100 easy and delicious meals on a tight budget with Jack Monroe's A Girl Called Jack. Jack is a cash-strapped single mum living in Southend. When she found herself with a shopping budget of just £10 a week to feed herself and her young son, she addressed the situation with immense resourcefulness, creativity and by

embracing her local supermarket's 'basics' range. She created recipe after recipe of delicious, simple and upbeat meals that were outrageously cheap. Learn with Jack Monroe's A Girl Called Jack how to save money on your weekly shop whilst being less wasteful and creating inexpensive, tasty food. Recipes include Vegetable Masala Curry for 30p a portion, Pasta alla Genovese for 19p a portion, Fig, Rosemary and Lemon Bread for 26p and a Jam Sponge reminiscent of school days for 23p a portion. 'Sassy, political, and cooking amazing food on £10 a week. We need more like her' - Xanthe Clay, The

Telegraph Jack Monroe is a 24-year-old single mother and local newspaper reporter. Finding herself with a food budget of just £10 a week, she began to create nutritious recipes to feed herself and her son. Giving the recipes out to a local food bank, to help others in her situation, she then began to publish them online on her blog, A Girl Called Jack, which now has thousands of followers. Jack was awarded the 2013 Fortnum and Mason Judges' Choice Award for the impact that her blog has had. She lives in Essex with her son.

My Revision Notes: OCR GCSE (9-1) Business Hodder Education

"'Will you walk into my parlour,' said the Spider to the Fly..." is easily one of the most recognized and quoted first lines in all of English verse. But do you have any idea how the age-old tale of the Spider and the Fly ends? This enduring verse from Mary Howitt dates back to the nineteenth century, but its warning - to beware the wiles of flattery - remains today as relevant as ever. Now in its tenth year, celebrated artist Tony DiTerlizzi, drawing inspiration from his love of classic

Hollywood horror movies of the 1920s and 1930s, shines a cinematic spotlight on Mary Howitt's warning, written to her own children about those who use sweet words to hide their not-so-sweet intentions.

Featuring new jacket art and a commemorative poster this special 10th anniversary edition of the quintessential cautionary tale is a must have!

The Student Book. This Spanish Listening Booklet matches to the minutest details the content of the 19 units included in the best-selling workbook for beginner-to-pre-

intermediate learners "Spanish sentence builders", by the same authors. For best results, the two books should be used together. This book fully implements Dr Conti's popular approach to listening-skills instruction, L.A.M. (aka Listening-As-Modelling), laid out in his seminal work: "Breaking the Sound Barrier: Teaching Learners how to Listen" (Conti and Smith, 2019). L.A.M. is based on the concept that listening instruction should train students in the mastery of the key micro-listening skills identified by cognitive psychologists. Each unit contains around 13 listening tasks, which provide continuous and extensive recycling of the target constructions and vocabulary items and address the development of the key listening micro-skills. The tasks include engaging and tested Conti classics such as "Spot the intruder", "Missing details", "Faulty transcript", "Break the flow", "Faulty translation", "Gapped translation" and "Listening slalom", alongside more traditional listening comprehension tasks.

The vast majority of teachers enjoy teaching and are positive about their

workplace and colleagues, but they are disappointed by the profession. According to the UK's Health and Safety Executive, teaching staff and education professionals report the highest rates of work-related stress, depression and anxiety in Britain. A colossal 81% of teachers say that they have considered leaving teaching in the last year because of workload. I've been there myself, and I have come out of the other end triumphant. In this book I'm going to show you that it is possible to be a guilt-free, effective teacher, without compromising on the quality of your teaching or time with friends and family, and without giving away your precious evenings, weekends and holidays. The book includes true and tested strategies which continue to work well for me, and I'm confident they will work for you. I'll provide you with 'real world' tools from someone who, just like you, is in the classroom Monday to Friday. I'm going to demonstrate how you can tackle your ever-increasing workload, including both

ways of reducing it and ways to improve your own productivity. I'm going to show you that it is possible to obtain healthy levels of occupational well-being and truly achieve a work-life balance. You are going to get your life back.
