"The most thorough and understandable exposition of the underlying theories and the practical applications of the spiritual disciplines of Thelema currently available. A landmark work." --Lon Milo DuQuette, author of The

Magick of Aleister Crowley
The system of spiritual attainment developed by Aleister Crowley is notoriously challenging in its scope. Living Thelema, adapted from the popular podcast of the same name, brings a welcome approachability to

Crowley's material, without diminishing the depth of the system. The author focuses on the practical and experiential aspects of the path of Thelema, allowing the reader to grasp the true transformative power of the system. Beginners and advanced practitioners alike will find much useful advice here, as Shoemaker brings his characteristic down-to-earth style to bear on topics such as ritual and meditation practices, sex magick, astral projection, psychotherapy for

magicians, the Knowledge and Conversation of the Holy Guardian Angel, and that pinnacle of attainment known as the crossing of the Abyss. The author's background as a practicing psychotherapist allows an entirely unique fusion of esoteric wisdom and cognitive science. "In this entertaining and (dare I say it?) lively book, David Shoemaker reminds us that Thelema is not just a philosophy or a study but a spiritual practice. From applied 'how to' advice to thought-provoking 'how

about' posers, Dr. Shoemaker offers his personal take--informed by twenty years of walking the talk, along with his incisiveness as a professional therapist--on how to get the most out of the fundamental Thelemic practices of yoga and ritual, both inside and outside of the temple." -- Richard Kaczynski, author of *Perdurabo: The Life of Aleister Crowley*
[Book Four](#) Weiser Books
 Group ritual has been a cornerstone of spiritual practice since time immemorial, yet its

history and importance have often been overlooked by occultists of the modern age. This book is the first comprehensive presentation of group-oriented rites for modern magicians inspired by the works of Aleister Crowley. It contains rituals written by Crowley for his own magic circles, many of them unpublished during his lifetime, plus rare ancient texts that were Crowley's own inspiration. The rituals are newly edited and explained by Rodney Orpheus, who

brings to this volume decades of experience in performing and teaching Aleister Crowley's rituals within Crowley's magical order Ordo Templi Orientis. He introduces each ritual with a clear overview, setting each in its historical context and explaining its function and mode of operation, and includes detailed notes on the setting and performance of each one. Whether absolute beginner or seasoned expert, magicians of all paths will find this volume to be an eminently

workable and extremely powerful grimoire spanning centuries from ancient Mithraic and Bacchanalian rites, Goetia, and Gnosticism, right up to present day Crowleyan invocations and sexual magick. **Liber ABA** Weiser Books This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it. Stealing Fire from Heaven
Simon and Schuster
Crowley advocated the practice of magick and encouraged his followers to create their own life styles and develop a keen self knowledge. He wrote many books on his subject and is still revered as the master of the dark arts with books and websites and followers all over the

world. Martin Booth has used his skills as a biographer to encapsulate the man and his extraordinary life-style in a chilling tale of magic and intrigue.

Magick, Rock and Roll, and the Wickedest Man in the World Weiser Books
This definitive work on the occult's "great beast" traces the arc of his controversial life and influence on rock-and-roll giants, from the Rolling Stones to Led Zeppelin to Black Sabbath. When Aleister Crowley died in 1947, he was not an

obvious contender for the most enduring pop-culture figure of the next century. But twenty years later, Crowley's name and image were everywhere. The Beatles put him on the cover of Sgt. Pepper's Lonely Hearts Club Band. The Rolling Stones were briefly serious devotees. Today, his visage hangs in goth clubs, occult temples, and college dorm rooms, and his methods of ceremonial magick animate the passions of myriad occultists and spiritual seekers. Aleister Crowley

is more than just a biography of this compelling, controversial, and divisive figure—it's also a portrait of his unparalleled influence on modern pop culture.

 "Presents readers with the Enochian selections from Aleister Crowley's original book *Equinox* and contains the Enochian Magic of John Dee and Edward Kelley--perhaps the most powerful and elegant of all magical systems. Dee and Kelley's work is one of the most popular magical techniques seized upon by modern magicians"--
The Life of Aleister

Crowley Lulu.com
 This book is the introduction, the foundation upon which all further magical work will be based. Its simplicity, clarity and depth is without equal occult literature. The First part of Book Four deals with Yoga in a very sound and methodical manner, stripping it of the mysterious and glitter. Soberly, Crowley describes each step as a technique of mental and/or physical discipline, ultimately resulting in complete control of the

will and with this, control of the physical and mental body. Crowley speaks with authority as he is one of the few writers on the subject of Yoga and Magick who has attained Dhyana and Conversation with his Holy Guardian Angel through discipline and ritual practice. The second part of Book Four is an encyclopedia of magical symbolism, the working tools in practical magick. All of the paraphernalia employed in ritual magick are carefully explained in both psychological and

mystical terms. The Wand is the will of man, his wisdom, his word, the Cup is man's understanding, the vehicle of grace; the Sword is reason, the analytical faculty of man; and the Pantacle is man's body, the temple of the Holy Ghost. All phenomena are sacraments. Every fact must enter into the Pantacle. It is the great storehouse from which the Magician draws. The laws and truths of the occult world which are presented here give the student a sound working

knowledge and set him firmly on the path. Book Four is a concise, direct and honest presentation.

