Anna Kavan, Ice - John Pistelli Anna Kavan (born Helen Emily Woods; 10 April 1901 - 5 December 1968) was a British novelist, short story writer and painter. Originally publishing under her first married name, Helen Ferguson, she adopted the name Anna Kavan in 1939, not only as a nom de plume but as her legal identity. Anna Kavan - Wikipedia Anna Kavan was born "Helen Woods" in France on April 10, 1901 to wealthy expatriate British parents. Her initial six works were published under the name of Helen Ferguson, her first married name. These early novels gave little indication of the experimental and disturbing nature of her later work. Anna Kavan (Author of Ice) Anna Kavan's Ice is

today hailed as classic of science-fiction and a definitive work of the 'slipstream' genre. As part of the new editions of the Peter Owen Cased Classics series, this special hardback edition carries a dust jacket with false die-cutting of a triangle, while printed on the cover board is the striking artwork of British contemporary artist Naomi Frears.
