A mysterious postcard leads Lisa and Nilly from Oslo to Paris in search of Doctor Proctor but, once there, all they find of their friend is a time-traveling bathtub powered by a special soap and several sinister individuals looking for him.

The Son WSOY / Johnny Kniga

#1 International Best Seller In this electrifying new thriller from the author of *Police* and *The Snowman*, Inspector Harry Hole hunts down a serial murderer who targets his victims . . . on Tinder. The murder victim, a self-declared Tinder addict. The one solid clue—fragments of rust and paint in her wounds—leaves the investigating team baffled. Two days later, there's a second murder: a woman of the same age, a Tinder user, an eerily similar scene. The chief of police knows there's only one man for this case. But Harry Hole is no

longer with the force. He promised the woman he loves, and he promised himself, that he'd never go back: not after his last case, which put the people closest to him in grave danger. But there's something about these murders that catches his attention, something in the details that the investigators have missed. For Harry, it's like hearing "the voice of a man he was trying not to remember." Now, despite his promises, despite everything he risks, Harry throws himself back into the hunt for a figure who haunts him, the monster who got away. STARRED REVIEW "Exceptional . . . Nesbo depicts a heartbreakingly conflicted Harry, who both wants to forget the horrors he's trying to prevent and knows he has to remember them in all their grim detail." --Publishers Weekly

Can Doctor Proctor, Nilly, and Lisa save Christmas in this new fart-tastically funny adventure from worldwide bestselling author Jo Nesbø? When the king of Norway sells the rights to Christmas to Mr Thrane, it looks like the holidays aren't going to be very merry. Mr Thrane says that the only people who can celebrate are those who buy 10,000 crowns worth of presents from his department store. For anyone who doesn't - or can't - spend that much, it's no tree, no presents, no carols, and no Christmas pudding. Doctor Proctor, Nilly,

and Lisa aren't going to take this sitting down! They're going to find Santa and save Christmas. All they need is a sleigh, flying reindeer, some time travel soap, and, of course, some fart powder! PRAISE for the Doctor Proctor's Fart Powder series: 'This terrific book will make you laugh, and cherish your friends' - James Patterson 'plenty of toilet humour, and general silliness that kids love' - The Bookseller 'wickedly entertaining' - The Big Issue 'Lashings of silliness, quirkiness, self-deprecating humour, and a rollicking plot...' - TheBookbag.co.uk 'Fuelled by farts, this is fast-paced and a delightfully ridiculous adventure' - Julia Eccleshare on lovereading4kids.co.uk 'A superb mix of bizarre and wacky with a little bit of off-beat thrown in. Reminiscent of Roald

Dahl it has all the elements to keep children hooked...' - Waterstones
The Bat Simon and Schuster
When a Russian billionaire robs the Norwegian Gold Reserve and melts the last remaining gold bar into the Premier Soccer League trophy, it's up to Doctor Proctor, Nilly and Lisa to get the trophy and save Norway. But with a failed break-in attempt into the billionaire's subterranean gold-melting lab and the Norwegian Gold Reserve Inspection only three days away, the only way to retrieve the trophy is to win it back. Hoping to prevent national panic and uproar, Nilly and Lisa join the Rotten Ham soccer team and use the Fartonaut Powder, along with a handful of Doctor Proctor's other wacky inventions, to try and lead the hopeless underdog team to

victory before time runs out.

