Discovered in the attic in which she spent the last years of her life, Anne Frank's remarkable diary has since become a world classic—a powerful reminder of the horrors of war and an eloquent testament to the human spirit. “The single most compelling personal account of the Holocaust ... remains astonishing and excruciating.”—The New York Times Book Review In 1942, with Nazis occupying Holland, a thirteen-year-old Jewish girl and her family fled their home in Amsterdam and went into hiding. For the next two years, until their whereabouts were betrayed to the Gestapo, they and another family lived cloistered in the “Secret Annex” of an old office building. Cut off from the outside world, they faced hunger, boredom, the constant cruelties of living in confined quarters, and the ever-present threat of discovery and death. In her diary Anne Frank recorded vivid impressions of her experiences during this period. By turns thoughtful, moving, and amusing, her account offers a fascinating commentary on human courage and frailty and a compelling self-portrait of a sensitive and spirited young woman whose promise was tragically cut short.

Journal: 365+ Writing Prompts, Ideas and Quotes to Cultivate Joy and Well-being along with beautiful blank books, simple spiral notebooks or even legal pads can bring you a year or a lifetime of reflection and self-discovery. Journal: 365+ Writing Prompts, Ideas and Quotes to Cultivate Joy and Well-being offers close to 400 prompts alongside thoughtful or whimsical quotations as well as two bonus appendices of folk wisdom for writers, and writers on writing. A detailed introduction explains the benefits and value of journaling along with suggestions for daily writing practices. Many of the ideas in this book would be welcome as dinner table discussion material along with family sharing of gratitude, brags, desires and even vulnerabilities (just like in a journal). Set down your memories, experiences, gratitude, goals and achievements. Use your private journal time for your "brain dump." Scan and sweep your mind and don't forget to appreciate all the good around you. Vent your anger, exult in your accomplishments,

savor your blessings. Write poetry, short stories, or letters to your younger or older self. Journal-keeping has a way of making things happen. It's a processing plant for projects in the future and challenges and annoyances from the past. Get the words in your heart out. Find clarity. Prioritize goals. If you absolutely insist you can even get digital and password-protected, but then you'll miss the fun of doodling, adding arrows and mind maps along with the romantic pen and paper connection. Begin this book any day of the year. Each day, read a quote and a new prompt and get comfortable with your few minutes of sweet private time away from the world. Journal in bed first thing in the morning, at the end of the day, or with your 4 pm tea break. Make it a new habit that becomes your gift to yourself. (You can skip a day now and then. No one's taking attendance.) Find additional strength and support by finding a trusted journal-reading partner or non-judgmental, small, intimate group with whom to share your writing. This could be a soul mastery group which could meet once a week or by Skype or however you develop it. Journal: 365+ Writing Prompts, is part of the kindle matchbook campaign. When you get the paperback first as a gift for a friend (or yourself) and you can then get the kindle version for free. Of course you can journal with only your simple blank notebook, but this book will give you a real push to sustain your writing along with some novel ideas for releasing that inner junk that's been looking for a way out. Go ahead, crack open that notebook and pick up that beloved pen you got as a present. Choose your favorite location and preferred time. WRITE one day at a time until you've found a new loving introspective behavior. ABOUT THE AUTHOR Judy Shafarman has been a teacher and workshop

facilitator for many years in several countries. She has a B.A. in English and M.A. in education. Contact Judy@judyshafarman.net with your ideas and letters about your journal practice.

Join Sara as she heads into a one-year domestic experiment and offers full access to see if this biblical model can be embraced by a modern woman—even one who can't sew. With humility and humor, Sara sets out to pursue the Proverbs 31 characteristics through immersing herself in all things domestic, but when her family's situation changes and she must return to a full-time job, she's forced to look at the Proverbs 31 woman with a whole new viewpoint. Through it all, she and readers discover: what it means to be a godly woman and a wife how investing in family and faith refines priorities as a spouse and a parent how mistakes are opportunities for growth This thought-provoking, surprising, and entertaining personal account will inspire women to try their own experiments in living out God's purpose for their lives.