The Book of Lies

Lulu.com

This book illustrates the theory and practice of the Magical Diary, and elaborates on its importance for the student of Scientific Illuminism (a term by which Crowley designated his teachings). The collection presented here includes Crowley's two most important instructional writings on the design and purpose of

the magical diary. John St. John, first published in THE EQUINOX in 1909, chronicles his moment-to-moment progress during a 13-day Great Magical Retirement undertaken earlier that year. Crowley referred to John St. John as "... a perfect model of what a magical record should be ..." A Master of the Temple is taken from the magical diary of Frater Achad (Charles Stansfeld Jones). It was included in EQUINOX III, 1 in 1919. Crowley edited the diary for publication and added his invaluable

commentary on Achad's magical work -- at a time when he felt Achad was his most successful student Book jacket.

Understanding Aleister Crowley's Thelemic Magic Condensed Esoterica

This is the masterpiece of occultist, magician and philosopher Aleister Crowley, introduced for the first time by one of the world's leading experts on Western esoteric traditions, Stephen Skinner. "Do what thou wilt." Written in the early twentieth

century, the four books contained within this collection make up one of the most complete and groundbreaking works on the practice of magick ever written. They are considered to be the masterpiece of occultist, magician and philosopher Aleister Crowley and the core texts for the religion of Thelema. Their influence on alternative western thought and philosophy cannot be exaggerated. Also known as Book Four, or Liber ABA, the four parts bring together many rituals,

received texts, theorems and unequalled insights into the practice of magick, culminating in The Book of the Law, the central, sacred text dictated to Crowley by a preternatural entity. Anyone interested in yoga, ceremonial magic, esoteric thought, invocation, divination and beyond, or those looking to delve into the fascinating, playful and illuminating writings of a unique man, will find inspiration. For the first time, one of the world's leading experts on

Western esoteric traditions and magic, Dr. Stephen Skinner, introduces the text, sharing his insights into Crowley's take on yoga, ceremonial magick and Thelema. His long involvement with magick, both as an academic and as a practitioner, enabled Dr. Skinner to highlight the differences between the psychological and the spirit-orientated approaches to magick, and to show how that dilemma shaped Crowley's practice and his founding of Thelema,

enlightening the reader to many previously unknown connections.

In the original ten volumes of the Equinox, Aleister Crowley succeeded in synthesizing the aim of religion and the method of science. Israel Regardie's selections in Gems of the Equinox make a volume that is invaluable to readers, students, and adepts. It includes material on Crowley's magical order, magical rituals, yoga, invocations, and sex magick, among many other topics. Gems from the Equinox is a unique resource that serves as a

veritable textbook for the magickal orders AA and O.T.O. Although it is written for the advanced practitioner, beginners will gain much from its many pages of wisdom, including yoga postures and breathing techniques, ceremonial rituals and meditations, an Enochian magick primer, and The Book of the Law. In Gems from the Equinox, Israel Regardie's selections of Aleister Crowley's writings synthesize the aim of religion and the method of science, making it invaluable to readers,

students, and adepts. Gems is a must have for every student of Occultism, Mysticism, Thelema, Magick, and comparative religion.
The Best of the Equinox, Enochian Magick TarcherPerigee
New commentaries on Aleister Crowley's Book of the Law reveal how it is connected to both Right- and Left-Hand Paths • Examines each line of the Book of the Law in the light of modern psychology, Egyptology, Gurdjieff's teachings, and contemporary Left-Hand

Path thought • Explores Crowley's identification with the First Beast of Revelations as well as his adoption of the Loki archetype for becoming a vessel of love for all humanity • Recasts the Cairo Working as a text of personal sovereignty and a relevant tool for personal transformation • Includes commentary on the Book of the Law by Dr. Michael A. Aquino, who served as High Priest of the Temple of Set from 1975 to 1996 Received by Aleister Crowley in April 1904 in Cairo, Egypt, the

Book of the Law is the most provocative record of magical working in several hundred years, affecting not only organizations directly associated with Crowley such as the Ordo Templi Orientis but also modern Wicca, Chaos Magic, and the Temple of Set. Boldly defying Crowley's warning not to comment on the Book of the Law, Ipsissimus Don Webb provides in-depth interpretation from both Black and White Magical perspectives, including commentary from Dr.

