Passions and constraint : on the theory of liberal ...

Holmes argues that the aspirations of liberal democracy—including individual liberty, the equal dignity of citizens, and a tolerance for diversity—are best understood in relation to two central themes of classical liberal theory: the psychological motivations of individuals and the necessary constraint on individual passions provided by ...

Passions and Constraint: On the Theory of Liberal ...

The collection as a whole asks whether a discourse of the passions might provide a critical perspective on the politics of subjectivity. Whatever their specific approach to the question of ideology, all the essays reconsider the legacy of the passions in modern political theory and the importance of the history of politics and the passions for ...
