The Street of Crocodiles in the Polish city of Drogobych is a street of memories and dreams where recollections of Bruno Schulz's uncommon boyhood and of the eerie side of his merchant family's life

are evoked in a startling blend of the real and the fantastic. Most memorable - and most chilling - is the portrait of the author's father, a maddened shopkeeper who imports rare birds' eggs to hatch in his attic, who believes tailors' dummies should be treated like people, and whose obsessive fear of cockroaches causes him to resemble one. Bruno Schulz, a Polish Jew killed by the Nazis in 1942, is considered by many to have been the leading Polish writer between the two world wars.

A romp through the bubble-gum years of teenage life. Angela and Mazine, besotted with Madonna, play truant from school,

form a band, attempt to write songs and, with hairbrushes in hand, live out their adolescent dreams of becoming famous. Meanwhile Angela's mother, Viv, struggles to come to terms with her marriage break-up and her daughter's explosive lifestyle, as the play rollercoasters through hope, sex, ambition, despair, and, most of all, love.

Be careful which star you wish upon... The unseelie—banished by Oberon long ago—are stirring awake, and there's one name on their poisoned lips: Nightshade. Kesh is beginning to settle into her role as Halow's messenger, saving people from the fae with the help of Kellee,

Talen, Arran and Sota, but if she has any hope of making her wrongs right, she must trust those around her.

Without them, there is no Messenger. Friends, lovers, more. But one has a secret. A secret so dark it threatens to change everything Kesh believes in. A secret that could change the fate of Faerie, Halow, and all of humanity. When the fae abandoned the stars long-ago, they left behind more than fairytales. They left behind their monsters.

From the brilliant mind of Michaela Coel,

creator and star of *I May Destroy You* and *Chewing Gum*, comes a passionate and inspired declaration against fitting in. When invited to deliver the MacTaggart Lecture at the Edinburgh International Television Festival, Michaela Coel touched a lot of people with her striking revelations about race, class and gender, but the person most significantly impacted was Coel herself. Building on her celebrated speech, *Misfits* immerses readers in her vision through powerful allegory and deeply personal anecdotes—from her coming of age in London public housing to her discovery of theater and her love for storytelling. And she tells of her

reckoning with trauma and metamorphosis into a champion for herself, inclusivity, and radical honesty. With inspiring insight and wit, Coel lays bare her journey so far and invites us to reflect on our own. By embracing our differences, she says, we can transform our lives. An artist to her core, Coel holds up the path of the creative as an emblem of our need to regard one another with care and respect—and transparency. *Misfits* is a triumphant call for honesty, empathy and inclusion. Championing “misfits” everywhere, this timely, necessary book is a rousing coming-to-power manifesto dedicated to anyone who has ever worried about fitting in. contemporary plays,  
The Oberon Book of  
Monologues for Black  
Actresses gives  
readers an insight into  
some of the best  
cutting-edge plays  
written by black British  
playwrights, over the  
last sixty years. This  
collection features over  
twenty speeches by  
Britain's most  
prominent black  
dramatists. The  
monologues represent  
a wide-range of  
themes, characters,  
dialects and styles.

each selection includes  
production information,  
a synopsis of the play,  
a biography of the  
playwright and a scene  
summary. The aim of  
this collection is that  
actors will enjoy  
working on these  
speeches, using them  
to help strengthen

their craft, and by doing so, help to ensure these plays are always remembered.

A Drama Chewing Gum Dreams

A startling comic drama and winner of the 2011 Bruntwood Prize, the UK's biggest national playwriting competition.

*Pass Over* Penguin Fringe First and Total Theatre Award-winning Breach (Tank, The Beanfield) restage the 1612 trial of Agostino Tassi for the rape of baroque painter Artemisia Gentileschi. Based on surviving court transcripts, this new play dramatises the seven-month trial that gripped Renaissance Rome, and asks how much has changed in the last four centuries. Blending myth, history and contemporary

commentary, this is the story of how a woman took revenge through her art to become one of the most successful painters of her generation.

**The Cut** Picador Haunted by her dream of Cordelia and Lear, a woman confronts an elderly man, her lifelong antagonist and rival. During their passionate altercation he dismisses her success as a composer and demands she make the ultimate sacrifice: for him to flourish she, his protégé, must be silent. Five years later, she returns for a final and devastating encounter. Marina Carr's *The Cordelia Dream* premiered in December 2008 at Wilton's Music Hall, London, in a production

by the Royal  
Shakespeare Company.

