ISABEL DOMINGUEZ

Rameses the Great Mitchell Lane
 NEW YORK TIMES BESTSELLER • Ramses the Great returns in this “darkly magical” (USA Today) novel from bestselling author Anne Rice “The reader is held captive and, ultimately, seduced.”—San Francisco Chronicle Ramses the Great lives! But having drunk the elixir of life, he is now Ramses the Damned, doomed forever to wander the earth, desperate to quell hungers that can never be satisfied—for food, for wine, for women. Reawakened in opulent Edwardian London, he becomes Dr. Ramsey, expert in Egyptology. He also becomes the close companion of voluptuous, adventurous Julie Stratford, heiress to a vast shipping fortune and the center of a group of jaded aristocrats with appetites of their own to appease. But the pleasures Ramses enjoys with Julie cannot soothe him. Searing memories of his last reawakening, at the behest of Cleopatra, his beloved Queen of Egypt, burn in his immortal soul. And though he is immortal, he is still all too human. His intense longings for his great love, undiminished over the centuries, will force him to commit an act that will place everyone around him in the gravest danger. . . .

The gilded adventures of Ramses the Damned, iconic creation of the legendary bestselling author, continue in this breathtakingly suspenseful tale of a titanic supernatural power unleashed on the eve of war. A pharaoh made immortal by a mysterious and powerful elixir, Ramses the Great became counselor and lover to

some of Egypt's greatest and most powerful rulers before he was awakened from centuries of slumber to the mystifying and dazzling world of Edwardian England. Having vanquished foes both human and supernatural, he's found love with the beautiful heiress Julie Stratford, daughter of Lawrence Stratford, the slain archeologist who discovered his tomb. Now, with the outbreak of a world war looming, Ramses and those immortals brought forth from the mists of history by his resurrection will face their greatest test yet. Russian assassins bearing weapons of immense power have assembled under one command: all those who loved Lawrence Stratford must die. From the glowing jewels at their necks comes an incredible supernatural force: the power to bring statues to life. As Ramses and his allies, including the immortal queens Cleopatra and Bektaten, gather together to battle these threats, Ramses reveals that the great weapon may have roots in an ancient Egyptian ritual designed to render pharaohs humble before Osiris, the god of the underworld. The resulting journey will take them across storm-tossed seas and into the forests of northern Russia, where they will confront a terrifying collision of tortured political ambitions and religious fervor held in thrall to a Godlike power. But the true answers they seek will lie beyond the border between life and death, within realms that defy the imagination of even an immortal such as Ramses the Great. In *Ramses the Damned: The Reign of Osiris*, Anne Rice, revered and beloved storyteller ("queen of gothic lit, the maestro of the monstrous and the diva of the devious" --The Philadelphia Inquirer), in collaboration with her son, acclaimed bestselling novelist Christopher Rice ("a magician; a master" --Peter Straub), bring us another thrilling, seductive tale of high adventure, romance, history, and suspense. Rameses II Literary Licensing, LLC
 Everyone has heard of Rameses the Great - but what is the truth behind the legend? Joyce Tyldesley's lively book explores the life and times of Egypt's greatest king. Rameses II was the archetypal Egyptian pharaoh: a mighty warrior, an extravagant builder and the father of scores of children. His monuments and image were to be found in every corner of the Egyptian empire. This is his amazing story.

Rameses II, Enslow Publishing
 Presents a biographical sketch of the third king of the 19th dynasty of Egypt Ramses II (1304-1237 B.C.), provided by the Egyptian Ministry of Tourism. Describes his rule and the major building projects during his reign.

Rameses Mississauga, Ont. : Benben Publications

Historical fiction meets mythology as ancient Egypt comes alive in this monumental epic with over 2 million copies sold around the world. At fourteen, Ramses, the second son of the Pharaoh Seth, must begin to pass a series of royal tests designed to build his

mental and physical prowess-or break him. Is Seth planning to leave the world's most powerful empire to Ramses, and not his corrupt brother, Shaanar? Before he knows it, the younger prince is surrounded by enemies and turning to his friends: Moses, the brilliant young Hebrew; Setau, the snake charmer and mage; Ahmeni; the frail scholar; and Set and Nefertari, the two beautiful women Ramses loves. And so begins the journey of the hero the world has yet to know... Let the saga begin. The first in Christian Jacque's bestselling Ramses series, recounting the thrilling story of Ramses, the legendary king who ruled Egypt for more than 60 years. Ramses sets into motion a tapestry of royal intrigue, treacherous plots, and romantic adventures that will keep readers spellbound and hungry for more.

