. Includes 100 graphic organizers-more than any comparable book Included graphic organizers can be used before-, during-, and after-learning activities across the content areas Contains easy-to-follow instructions for teachers on how to use and adapt the book's graphic organizers Offers strategies for teachers to create their own graphic organizers for different grade levels The author Katherine McKnight is a noted literacy educator.

Graphic Organizers That Help Struggling Students, Grades K - 3

Shell Education

Scott Foresman Reading Street - Elementary Reading Comprehension Program 2008 is an all-new reading instruction program for Grades PreK-6. Reading Street is designed to help teachers build readers through motivating and engaging literature, scientifically research-based instruction, and a wealth of reliable teaching tools. The reading program takes the guesswork out of differentiating instruction with a strong emphasis on ongoing progress-monitoring and an explicit plan to help with managing small groups of students. In addition, Reading Street prioritizes skill instruction at each grade level, so teachers can be assured they will focus on the right reading skill, at the right time, and for every student.

A Newbery Honor Book A Coretta Scott King Honor

Book A Printz Honor Book A Time Best YA Book of All Time (2021) A Los Angeles Times Book Prize Winner for Young Adult Literature Longlisted for the National Book Award for Young People’s Literature Winner of the Walter Dean Myers Award An Edgar Award Winner for Best Young Adult Fiction Parents’ Choice Gold Award Winner An Entertainment Weekly Best YA Book of 2017 A Vulture Best YA Book of 2017 A BuzzFeed Best YA Book of 2017 An ode to Put the Damn Guns Down, this is New York Times bestselling author Jason Reynolds’s electrifying novel that takes place in sixty potent seconds—the time it takes a kid to decide whether or not he’s going to murder the guy who killed his brother. A cannon. A strap. A piece. A biscuit. A burner. A heater. A chopper. A gat. A hammer A tool for RULE Or, you can call it a gun. That’s what fifteen-year-old Will has shoved in the back waistband of his jeans. See, his brother Shawn was just murdered. And Will knows the rules. No crying. No snitching. Revenge. That’s where Will’s now heading, with that gun shoved in the back waistband of his jeans, the gun that was his brother’s gun. He gets on the elevator, seventh floor, stoked. He knows who he’s after. Or does he? As the elevator stops on the sixth floor, on comes Buck. Buck, Will finds out, is who gave Shawn the gun before Will took the gun. Buck tells Will to check that the gun is even loaded. And that’s when Will sees that one bullet is missing. And the only one who could have fired Shawn’s gun was Shawn. Huh. Will didn’t know that Shawn had ever actually USED his gun. Bigger huh. BUCK IS DEAD. But Buck’s in the elevator? Just as Will’s trying to think this through, the door to the next floor opens. A teenage girl gets on, waves away the smoke from Dead Buck’s cigarette. Will doesn’t know

her, but she knew him. Knew. When they were eight. And stray bullets had cut through the playground, and Will had tried to cover her, but she was hit anyway, and so what she wants to know, on that fifth floor elevator stop, is, what if Will, Will with the gun shoved in the back waistband of his jeans, MISSES. And so it goes, the whole long way down, as the elevator stops on each floor, and at each stop someone connected to his brother gets on to give Will a piece to a bigger story than the one he thinks he knows. A story that might never know an END...if Will gets off that elevator. Told in short, fierce staccato narrative verse, *Long Way Down* is a fast and furious, dazzlingly brilliant look at teenage gun violence, as could only be told by Jason Reynolds.

3-D Graphic Organizers Key Education Publishing

Provides fresh, new graphic organizers to help students read, write, and comprehend content area materials. Helps students organize and retain information.

Graphic Organizers for Reading Comprehension Walch Publishing

This practical book shows literacy leaders how to win the support of the whole school community and implement school-wide initiatives that improve student reading and writing. Exemplary reading and writing projects are introduced along with strategies for successful collaboration in a variety of situations. This comprehensive resource clarifies the role of coach or principal and recognizes how important the empowerment of teachers is throughout the collaborative process.

Reading - 30 Reproducible Graphic Organizers That Build Early Reading and Comprehension Skills Teaching Resources

Designed for flexible use, these 25 graphic organizers for the overhead boost key reading and writing skills. First, use the transparency for a whole-group lesson; then provide students with the reproducible version for independent use. Great for trait-based writing, responding to fiction and nonfiction, making connections to text, building vocabulary, and more. For use with Grades 2-6.

The Writing Revolution Crown
"HELP! My Students Can't Write!" Why You Need a Writing Revolution in Your Classroom and How to Lead It. The Writing Revolution (TWR) provides a clear method of instruction that you can use no matter what subject or grade level you teach. The model, also known as The Hochman Method, has demonstrated, over and over, that it can turn weak writers into strong communicators by focusing on specific techniques that match their needs and by providing them with targeted feedback. Insurmountable as the challenges faced by many students may seem, TWR can make a dramatic difference. And the method does more than improve writing skills. It also helps:

Boost reading comprehension Improve organizational and study skills Enhance speaking abilities Develop analytical capabilities TWR is as much a method of teaching content as it is a method of teaching writing. There's no separate writing block and no separate writing curriculum. Instead, teachers of all subjects adapt the TWR strategies and activities to their current curriculum and weave them into their content instruction. But perhaps what's most revolutionary about the TWR method is that it takes the mystery out of learning to write well. It breaks the writing process down into manageable chunks and then has students practice the chunks they need, repeatedly, while also learning content.

100 Reproducible Organizers that Help Kids with Reading, Writing, and the Content Areas Shell Education
Textbooks are symbols of centuries-old education. They're often outdated as soon as they hit students' desks. Acting "by the textbook" implies compliance and a lack of creativity. It's time to ditch those textbooks--and those textbook assumptions about learning In *Ditch That Textbook*, teacher and blogger Matt Miller encourages educators to throw out meaningless, pedestrian teaching and learning practices. He empowers them to evolve and improve on old, standard,

teaching methods. *Ditch That Textbook* is a support system, toolbox, and manifesto to help educators free their teaching and revolutionize their classrooms.