When Liv, Ellen, and Håkon, along with their partners and children, arrive in Rome to celebrate their father's 70th birthday, a quiet earthquake occurs: their parents have decided to divorce. Shocked and disbelieving, the siblings try to come to terms with their parents' decision as it echoes through the homes they have built for themselves, and forces them to reconstruct the shared narrative of their childhood and family history. A bittersweet novel of regret, relationships, and rare psychological insights, *A Modern Family* encourages us to look at the people closest to us a little more carefully, and ultimately reveals that it's never too late for

change. WINNER OF THE NORWEGIAN BOOKSELLERS' AWARD

The world's most exclusive detective agency opens a new office-in Australia! With the best detectives in the business, cutting edge technology and offices around the globe, there is no investigation company quite like Private. Now, at a glittering launch party overlooking the iconic Opera House, Private Sydney throws open its doors. Craig Gisto and his newly formed team have barely raised their glasses, however, when a young Asian man, blood-soaked and bullet-ridden, staggers into the party, and what looks like a botched kidnapping turns out to be a whole lot more. Within days the agency's caseload is full. But it is a horrific murder

in the wealthy Eastern Suburbs and the desperate search for a motive that stretches the team to the limit. Stacy Friel, friend of the Deputy Commissioner of NSW Police, isn't the killer's first victim—and as the bodies mount up she's clearly not the last . . .

Private Down Under Harper Collins
A NEW YORK TIMES NOTABLE BOOK OF 2018 Shakespeare's dark and tragic play retold in a heart-pounding New York Times bestselling thriller from the author of *The Snowman* and *The Thirst*. Set in the 1970s in a run-down, rainy industrial town, Jo Nesbo's *Macbeth* centers around a police force struggling to shed an incessant drug problem. Duncan, chief of police, is idealistic and visionary, a dream to the townspeople but a nightmare for criminals. The drug trade

is ruled by two drug lords, one of whom—a master of manipulation named Hecate—has connections with the highest in power, and plans to use them to get his way. Hecate's plot hinges on steadily, insidiously manipulating Inspector Macbeth: the head of SWAT and a man already susceptible to violent and paranoid tendencies. What follows is an unputdownable story of love and guilt, political ambition, and greed for more, exploring the darkest corners of human nature, and the aspirations of the criminal mind.

The Librarian Always Rings Twice Simon & Schuster Children's
What can a woman do when life loses its color? For Larkin May, three years after the death of her husband, the answer was a month in Ireland, working at a

friend's bed and breakfast and joining a competitive rowing team. Returning home, she believed herself ready for a new and colorful existence. Then she discovered that recovery from a tragedy does not prevent another. Again faced with loss, her choices could make the difference between a return to mediocrity and learning to overcome her fear and live the life she desired.

Inspector Harry Hole attempts to exonerate his would-be son Oleg in this installment of Jo Nesbø's New York Times bestselling series. When Harry Hole moved to Hong Kong, he thought he was escaping the traumas of his life in Oslo and his career as a detective for good. But now, the unthinkable has

happened—Oleg, the boy he helped raise, has been arrested for killing a man. Harry can't believe that Oleg is a murderer, so he returns to hunt down the real killer. Although he's off the police force, he still has a case to solve that will send him into the depths of the city's drug culture, where a shockingly deadly new street drug is gaining popularity. This most personal of investigations will force Harry to confront his past and the wrenching truth about Oleg and himself.

Can Doctor Proctor Save Christmas?
Scribner

"Even those unmoved by its subject will thrill to [Scandinavian Noir], a beautifully crafted inquiry into fiction, reality, crime and place . . . Perhaps when it comes to fiction and reality, what we need most

are critics like Lesser, who can dissect the former with the tools of the latter." -- Kate Tuttle, The New York Times Book Review An in-depth and personal exploration of Scandinavian crime fiction as a way into Scandinavian culture at large For nearly four decades, Wendy Lesser's primary source of information about three Scandinavian countries—Sweden, Norway, and Denmark—was mystery and crime novels, and the murders committed and solved in their pages. Having never visited the region, Lesser constructed a fictional Scandinavia of her own making, something between a map, a portrait, and a cultural history of a place that both exists and does not exist. Lesser's Scandinavia is disproportionately populated with police officers, but also

