Tales with Fresh Bite Bloomsbury Publishing USA

Something wicked this way comes... Twin sisters, Mercy and Hunter are witches, direct descendants of the Goode family, the founders of their town. After the murder of their mother at the hands of a foul demon, they have become the protectors of the Gates to different underworlds--ancient portals between their world and realms where mythology rules and the darkest of creatures exist. Grief has taken a terrible toll on the twins. Rather than bringing them together, their sadness has torn them apart, driving Mercy to attempt to save the crumbling Gates without her twin and Hunter into the arms of a dangerous goddess. While Mercy looks for aid from Khenti, Guardian of the Egyptian Underworld, Hunter begins to realize the goddess she's allied with is more monster than deity. She needs her sister's help, but Mercy is beyond her reach on an adventure that could cost them everything, including their world.

Novak's debut delivers buzzy, wacky, and hilarious read-to-me eBook.

**The Blood Coven Vampires** Entangled: Teen

FULLY UPDATED Arron Banks enjoyed a life of happy anonymity flogging car insurance in Bristol until he dipped his toes into the sharkinfested waters of politics and decided to plunge right in. Charging into battle for Brexit, he tore up the political rule book, sinking £8 million of his personal fortune into a mad-cap campaign targeting ordinary voters up and down the country. His anti-establishment crusade upset everyone from Victoria Beckham to NASA and left MPs open-mouthed. Lurching from comedy to crisis (often several times a day), he found himself in the glare of the media spotlight,

fending off daily bollockings from Nigel Farage and po-faced MPs. From talking Brexit with Trump and trying not to embarrass the Queen, to courting communists and wasting a fortune on a pop concert that descended into farce, this is his honest, uncensored and highly entertaining diary of the campaign that changed the course of history.

Despite knowing she should despise him, the passion he has ignited inside her is hard to control and she is quickly losing the reasons she shouldn't give in...especially when he makes it clear that he wants the same thing.