This Is A New Release Of The Original 1902 Edition.

Ramses II Ballantine Books

Ramses the 2nd was one of the greatest pharaohs to rule ancient Egypt. Throughout his reign, he ordered the construction of more temples and monuments than any other ruler. His accomplishments and long-lasting rein earned him the title of Ramses the Great.

The Eastern Mediterranean in the Age of Rameses II Yale University Press

The splendor and danger of ancient Egypt continues in the second volume of this magnificent saga. For Ramses, the Son of Light, the coronation has arrived. Now he will learn whether the friends of his youth--people such as Moses and the aging Greek poet, Homer--can truly be trusted. Shaanar, the young king's scheming older brother, still has designs on the crown, and in the shadows, the machinations of a mysterious sorcerer threaten the throne.

Rameses the Great Ramses the Great

Examines the life of Rameses II, the Egyptian pharaoh whose reign lasted sixty-seven years.

Rameses the Great Lockwood Press

The name Ramses II evokes the epitome of ancient Egypt. But why was he the final ruler of the New Kingdom? And what was it that made him pursue peace when such treaties didn't exist? The life of Ramses II offers some particularly unique intrigues that appear in his many campaigns throughout the ancient world. Santillian and van Basten offer an expansive account of the many contributions Ramses II offered in his unusually long and active life, including leaving a legacy of being ancient Egypt's most prolific builder of monuments and temples, as he outlived most of his would-be heirs.

Rameses, Loved by Ptah Hachette UK

Ramses the Great In all of Egypt's long and storied history, Ramses the Great stands out as one of the best known and successful of all. Ruling the country for some 67 years, Ramses II

ruled over Egypt during a time of stability and prosperity. His rule was marked by economic prosperity, successful military campaigns, and impressive building projects. He wanted from the very beginnings of his long reign, to ensure that his legacy was sealed, literally in stone, and that reminders of his rule were so ubiquitous that he would not be forgotten. In this, like many other elements of his kingship, he was highly successful and he has gone down in history as a legendary ruler. Ramses II came to power at a young age. As co-regent with his father, he learned the proverbial ropes of leading the nation and leading a military. When he ascended to the throne, it became very clear that he was an incredibly passionate warrior. He has a long-standing military tradition going back many generations in his family, so being an active, successful campaigner was a vital part of his kingship. Some of the battles were undertaken to subdue untenable populations, others were to gain more wealth and power for the nation. Perhaps the most famous of all his military campaigns were his various battles against Egypt's dreaded foe, the Hittites. He was also incredibly passionate about women. One of his enduring legacies is his success with the women of his time. We know of many principal wives, concubines, and errant women. It is said that he fathered close to 200 children in his lifetime. Nefertari was his first principal wife and the best known. So favored was Nefertari, Ramses the Great had an intricate and beautiful temple erected in her honor next to his stunning construction at Abu Simbel. Nefertari may have been the favorite, but we know that he had close to ten other principal wives, with whom he fathered many children, as well as concubines and other various women he may have conquered in his time.

Egypt Under Rameses the Great The Rosen Publishing Group, Inc The Egyptian pharaoh Rameses II is often referred to as Rameses the Great. His reign lasted for 67 years, the second longest in Egypt's 3,000-year history. He had dozens of wives and more than 100 children, outliving many of them. He was a military leader who expanded the borders of his country, bringing decades of peace and prosperity for his people. He ordered huge statues of himself to be erected all over Egypt. Many historians believe that he was the pharaoh of the Exodus, the epic journey that the Jewish people made out of Egypt under the inspired leadership of Moses. Even after death, he remained important. After his mummy was discovered late in the nineteenth century, it became

one of Egypt's main tourist attractions. A military honor guard and important government officials witnessed the mummy when it was flown to Paris in 1976.

