Ludovico Einaudi: Nightbook Chester Music

The long-awaited life story of John Williamson: an Australian icon, a much-loved legend of the music industry and man of the land. The joy after all is in the journey, or being what you really wanna be . . . The son of a wheat farmer, John Williamson grew up with an appreciation of the land and all things Australian. His career was kickstarted with a self-proclaimed silly song – 'Old Man Emu' – winning TV's New Faces in 1970, but it was a decade of hard slog before he forged his unique place in our musical history. From his love of the bush ('Mallee Boy') and his outrage at environmental destruction ('Rip Rip Woodchip'), to his pride in the Australian character and spirit ('True Blue'), Williamson has been chronicling the subjects and issues that are close to his heart for more than forty years. He has become the voice of Australia, performing his unofficial anthems at all the major events. In his distinctive Aussie style, John Williamson tells it like it is. He takes us behind the scenes on the road and at home, revealing the tough times, the great times, what drives him and what matters. His passion – for preserving our national character and landscape, and to remain true to himself – is as strong now as it has ever been. This is a journey into the heart and soul of Australia.

Italian-born Ludovico Einaudi's Piano music has struck a chord with audiences across the world, and his distinctive meditative style has confirmed his place in the music industry. His albums have soared high in the classical charts and his recitals have been sell-outs. This is Ludovico Einaudi's new project, Nightbook - a musical meditation on the transition between light and darkness, the known and the unknown. Expressive and with a more open compositional structure, sonic colours are created through the close blending of the Piano with the Strings and percussion and from the use of electronics which amplifies the sound of the Piano, projecting it like a shadow in all directions. The project grew out of the ideas and "musical sketches" that Einaudi jotted down in a notebook whilst on tour around the world. Einaudi describes the project as A night-time landscape. A garden

faintly visible under the dull glow of the night sky. A few stars dotting the darkness above, shadows of the trees all around. Light shining from a window behind me. What I can see is familiar, but it seems alien at the same time. It's like a dream - anything may happen. Selections of expressive and contemplative songs from the album have all been specially transcribed for solo Piano.
