EVAN LIVINGSTON

The Essential Theatre Wadsworth
Publishing

Known as the "bible" of theatre history, Brockett and Hildy's History of the Theatre is the most comprehensive and widely used survey of theatre history in the market. This 40th Anniversary Edition retains all of the traditional features that have made History of the Theatre the most successful text of its kind including worldwide coverage, more than 530

photos and illustrations, useful maps, and the expertise of Oscar G. Brockett and Franklin J. Hildy, two of the most widely respected theatre historians in the field. This tenth edition provides the most thorough and accurate assessment of theatre history available and includes contemporary milestones in theatre history.

Love and Information Oxford University Press, USA

Contemporary theatre is nearly as controversial as the changing society it reflects. Much of its journalistic notoriety derives from its seeming advocacy of behavior, language, and ideas once considered unsuitable for public performance. In this overview, a noted authority takes a perceptive look at the radical trends in modern drama and provides us with a new awareness of the forces and ideas behind the current theatrical battle. Professor Brockett demonstrates that many of the puzzling aspects of contemporary theatre—such as obscenity, nudity, and propaganda—are rooted in the traditions of Western stage and society. He traces the shifts in values over the past century and shows how these changes have affected modern drama. This uncertainty about values, says the author, has been accompanied by new conceptions of structural unity in theatre. He points out the various structural innovations in drama from Aristotle through wide range of playwrights, including Sophocles, Ionesco, Ibsen, Brecht, Artaud, Beckett, and Jean-Claude

van Itallie, and discusses the relationship of “relevance” to “universality.” He examines the most recent theatrical shift—from detachment to commitment—and compares the plays of the anxious 1950s, such as Beckett’s *Waiting for Godot*, with today’s committed theatre, including such productions as *Chicago 70*, *Hair*, and *Che!* *Perspectives on Contemporary Theatre* is a thoughtful guide for the reader who seeks a better understanding of the radical changes in the nature and function of dramatic art.

Experiencing Theatre Routledge

An annotated collection of more than 300 unusually interesting and detailed passages includes views by observers from ancient Greece to modern times on acting, directing, make-up, costuming, props, much more.

Perspectives on Contemporary

Theatre Oxford University Press
PLAYS FOR THE THEATRE, Seventh Edition, continues its rich tradition of providing insightful and absorbing plays for the contemporary stage. The plays selected typify a wide range of cultural diversity and dramatic power. *PLAYS FOR THE THEATRE*, edited by Oscar G. Brockett with

Robert Ball, is a companion to *THE ESSENTIAL THEATRE*, Seventh Edition, which places selections from Plays within historical and cultural context, providing a richer and more rewarding exploration of the people and the ideas that have shaped today's theatre.

Long after returning from Neverland, Wendy decides that she must find Peter in order to reclaim her kiss and move on with her life. Along the way, she meets other girls who went to Neverland and learns she is not alone. A coming-of-age exploration of first love and lasting loss, *Lost Girl* continues the story of J.M. Barrie’s beloved character – the girl who had to grow up.

Century of Innovation Cambridge University Press

This best-selling textbook returns for a seventh edition with material on the most fundamental and fascinating issues in sociology today. The authors continue their tradition of focusing on the big picture, with an emphasis on race, class, and gender in every chapter. The text continues to frame sociological debates

around the major theoretical perspectives of sociology and focus on capturing students' imaginations with cutting-edge research and real-world events. The hallmark of the book continues to be clear writing that helps students understand the intricacies of the discipline like no other textbook on the market. New to the seventh edition Expanded focus on new social movements such as Black Lives Matter, Occupy Wall Street, and the Tea Party. Updates on both the 2012 and 2016 elections. New discussions of Donald Trump and the immigration debate; causes and consequences. New discussions of "patriot" movements, racism, and the reaction to the first African American president. Expanded coverage of sexual orientation and LGBT issues. Updates on gay rights and the historic legalization of same-sex marriage. New sections on cyber life discussion issues such as cyber bullying and public shaming; WikiLeaks, Edward Snowden, and NSA spying; sexting and youth culture; the Arab Spring; and social media activism. New coverage of the so-called "he-cession" and the rise of women managers (whom employers still see as risky but,

increasingly, as highly talented). Updates on health-care reform, five years on and the efforts to repeal and replace "Obamacare". Expanded coverage of mass shootings and the corresponding policy debates. Expanded coverage and new focus on police-involved shootings and gun control in the "Deviance, Crime, and Social Control" chapter. New discussions of the sociology of finance, including the role of financial derivatives in the 2008 global financial crisis. New photos and updated figures and tables throughout the text. Dancing Jewish LSU Press
On January 20, 2017, Donald J. Trump was sworn in as the 45th president of the United States. Over the next sixteen months, events would unravel that test every American's strength of character: executive actions, an immigration round-up of unprecedented scale, and a declaration of martial law. Rick finds himself caught up as the frontman of the new administration's edicts and loses his humanity. In a play that recalls George Orwell's Nineteen Eighty-Four and the Nazi regime, BUILDING THE WALL is a terrifying and gripping exploration of what happens if we let fear win.

