Excerpt from The Christian Home: A Sermon Occasioned by the Death of Mrs. M. G. Kittredge, Preached in the Eliot Church, Boston Highlands, April 22, 1883 Then Jesus turned. And saw them following, and saith unto them, What see ye? They said unto him, Rabbi, (which is to say, being interpreted, Master,) where dwellest thou? Fife saith unto them, Come and see. They came and saw where he dwelt, and abode with him that day; for it was about the tenth hour.-John 1 38, 39. Excerpt from A Sermon, Occasioned by the Burning of the Steamer Lexington: Preached in St. Paul's Church, Boston These words of the Apostle drew special force from the times in which they were written. Those were times of persecution and distress to the infant church; times which gave loud admonition to Christians against entangling themselves in the pleasures, the business, or even the domestic relations of life, and were powerful in persuading them to a right estimate and use of all earthly things. What the Apostle wrote, he wrote under the pressure of present distress. The world had set itself against the church, and seemed determined to crush it in its very budding. Those Christians Who married, and surrounded themselves With the tender clusters. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. The 18th century was a wealth of knowledge, exploration and rapidly growing technology and expanding record-keeping made possible by advances in the printing press. In its determination to preserve the century of revolution, Gale initiated a revolution of its own: digitization of epic proportions to preserve these invaluable works in the largest archive of its kind. Now for the first time these high-quality digital copies of original 18th century manuscripts are available in print, making them highly accessible to libraries, undergraduate students, and independent scholars. The Age of Enlightenment profoundly enriched religious and philosophical understanding and continues to influence present-day thinking. Works collected here include masterpieces by David Hume, Immanuel Kant, and Jean-Jacques Rousseau, as well as religious sermons and moral debates on the issues of the day, such as the slave trade. The Age of Reason saw conflict between Protestantism and Catholicism transformed into one between

faith and logic -- a debate that continues in the twenty-first century. ++++ The below data was compiled from various identification fields in the bibliographic record of this title. Edward Everett Forgotten Books

Excerpt from Edward Everett: A Sermon Occasioned by the Death of Edward Everett, Preached at the Church of the Saviour, Brooklyn, N. Y., January 22, 1865 Scarcely had we entered upon the new year, and another, more eminent and admired than any of the great benefactors I have named, and more deserving than they of the full roll of honors which the sacred writer recounts, has been suddenly called from the theatre of his labors and triumphs, and leaves a nation to mourn, in grief and yet in pride, what seems to be, to us, his calamitous death. This is not the time or the place to dwell, in terms of mere eulogy, or praise, upon the life and character of Edward Everett. It is meet, however, that when so great and good a man is called to his rest - when so noble and beautiful a career has been brought to its close, the Christian pulpit should make special mention of the gracious Providence which vouchsafed to the world the precious gift, and gather up the practical lessons, which, now that the treasure has been taken away, it is permitted us to receive and cherish.
