Strategies  
Written by an AP teacher who has studied the AP U.S. History Exam for 20 years, the author shares his detailed, question-level strategies and explains the best way to answer the multiple-choice and essay questions. By following his expert advice, you can boost your overall point score!

Key Terms You Must Know

Mastering AP vocabulary terms is an easy way to boost your

score. Our AP expert gives you the key terms all AP U.S. History students must know before test day. Take REA's FREE Practice Exam After studying the material in the Crash Course, go online and test what you've learned. Our full-length practice exam features timed testing, detailed explanations of answers, and automatic scoring. The exam is balanced to include every topic and type of question

found on the actual AP exam, so you know you're studying the smart way! When it's crucial crunch time and your AP U.S. History exam is just around the corner, you need REA's AP U.S. History Crash Course!

[The American Yawp](#) Cengage Learning

Concise and accessible text structured and written to follow the current AP Course and Exam Description. Content topics provide core

narrative of U.S. history organized in short, focused sections. The text is aligned to course exam framework and correlated in the areas of historical thinking skills, reasoning processes, themes, and content. Text includes primary sources, special features, multiple assessment opportunities, and a complete AP U.S. History practice exam. Prior edition available.

AP® U.S. History Crash Course Book + Online  
Krieger Publishing Company  
Robert V. Remini's prize-winning, three-volume biography *Life of Andrew Jackson* won the National Book Award on its completion in 1984 and is recognized as one of the greatest lives of a U.S. President. In this meticulously crafted single-volume abridgment, Remini captures the essence of the

life and career of the seventh president of the United States. As president, from 1829-1837, Jackson was a significant force in the nation's expansion, the growth of presidential power, and the transition from republicanism to democracy. Jackson is a highly controversial figure who is undergoing historical reconsideration today. He is known as spurring the emergence of the modern

American political division of Republican and Democratic parties, for the infamous Indian removal on the Trail of Tears, and for his brave victory against the British as Major General at the Battle of New Orleans. Never an apologist, Remini portrays Jackson as a forceful, sometimes tragic, hero--a man whose strength and flaws were larger than life, a

president whose conviction provided the nation with one of the most influential, colorful, and controversial administrations in our history.

Penguin This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it.

This work is in the public domain in the United States of America, and possibly other nations. Within the United States, you may freely copy and distribute this work, as no entity (individual or corporate) has a copyright on the body of the work. Scholars believe, and we concur, that this work is important enough to be preserved, reproduced, and made generally available to the public. To ensure a

quality reading experience, this work has been proofread and republished using a format that seamlessly blends the original graphical elements with text in an easy-to-read typeface. We appreciate your support of the preservation process, and thank you for being an important part of keeping this knowledge alive and relevant.  
*The Life of Andrew Jackson* W. W.

Norton & Company Presents a collection of oratory including sermons, speeches, courtroom arguments, radio broadcasts, eulogies, and commencement addresses.  
**How Christians are Changing the Soul of American Politics**  
Simon and Schuster  
Keyed to the 12th and 13th editions of *The American Pageant*, this book includes a diagnostic test, practice

questions, full-length practice tests as well as graphs and tables to help students learn to analyze data.  
*The American Pageant Standard Ebooks*  
Includes the "AP Advantage 3-Step Solution, 1 Platform" formula for learning.  
**The Articles of Confederation** Perfection Learning  
The new edition of *American Pageant*, the leading program for AP U.S.

history, now reflects the redesigned AP Course and Exam that begins with the 2014-2015 school year. The 16th edition helps prepare students for success on the AP Exam by 1) helping them practice historical thinking skills, pulling together concepts with events, and 2) giving them practice answering questions modeled after those they'll find on the exam. The new edition adds a two-

page opener/preview to every chapter, guiding students through the main points of the chapter and using questions and elements tied to the AP Curriculum Framework to help them internalize the chapter more conceptually. Also new are additional End-of-Part multiple-choice and short answer questions reflecting the changes to the exam. Practice DBQs and other free response

essay questions will still be found at the back of the book. *Testimony of a Thousand Witnesses* Research & Education Assoc. John Irish and Barbara Ozuna, both experienced history teachers, have teamed up to develop this workbook to focus on the historical thinking skills that high school students in the AP\* World History course must master in order to perform well on the exam.