Ramses II Palala Press

A short summary of the life of the Pharaoh and his times, together with the catalogue of the Exhibition.

Rameses the Great: Or, Egypt 3300 Years Ago Lockwood Press

A thorough and detailed account of one of the best known pharaohs of Egypt, written by the leading expert on the subject. Kitchen discusses the early life and childhood of the young king, his reign, politics, wars and policies, and his death and the after-life. This book is to be read rather than studied and is more than a simple biography, giving the wider context of Rameses' life; daily life in the towns and cities, temples and the gods, political advisers and the royal family.

The Good Kings American University in Cairo Press

Written in the tradition of historians like Mary Beard and Stacy Schiff who find modern lessons in ancient history, this provocative narrative explores the lives of five remarkable pharaohs who ruled Egypt with absolute power, shining a new light on the country's 3,000-year empire and its meaning today. In a new era when democracies around the world are threatened or crumbling, best-selling author Kara Cooney turns to five ancient Egyptian pharaohs—Khufu, Senwosret III, Akenhaten, Ramses II, and Taharqa—to understand why many so often give up power to the few, and what it can mean for our future. As the first centralized political power on earth, the pharaohs and their process of divine kingship can tell us a lot about the world's politics, past and present. Every animal-headed god, every monumental temple, every pyramid, every tomb, offers extraordinary insight into a culture that combined deeply held religious beliefs with uniquely human schemes to justify a system in which one ruled over many. From Khufu, the man who built the Great Pyramid at Giza as testament to his authoritarian reign, and Taharqa, the last true pharaoh who worked to make Egypt great again, we discover a clear lens into understanding how power was earned, controlled, and manipulated in ancient times. And in mining the past, Cooney uncovers the reason why societies have so willingly chosen a dictator over democracy, time and time again.

Ramses: The Son of Light - Infobase Learning

During his long reign (1279-1213 BC), Rameses II left his mark on ancient Egypt, bringing prosperity, justice and order in a golden age during which cultural life thrived. As a builder he created spectacular monuments - the two temples at Abu Simbel, the royal city of Piramesse and the Ramesseum, his mortuary temple, whose ruins inspired Shelley's poem, Ozymandias. As a warrior, Rameses the Great expanded Egyptian sovereignty from Nubia in the south to Syria in the west. Drawing upon original government documents of the royal offices, as well as the magnificent record of his military victories and religious rites, recounted in wall paintings, bas-reliefs and colossal statues, this book builds up a picture of this exceptional pharaoh of the 19th Dynasty, who did so much to shape Egypt.

The Jews of Egypt Velikovsky Press

Surveys the history and culture of ancient Egypt, describes the life and accomplishments of Ramses II, and looks at Egyptian tombs, temples, and artifacts

The Life and Times of Rameses the Great Thames & Hudson Studying Rameses IIa (TM)'s Dedicatory Inscription in detail allows one to connect it with the development of the Solar-Osirian theology postdating the Amarna Period of Egypt. This study thus links the historical background of the pharaoh (TM)'s visit to Abydos at the very beginning of his first regnal year with the religious aspects of early Dynasty XIX.

A Day in the Life of a Pharaoh The Rosen Publishing Group, Inc

A classic study of daily life in ancient Egypt, *Everyday Life in Egypt in the Days of Rameses the Great* is the masterwork of the dean of modern Egyptologists, Pierre Montet. Renowned for its accuracy and scope, this book conveys the richness and complexity of ancient Egyptian life. The book focuses on the era of the great builders at Karnak and Luxor, the Ramesside kings (ca. 1314-1090 B.C.) and surveys both upper and lower Egypt to give a comprehensive picture of pharaonic society. Montet combines studies of monuments and tombs with data from pictorial and literary sources, including papyrus documents, to depict the experiences of royalty, priests, urban artisans and professionals, peasants and slaves. Here, too, are colorful descriptions of dwelling places, seasonal activities, holiday observances, family life, travel, justice, warfare, and the rites of burial—all enhanced by Montet's appreciation for the ancient Egyptian way of life.