with the stuff of everyday life, the likes of which are relayed in great detail in the novels she read: a fully realized world complete with its own traditions, customs, and, of course, people. Over the course of many years, Lesser's fictional Scandinavia grew more and more solidly visible to her, yet she never had a strong desire to visit the real countries that corresponded to the made-up ones. Until, she writes, "between one day and the next, that no longer seemed sufficient." It was time to travel to Scandinavia. With vivid storytelling and an astonishing command of the literature, Wendy Lesser's *Scandinavian Noir: In Pursuit of a Mystery* illuminates the vast, peculiar world of Scandinavian noir—first as it appears on the page, then as it grows in

her mind, and finally, in the summer of 2018, as it exists in reality. Guided by sharp criticism, evocative travel writing, and a whimsical need to discover “the difference between existence and imagination, reality and dream,” Scandinavian Noir is a thrilling and inventive literary adventure from a masterful writer and critic.

In the follow-up to the acclaimed series debut *The Missing American*, PI Emma Djan investigates the death of a Ghanaian fashion icon and social media celebrity, Lady Araba. Hard-hitting talk

show host Augustus Seeza has become a household name in Ghana, though notorious for his lavish overspending, alcoholism, and womanizing. He's dating the imposing, beautiful Lady Araba, who leads a selfmade fashion empire. Fearing Augustus is only after her money, Araba's religious family intervenes to break them up. A few days later, just before a major runway show, Araba is found murdered in her bed. Her driver is arrested after a hasty investigation, but Araba's favorite aunt, Dele, suspects Augustus Seeza was the real killer. Almost a year later, Dele approaches Emma Djan, who has finally started to settle in as the only female PI at her agency. To solve Lady Araba's murder, Emma must not only go on an undercover mission that dredges up

trauma from her past, but navigate a long list of suspects with strong motives. Emma quickly discovers that they are all willing to lie for each other—and that one may still be willing to kill.

Headhunters Farrar, Straus and Giroux

From the internationally acclaimed author of the Harry Hole novels—a fast, tight, darkly lyrical stand-alone novel that has at its center the perfectly sympathetic antihero: an Oslo contract killer who draws us into an unexpected meditation on death and love. This is the story of Olav: an extremely talented “fixer” for one of Oslo’s most powerful crime bosses. But Olav is also an unusually complicated fixer. He has a capacity for love that is as far-reaching as is his gift for murder. He is our straightforward, calm-in-the-face-of-

crisis narrator with a storyteller’s hypnotic knack for fantasy. He has an “innate talent for subordination” but running through his veins is a “virus” born of the power over life and death. And while his latest job puts him at the pinnacle of his trade, it may be mutating into his greatest mistake. . . .

The final nail-biting installment in the ten-part, award-winning Hanne Wilhelmsen series—bestselling in

Norway and throughout Europe—from Scandinavia’s most celebrated female crime writer, Anne Holt. Police investigator Kjell Bonsaksen is a contented man in most areas of life, but for one mistake he made years ago that has rankled like a stone in his shoe ever since: in 2001, a two-year-old girl was killed by a speeding car while playing in the road in front of her home. The marriage of the toddler’s grief-stricken parents dissolved in the wake of the accident, and not long thereafter, the girl’s mother died under mysterious circumstances. The girl’s father, Jonas, was convicted of his ex-wife’s murder and sentenced to twelve years in prison. But Kjell Bonsaksen knew he was innocent. Now it’s 2016, and Kjell is looking forward to his retirement to the

French countryside with his wife. An uncomfortable chance encounter with Jonas at a roadside gas station prompts him to dig out Jonas’s case files for Detective Henrik Holme, the resident cold case prodigy. Henrik doesn’t take long to convince his beloved mentor, Hanne Wilhelmsen, that Jonas was wrongly convicted for his ex-wife’s murder. As their investigation evolves, Hanne and Henrik uncover eerie connections to the recent suicide of a right-wing extremist blogger whose fanatic ideologies seem incompatible with a desire to die. Masterfully plotted, *In Dust and Ashes* is the outstanding finale to Anne Holt’s award-winning, politically and socially conscious series, confirming Hanne Wilhelmsen as a character who will “get in your

head—and stay there” (Entertainment Weekly).