**A Massively Collaborative Open U.S. History Textbook, Vol. 1: To 1877**  
McGraw-Hill Education  
Since its original landmark publication in 1980, A People's History of the United States has been chronicling American history from the bottom up, throwing out the official version of history taught in schools -- with its emphasis on

great men in high places -- to focus on the street, the home, and the workplace.  
Known for its lively, clear prose as well as its scholarly research, A People's History is the only volume to tell America's story from the point of view of -- and in the words of -- America's women, factory workers, African-Americans, Native Americans, the working poor, and

immigrant laborers. As historian Howard Zinn shows, many of our country's greatest battles -- the fights for a fair wage, an eight-hour workday, child-labor laws, health and safety standards, universal suffrage, women's rights, racial equality -- were carried out at the grassroots level, against bloody resistance. Covering Christopher Columbus's arrival

through President Clinton's first term, *A People's History of the United States*, which was nominated for the American Book Award in 1981, features insightful analysis of the most important events in our history. Revised, updated, and featuring a new afterword by the author, this special twentieth anniversary edition continues Zinn's important contribution to

a complete and balanced understanding of American history. *A Workbook for World History A H M Publications* THE AMERICAN PAGEANT enjoys a reputation as one of the most popular, effective, and entertaining texts on American history. The colorful anecdotes, first-person quotations, and trademark wit bring American history to life. The 16th edition includes a

major revision of Part Six (the period from 1945 to the present), reflecting recent scholarship and providing greater thematic coherence. The authors also condensed and consolidated material on the Wilson presidency and World War I (formerly Chapters 29 and 30) into a new single chapter. A new feature, “Contending Voices,” offers paired quotes from original historical sources, accompanied by questions that prompt students to think about conflicting perspectives on controversial subjects. Additional pedagogical aids make THE AMERICAN PAGEANT accessible to students: part openers and chapter-ending chronologies provide a context for the major periods in American history, while other features present additional primary sources, scholarly debates, and key historical figures for analysis. Available in the following options: THE AMERICAN PAGEANT, Sixteenth Edition (Chapters 1–41); Volume 1: To 1877 (Chapters 1–22); Volume 2: Since 1865 (Chapters 22–41). History, 4th

Edition Harper

Collins

John Stuart

Mill was a

prolific and

well-regarded

author and

philosopher in

his day, but

perhaps his

most enduring

work is *On*

*Liberty*, an

essay

developed

over several

years and with

significant

input from his

wife. In it, he

applies his

views on the

Utilitarian

ethical theory

to systems of society and governance.

The result

became one

of the most

influential

essays on

liberal political

thought in

modern

history. In *On*

*Liberty* Mill

addresses

such familiar

concepts as

freedom of

speech, the

importance of

individuality,

and the limits

of society's

influence on

the individual.

He caps the

discussion

with an

application of

these

principles to

problems of

the day,

including

education and the economy.

This book is

part of the

Standard

Ebooks

project, which

produces free

literature,

religious

sermons,

newspaper

articles, court

testimony, and diary entries. An ideal companion for THE AMERICAN PAGEANT, the text can be used with any U.S. history survey text. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

[For the AP Course](#)  
Stanford University Press  
This text traces the history of the civil rights movement in the years following World War II, to the present day. Issues discussed the Civil Rights Act of 1964, the Voting Rights of 1965, and the Northern Ireland ghetto's. *The American Pageant* Franklin Classics Trade Press  
"I too am not a bit tamed—I too am untranslatable / I sound my barbaric yawp over the roofs of the world."—Walt Whitman, "Song of Myself," Leaves of Grass  
The American Yawp is a free, online, collaboratively built American history textbook. Over 300 historians joined together to create the book they wanted for their own students—an accessible, synthetic narrative that reflects the best of recent historical scholarship and provides a jumping-off point for discussions in the U.S. history

classroom and beyond. Long before Whitman and long after, Americans have sung something collectively amid the deafening roar of their many individual voices. The Yawp highlights the dynamism and conflict inherent in the history of the United States, while also looking for the common threads that help us make sense of the past. Without losing sight of politics and power, The American

Yawp incorporates transnational perspectives, integrates diverse voices, recovers narratives of resistance, and explores the complex process of cultural creation. It looks for America in crowded slave cabins, bustling markets, congested tenements, and marbled halls. It navigates between maternity wards, prisons, streets, bars, and

boardrooms. The fully peer-reviewed edition of The American Yawp will be available in two print volumes designed for the U.S. history survey. Volume I begins with the indigenous people who called the Americas home before chronicling the collision of Native Americans, Europeans, and Africans. The American Yawp traces the development of colonial society in the

context of the larger Atlantic World and investigates the origins and ruptures of slavery, the American Revolution, and the new nation's development and rebirth through the Civil War and Reconstruction. Rather than asserting a fixed narrative of American progress, The American Yawp gives students a starting point for asking their own questions about how the past informs the problems and

opportunities that we confront today. Revolutionary Characters Houghton Mifflin College Division In this brilliantly illuminating group portrait of the men who came to be known as the Founding Fathers, the incomparable Gordon Wood has written a book that seriously asks, "What made these men great?" and shows us, among many other things, just how much character did in fact matter.

The life of each—Washington, Adams, Jefferson, Franklin, Hamilton, Madison, Paine—is presented individually as well as collectively, but the thread that binds these portraits together is the idea of character as a lived reality. They were members of the first generation in history that was self-consciously self-made men who understood that the arc of lives, as of nations, is one

of moral progress.