Michael A. Aquino, who served as High Priest of the Temple of Set from 1975 to 1996. Webb examines each line of the Book in the light of modern psychology, Egyptology, existentialism, and competing occult systems such as the teachings of G. I. Gurdjieff and contemporary Left-Hand Path thought. Discarding the common image of Crowley formulated in a spiritually unsophisticated time when the devotee of the Left-Hand Path was dismissed as a selfish evil

doer, Webb unveils a new side of Crowley based on his adoption of the Loki archetype and his aim to become a vessel of love for all humanity. In so doing, he shows how the Book of the Law is connected to both Right- and Left-Hand Paths and reveals how Crowley's magical path of mastery over the self and Cosmos overthrew the gods of old religion, which had kept humanity asleep to dream the nightmare of history. Providing in-depth analysis of Crowley's sources and his self-

identification with the First Beast of Revelation from a profound esoteric perspective, Webb takes his views out of the Golden Dawn matrix within which he received the Book of the Law and radically recasts the Cairo Working as a text of personal sovereignty and a relevant tool for personal transformation. **Instructions by Aleister Crowley for His Own Magical Order** CreateSpace

A Practical Guide to Attainment in Aleister Crowley's System of Magick Penguin
 This book is a lengthy treatise on Magick, Aleister Crowley's system of Western occult practice, synthesised from many sources, including Eastern Yoga, Hermeticism, medieval grimoires, contemporary magical theories from writers like Eliphas Levi and Helena Blavatsky, and his own original contributions. The first

part of the book, "Mysticism" is essentially Crowley's system of yoga, which is designed to still the mind and enable single-pointed concentration. The second part, "Magick", deals with the accessories of ceremonial magick in detail. Subjects include: the temple, the magick circle, the altar, the scourge, dagger, and chain, the holy oil, the wand, cup, sword, pentacle, lamp, crown, robe, book, bell, lamen, and the Magick Fire.

Aleister Crowley Hidden Pub Crowley scholar DuQuette shares the insights of over twenty years of research and practice in Thelemic Magick in this first-ever Crowley Primer! Using simple, straight-forward language, DuQuette traces the evolution of modern ceremonial magick and provides initiated commentaries upon Crowley's most popular and celebrated rituals

Aleister Crowley and the Practice of the

Magical Diary Watkins Media Limited
The book consists of 80 letters to various students of magick. Originally to be titled Aleister Explains Everything, the letters offer his insights into both magick and Thelema—Crowley's religious and ethical system—with a clarity and wit often absent in his earlier writings. The individual topics are widely varied, addressing the orders O.T.O. and AA, Qabalah, Thelemic morality, Yoga, astrology, various magical techniques, religion,

death, spiritual visions, the Holy Guardian Angel, and other issues such as marriage, property, certainty, and meanness. The book is considered by many as perhaps Crowley's most notable contribution to the occult studies, defining magick for the 20th century.

The Great Beast ... Revised and Updated and Incorporating [chapters From] "The Magick of Aleister Crowley." Franklin Classics

Both a professional academic researcher and

practicing magician, Evans delves into modern history to present a serious, but accessible and fascinating work on British magic, focusing especially on Aleister Crowley.

Magick Without Tears
Weiser Books

The Equinox, in print from 1909–1919, was a magical journal published by Aleister Crowley and included Crowley's own A...A... laws, rituals and rites, reviews, and magical works by other important practitioners. Published as ten volumes,

much of the material remains out of print today. Now, for the first time since Israel Regardie's selections Gems from the Equinox (1974) renowned scholar and U.S. Deputy Grandmaster General of the O.T.O. Lon Milo DuQuette presents readers with his own selections from this classic publication, The Best of the Equinox. Volume III of the series presents perhaps the most titillating of esoteric subjects, Sex Magick. Once he grasped the

fundamentals of sexual magick, Aleister Crowley understood it to be the key that unlocks the secrets of the universe. He dedicated the entire second half of his life to exploring its mysteries. This volume presents the bulk of Crowley's written works on the subject and includes *The Gnostic Mass*, *Energized Enthusiasm*, *Liber A'ash*, *Liber Chath*, and *Liber Stellae Rubeae*

The Best of the Equinox, Sex Magick

This important collection

includes Aleister Crowley's two most important instructional writings on the design and purpose of the magical diary, *John St. John* and *A Master of the Temple*. These were the only two works regarding the magical diary published in Crowley's lifetime. Both were first published in Crowley's immense collection of magical instruction, *The Equinox*. *John St. John* chronicles Crowley's moment-by-moment progress during a 13-day magical working. Crowley referred to it as

"a perfect model of what a magical record should be." A *Master of the Temple* is taken from the magical diary of *Frater Achad* at a time when he was Crowley's most valued and successful student. It provides an invaluable example of a student's record, plus direct commentary and instruction added by Crowley. With commentary and introductory material by editor James Wasserman, *Aleister Crowley and the Practice of the Magical Diary* is the most

important and accessible instruction available to students of the occult regarding the practice of keeping a magical diary.

This revised edition includes a new introduction by Wasserman, a foreword by noted occult scholar J. Daniel Gunther, revisions

throughout the text, a revised reading list for further study, plus Crowley's instructions on banishing from Liber O.