Teachers want more. Daniel Shindler's In Search: Reimagining What it Means to be a Teacher, is an optimistic, necessary book that invites us to identify our core values as teachers, school leaders, and policy-makers. With those values, we journey with him through a series of fundamental requisites that we can apply and nurture in our lives and places of work. Using his teaching experiences, practical examples, and storytelling, Daniel illustrates the requisites we should strive for - honing our expertise, creating

powerful and memorable teaching experiences, enquiring with honesty about ourselves and those we teach, building meaningful one-to-one conversations, fostering curiosity and resilience, and building a wider school culture of community and pastoral care. By asking the biggest questions of what it means to be an educator and not seeking simple answers, the book is saying here is what is possible. For Daniel, teaching is alchemy and craft that goes beyond career, intertwining our personal and professional lives. Only a holistic approach will do, if we are to create longevity, which is why Daniel is asking us to reimagine what it

means to be a teacher by placing it in the intersection of the private and public self. Why else teach, if not to live? How many of us live in our careers but not our craft? In short, it speaks to the complexity of the human condition of teaching. Our journey is enhanced by Daniel's extensive experience as a teacher of drama, wellbeing and project-based learning within inner cities and internationally, and as lead architect of School21's groundbreaking oracy curriculum. The book includes a compelling foreword by Jeffrey Boakye, teacher and bestselling author of *Black, Listed and Hold Tight*. In a world of constant change and shifting priorities,

never has the search for craft and meaning been more necessary. 'Teaching is a search. It's the effort to walk towards, not forward, or upwards, but inwards towards the self and outwards towards others, at the same time. We've all got a search in us and trust me, In Search is 100% a jumping off point for your own journey, whatever that may be.' Jeffrey Boakye – Bestselling author of *Black*, *Listed* and *Hold Tight* I loved its scope, the depth of thinking, the range of references, the way public and private, school and life, cross over. It got me thinking differently about things. It's also the perfect antidote to all the books around that reduce teaching to chunks, or a series of

moves and techniques. Peter Hyman, Co-Director of Big Education, Co-founder of School 21

These five short plays date from Brenton's early involvement in such 'shoestring' groups as Portable Theatre. They are deliberately intended for the 'poor theatre' - as relevant today as when they were first written - since each play requires a small cast and minimal set, yet yields maximum theatricality. *Christie in Love*, *Gum and Goo*, *Heads* and *The Education of Skinny Spew*, were all first staged in 1969. *The Saliva Milkshake* was first staged in 1975.

Go deeper into the groundbreaking, Golden Globe and Emmy-winning series with this must-have collection—"a completist's dream of a book, including the show's full scripts and Waller-Bridge's commentary" (Vogue). NAMED ONE OF THE BEST BOOKS OF THE YEAR BY EVENING STANDARD "Her coat falls open. She only has her bra on underneath. She pulls out the little sculpture of the woman with no arms. It sits on her lap. Two women. One real. One not. Both with their innate femininity out." Phoebe Waller-Bridge's critically acclaimed, utterly unique series *Fleabag* took the world by storm with its piercing

dialogue, ruthlessly dry wit, and deeply human drama. In *Fleabag: The Scriptures*, Waller-Bridge brings together for the first time the filming scripts of the first and second seasons, complete with the original stage directions as well as exclusive commentary on her creative process and the making of the series. Now recognized as one of today's most essential voices, she delivers powerful insights into her now-iconic protagonist: the hilarious, emotionally damaged, sexually unapologetic woman who can make viewers laugh, cry, and cringe in a single scene. Essential for any fan, *Fleabag: The Scriptures* is the ultimate companion to a landmark series. *A Play* A&C Black

En 1904, Cari Jung, médecin zurichois, rencontre Sabina Spielrein, une patiente " hystérique " qui entame avec lui une thérapie. La pièce de Christopher Hampton met en scène ce face-à-face, ce moment crucial dans la trajectoire de deux individus qui vont, chacun à sa manière, quitter leur maître et s'émanciper. C'est à cette époque, en effet, que Jung se convertit à la psychanalyse avant de rompre avec Freud, son maître à penser - rupture importante dans l'histoire intellectuelle européenne. Quant à Sabina Spielrein, son émancipation est une véritable métamorphose. Réduite d'abord à un corps hystérique scruté par ses thérapeutes,

elle se mue peu à peu en femme amoureuse. La patiente se fait alors psychanalyste, la femme-objet devient sujet de mémoire et de désir.