Plays for the Theatre Concord Theatricals
How does structural economic change look and feel? How are such changes normalized? Who represents hope? Who are the cautionary tales? Unfinished Business argues that U.S. deindustrialization cannot be understood apart from issues of race, and specifically apart from images of, and works by and about African Americans that represent or resist normative or aberrant relationships to work and capital in transitional times. It insists that Michael Jackson's performances and coverage of his life, plays featuring Detroit, plans for the city's postindustrial revitalization, and Detroit installations The Heidelberg Project and Mobile Homestead have something valuable to teach us about three decades of structural economic transition in the U.S., particularly about the changing nature of work and capitalism between the mid 1980s and 2016. Jackson and Detroit offer examples of the racialization of deindustrialization, how it operates as a structure of feeling and as representations as well as a shift in the dominant mode of production, and how industrialization's successor mode, financialization, uses

imagery both very similar to and very different from its predecessor.

The Theatre, an Introduction [by] Oscar G. Brockett Springer Nature

Elizabeth B. Schwall aligns culture and politics by focusing on an art form that became a darling of the Cuban revolution: dance. In this history of staged performance in ballet, modern dance, and folkloric dance, Schwall analyzes how and why dance artists interacted with republican and, later, revolutionary politics. Drawing on written and visual archives, including intriguing exchanges between dancers and bureaucrats, Schwall argues that Cuban dancers used their bodies and ephemeral, nonverbal choreography to support and critique political regimes and cultural biases. As esteemed artists, Cuban dancers exercised considerable power and influence. They often used their art to posit more radical notions of social justice than political leaders were able or willing to implement. After 1959, while generally promoting revolutionary projects like mass education and internationalist solidarity, they also took risks by challenging racial prejudice, gender norms, and censorship,

all of which could affect dancers personally. On a broader level, Schwall shows that dance, too often overlooked in histories of Latin America and the Caribbean, provides fresh perspectives on what it means for people, and nations, to move through the world.

On the Performance Front Academic Internet Pub Incorporated

This book argues that US theatre in the 20th century embraced the theories and practices of internationalism as a way to realize a better world and as part of the strategic reform of the theatre into a national expression. Live performance, theatre internationalists argued, could represent and reflect the nation like no other endeavour.

Building the Wall Springer

Jewish choreographers have not only been vital contributors to American modern and postmodern dance, but they have also played a critical and unacknowledged role in American Jewish culture. This book delineates this rich history, demonstrating how, over the twentieth century, dance enabled American Jews to grapple with identity, difference, cultural belonging, and pride.

But the book also uncovers a host of marginalized figures - from the South Asian dancer Mohammed Ismail, to the African American pantomimist Johnny Hudgins, to the African American blues singer Alberta Hunter, to the white burlesque dancer Faith Dane - who were equally interested in positioning themselves as subjects rather than objects of property, as possessive individuals rather than exchangeable commodities. Choreographic copyright, the book argues, has been a site for the reinforcement of gendered white privilege as well as for challenges to it.

Meek Oxford Studies in Dance Theory
Winner of Oscar G. Brockett Book Prize for Dance Research, given by DSA, 2021
Staging Brazil: Choreographies of Capoeira is the first in-depth study of the processes of legitimization and globalization of capoeira, the Afro-Brazilian combat game practiced today throughout the world. Ana Paula Höfling contextualizes the emergence of the two main styles of capoeira, angola and regional, within

discourses of race and nation in mid-twentieth century Brazil. This history of capoeira's corporeality, on the page and on the stage, includes analysis of illustrated capoeira manuals and reveals the mutual influences between capoeira practitioners, tourism bureaucrats, intellectuals, artists, and directors of folkloric ensembles. Staging Brazil sheds light on the importance of capoeira in folkloric shows in the 1960s and 70s—both those that catered to tourists visiting Brazil and those that toured abroad and introduced capoeira to the world.

Twelve Ophelias (a Play with Broken Songs) Lulu.com

This introductory text acquaints students with the theatre—its artistic and social functions, its development, and how each of the theatre arts functions as a unit. In the thirty-five years since it was first published, THE ESSENTIAL THEATRE has established a reputation as one of the most comprehensive, authoritative surveys of the theatre in academia. THE ESSENTIAL THEATRE works in tandem with its companion anthology, PLAYS FOR THE THEATRE (7/e), edited by Oscar G. Brockett with Robert Ball. The scripts in PLAYS serve as the foundation for discussion of the various types of theatrical experience explored in THE ESSENTIAL THEATRE.

“[Eclipsed is] a surprisingly vivacious portrait of helplessness, of the entirely human impulse to adapt, to get by even when there's little hope life will get better.”—Washington Post “Eclipsed depicts the harsh realities of women’s lives in a strife-torn African country with both a clear eye and a palpable empathy.”—New York Times Four women in Liberia struggle to survive conditions on a rebel army base. Held as the concubines of a warlord, each “wife” must find her own means of coping amidst a situation that appears hopeless. With frail, fractured identities born from an ongoing, senseless civil war, the women build their own contained world to guard against the chaos outside. This enthralling work from award-winning playwright and actress Gurira demonstrates the human capacity to endure, even in the most desolate of circumstances. Danai Gurira’s other plays include Familiar and In the Continuum, written for World AIDS Day in December 2011, which she co-wrote and co-starred in with Nikkole Salter. For In the Continuum, she was awarded an Obie Award, Outer Critics' Circle Award, and a Helen Hayes Award for her performance.

She received a Whiting Writer's Award in 2012. She is best known for her role as Michonne in the hit television series, The Walking Dead.
