 An exhilarating novel about a group of students who take revenge on a wunderkind professor after she destroys one of their own - a story of collective drive to create, sabotage, and ultimately, to love. It doesn't take long for the students on Fielding

campus to become obsessed with Hannah, Leslie and Jimmy. The three graduate students are mysterious, inaccessible, and brilliant. Leslie, glamorous and brash, has declared that she wants to write erotica and make millions. Hannah is quietly confident, loyal, elegantly beautiful, and the person they all want to be; and Jimmy is a haunted genius with no past. After Simone - young, bestselling author and erstwhile model - shows up as a visiting professor, and

after everything that happened with her, the trio only become more notorious. Love. Death. Revenge. These age-old tropes come to life as the semesters unfold. The threesome came to study writing, to be writers, and this is the story they've woven together: of friendship and passion, of competition and envy, of creativity as life and death. Now, they submit this story, *We Wish You Luck*, for your reading pleasure.

"Kepnes hits the mark, cuts deep, and twists the knife." —Entertainment Weekly "Delicious and insane...The plot may be

twisty and scintillating, but it's Kepnes's wit and style that keep you coming back." —Lena Dunham "Hypnotic and scary." —Stephen King "Obsessed." —Jessica Knoll, New York Times bestselling author In the compulsively readable sequel to her widely acclaimed debut novel, *You*, Caroline Kepnes weaves a tale that Booklist calls "the love child of Holden Caulfield and Patrick Bateman." Goldberg returns. Joe is no stranger to hiding bodies. In the past ten years, this thirty-something has buried four of them, collateral damage in his quest for love. He eats guac, works in a bookstore, and flirts with a journalist neighbor. But while others seem fixated on their own reflections, Joe can't stop

looking over his shoulder. The problem with hidden bodies is that they don't always stay that way. They reemerge, like dark thoughts, multiplying and threatening to destroy what Joe wants most: true love. And when he finds it in a darkened room in Soho House, he's more desperate than ever to keep his secrets buried. He doesn't want to hurt his new girlfriend—he wants to be with her forever. But if she ever finds out what he's done, he may not have a choice...

 “Leavitt has crafted an irresistible portrait of midlife ennui and the magic of breaking free.”
 —People “With or Without You is a moving novel about twists of fate, the shifting terrain of love, and coming into your own. With tenderness and incisive insight, Leavitt spotlights a woman's unexpected journey towards her art.”
 —Madeline Miller, author of *Circe* A Best Book of the Month: Bustle *

PopSugar New York Times bestselling author Caroline Leavitt writes novels that expertly explore the struggles and conflicts that people face in their search for happiness. For the characters in *With or Without You*, it seems at first that such happiness can come only at someone else's expense. Stella is a nurse who has long suppressed her own needs and desires to nurture the dreams of her partner, Simon, the bass player for a rock band that has started to lose its

edge. But when Stella gets unexpectedly ill and falls into a coma just as Simon is preparing to fly with his band to Los Angeles for a gig that could revive his career, Simon must learn the meaning of sacrifice, while Stella's best friend, Libby, a doctor who treats Stella, must also make a difficult choice as the coma wears on. When Stella at last awakes from her two-month sleep, she emerges into a striking new reality where Simon and Libby have formed an intense bond, and where

she discovers that she has acquired a startling artistic talent of her own: the ability to draw portraits of people in which she captures their innermost feelings and desires. Stella's whole identity, but also her role in her relationships, has been scrambled, and she has the chance to form a new life, one she hadn't even realized she wanted. A story of love, loyalty, loss, and resilience, *With or Without You* is a page-turner that asks the question, What do we owe the other people in our

lives, and when does the cost become too great?

Where the Wind Blows

Algonquin Books

The latest pulse-pounding thriller from New York Times bestsellers Preston & Child. Nora Kelly, a young curator at the Santa Fe Institute of Archaeology, is approached by historian Clive Benton with a once-in-a-lifetime proposal: to

lead a team in search of the so-called 'Lost Camp' of the tragic Donner Party. This was a group of pioneers who earned a terrible place in American history when they became snow-bound in the California mountains in 1847, their fate unknown until the first skeletonized survivors stumbled out of the wilderness, raving about starvation, murder and cannibalism. Benton tells Kelly he has stumbled upon an amazing find: the long-sought diary of one of the victims, which has an

enigmatic description of the Lost Camp. Nora agrees to lead an expedition to locate and excavate it - to reveal its long-buried secrets. Once in the mountains, however, they learn that discovering the camp is only the first step in a mounting journey of fear. For as they uncover old bones, they expose the real truth of what happened, one that is far more shocking and bizarre than mere cannibalism. And when those ancient horrors lead to present-day violence

on a grand scale, rookie FBI agent Corrie Swanson is assigned the case... only to find that her first investigation might very well be her last.
