DUDLEY CARDENAS

Freight Train Harper Collins

This third book in the Cascade Mountain Railroad Mysteries series, based on a page from American history, follows a trio of mischievous and determined young crime solvers. It is 1926 in the remote camp town of Scenic, Washington, and Billy, Dannie and Finn have more on their minds than the upcoming Fourth of July pageant. When Billy finds a mysterious burlap sack containing a threatening note, he and his best friends have a brand new case to solve. Does the note have something to do with the strange, unscheduled trains that are moving through Scenic? The trail leads the trio to a planned railroad heist of a special train carrying raw silk worth millions from the Seattle shipyards to the East Coast textile mills. But time is running out as the three friends frantically search for clues to the identity of the robber before the targeted "ghost train" passes through Scenic. Anne Capeci's fast-paced historical series offers young readers a satisfying mystery, well-drawn characters, and an authentic portrait of the rough and tumble life of a western camp town in the 1920s.

Bullet Trains Time Train

"The innocence of childhood collides with the stark aftermath of war in this wrenching and ultimately redemptive tale of family, seemingly impossible choices, and the winding paths to destiny, which sometimes take us to places far beyond our imaginings." - Lisa Wingate, #1 New York Times Bestselling Author of *Before We Were Yours* and *The Book of Lost Friends* "Ardone's beautifully crafted story explores the meaning of identity and belonging...recommended to fans of Elena Ferrante's Neapolitan novels." - *The Library Journal* "[The Children's Train] leaves you with a great sense of the importance of family and the tough decisions that must be faced as a result of that love." - Shelf Awareness Based on true events, a heartbreaking story of love, family, hope, and survival set in post-World War II Italy—written with the heart of *Orphan Train* and *Before We Were Yours*—about poor children from the south sent to live with families in the north to survive deprivation and the harsh winters. Though Mussolini and the fascists have been defeated, the war has devastated Italy, especially the south. Seven-year-old Amerigo lives with his mother Antonietta in Naples, surviving on odd jobs and his wits like the rest of the poor in his neighborhood. But one day, Amerigo learns that a train will take him away from the rubble-strewn streets of the city to spend the winter with a family in the north, where he will be safe and have warm clothes and food to eat. Together with thousands of other southern children, Amerigo will cross the entire peninsula to a new life. Through his curious,

innocent eyes, we see a nation rising from the ashes of war, reborn. As he comes to enjoy his new surroundings and the possibilities for a better future, Amerigo will make the heartbreaking choice to leave his mother and become a member of his adoptive family. Amerigo's journey is a moving story of memory, indelible bonds, artistry, and self-exploration, and a soaring examination of what family can truly mean. Ultimately Amerigo comes to understand that sometimes we must give up everything, even a mother's love, to find our destiny. Translated from the Italian by Clarissa Botsford
