 Beautiful early writings by one of the 20th century's greatest poets on the 150th anniversary of his birth A Penguin Classic The poems, prose, and drama gathered in When You Are Old present a

fresh portrait of the Nobel Prize-winning writer as a younger man: the 1890s aesthete who dressed as a dandy, collected Irish folklore, dabbled in magic, and wrote heartrending poems for his beloved, the beautiful, elusive Irish revolutionary Maud Gonne. Included here are such celebrated, lyrical poems as “The Lake Isle of Innisfree” and “He Wishes for the Cloths of Heaven,” as well as Yeats’s imaginative retellings of Irish fairytales—including his first major poem, “The Wanderings of Oisín,” based on a Celtic fable—and his critical writings, which offer a fascinating window onto his artistic theories. Through these enchanting works, readers will encounter Yeats as the mystical, lovelorn bard and Irish nationalist popular during his own lifetime. For more than seventy years, Penguin has been the leading publisher of classic literature in the English-speaking world. With more than 1,700 titles, Penguin Classics represents a global bookshelf of the best works throughout history and across genres and disciplines. Readers trust the series to provide authoritative texts enhanced by introductions and notes by distinguished scholars and contemporary authors, as well as up-to-date translations by award-winning translators. *Oswaal Karnataka PUE Sample Question Papers, I PUC Class 11, Business Studies, Book (For 2022 Exam)* Oswaal Books and Learning Private Limited

Now available in paperback, this grammar offers a completely new approach to the study of Sanskrit, aimed at students with no previous specialist knowledge of the categories of grammar. It is a stimulating and infectious approach, designed to cultivate rapid and lasting enthusiasm for Sanskrit. Important features of the work are the use of connected passages for exercise which are intrinsically more interesting and challenging than the unrelated sentences found in other grammars; the great deal of attention given to the explanation of the Devanagari system; and the extensive appendices and glossaries.
