The Kept Woman

Scholastic Inc.  
In a YA trilogy like no  
other, Trent Reedy has

raised the most primal questions of our national existence: Do we owe our greatest loyalty to our friends? Our state? Our country? Our party? How do we reconcile our individual rights and common needs? What keeps us all united -- and what happens if we fall apart? Now, in this third book, the Second Civil War has come to an end in Idaho. The Feds have taken the fight to other fronts, and Danny and his friends are free of U.S. dominance. But that freedom comes with considerable costs, from Danny's disturbing flashbacks to the war, to the Brotherhood of the White Eagle, whose "security" for Freedom Lake looks more like outright thuggery. After Danny makes a shocking discovery about the Brotherhood's final aims, he and his friends lead a group of townspeople on a dangerous journey across a ravaged Idaho, hoping to build a better society of their own, and fulfill the dreams they had in what once was the United States.

 Kiss the Dust by Elizabeth Laird is an unforgettable,

award-winning novel of conflict, persecution and the hardships faced by refugees. Tara is an ordinary teenager. Although her country, Kurdistan, is caught up in a war, the fighting seems far away. It hasn't really touched her. Until now. The secret police are closing in. Tara and her family must flee to the mountains with only the few things they can carry. It is a hard and dangerous journey - but their struggles have only just begun. Will anywhere feel like home again?

Words in the Dust Words In The Dust

Hoping for a better life after the Taliban are driven from her Afghanistan home, Zulaikha dreams of getting along better with her difficult stepmother and having her cleft palate fixed before encountering intimidating changes in the form of a poetry teacher and American visitors.

Dark Emperor and Other Poems of the Night

Forever  
 "Jessica Scott is an exciting new voice in romantic fiction who bursts upon the scene with an unputdownable debut novel!" --Robyn Carr, New York Times Bestselling Author on

Because of You He's in for the fight of his life . . . Army captain Trent Davila loved his wife, Laura, and their two beautiful children. But when he almost lost his life in combat, something inside him died. He couldn't explain the emptiness he felt or bridge the growing distance between him and his family-so he deployed again. And again. And again...until his marriage reached its breaking point. Now, with everything on the line, Trent has one last chance to prove to his wife that he can be the man she needs ...if she'll have him . . . to win back his only love. Laura is blindsided when Trent returns home. Time and again, he chose his men over his family, and she's just beginning to put the pieces of her shattered heart back together. But when Trent faces a court martial on false charges, only Laura can save him. What begins as an act of kindness to protect his career inflames a desire she thought long buried-and a love that won't be denied. But can she trust that this time he's back to stay? (85,000 words)

**Gold Dust** HarperCollins  
 Come feel the cool and shadowed breeze, come smell your way among the

trees, come touch rough bark and leathery leaves: Welcome to the night. Welcome to the night, where mice stir and furry moths flutter. Where snails spiral into shells as orb spiders circle in silk. Where the roots of oak trees recover and repair from their time in the light. Where the porcupette eats delicacies—raspberry leaves!—and coos and sings. Come out to the cool, night wood, and buzz and hoot and howl—but do beware of the great horned owl—for it's wild and it's windy way out in the woods!

**Falling for Hamlet** HMH Books For Young Readers  
A powerful story about one girl's fight for justice in Pakistan. Everything changes for Aster the night her brother dies. Suddenly she's the only hope of the family, and instead of an early marriage to a boy from her small village in Pakistan, her parents decide to send her to the government high school in her brother's place. Aster is excited about this unexpected opportunity for a career, but, as a Christian, she is unprepared for the difficulties of attending a Muslim school: her fellow students are far from

welcoming and one of her teachers takes an instant dislike to her. One day, she is accused of intentionally making a spelling mistake to insult the holy prophet. Her teacher is incensed and accuses her of blasphemy. A violent crowd forms outside the school and Aster is taken to jail to be tried at a later date. A young social justice lawyer takes up her case, and Aster's Australian cousin, Maryam, starts an online campaign to free Aster. But will it be enough to save her?

**Enduring Freedom** Allen & Unwin

Through a series of poems, a young girl chronicles the life-changing year of 1975, when she, her mother, and her brothers leave Vietnam and resettle in Alabama.

Divided We Fall (Divided We Fall, Book 1)

Scholastic Inc.

In this wrenching sequel to *Divided We Fall*, Danny and friends fight to defend Idaho against a Federal takeover and the ravages of a Burning Nation.

**The Beatitudes** Pan Macmillan

Danny Wright never thought he'd be the man to bring down the United

States of America. In fact, he enlisted in the Idaho National Guard because he wanted to serve his country the way his father did. When the Guard is called up on the governor's orders to police a protest in Boise, it seems like a routine crowd-control mission ... but then Danny's gun misfires, spooking the other soldiers and the already fractious crowd, and by the time the smoke clears, twelve people are dead. The president wants the soldiers arrested. The governor swears to protect them. And as tensions build on both sides, the conflict slowly escalates toward the unthinkable: a second American civil war. With political questions that are popular in American culture yet rare in YA fiction, and a provocative plot that asks what happens when the states are no longer united, *Divided We Fall* is Trent Reedy's very timely YA debut.

**My Name Is Rose** Simon and Schuster

The New York Times bestselling author-illustrator Kayla Miller delivers the funny and honest follow-up to the middle school graphic novel.

If You're Reading This

In this timely and thrilling novel, *Ender's Game* meets *Ready Player One* and several terabytes of fast-paced video game action as five gamers are recruited into a tech giant's secret program.

**Circles of Hope** Open Road Media

"Everyone brought a gift for baby Lucma. Facile sat high up in his mango tree and watched. It was the only tree on the whole dusty mountaintop. Papa had planted it for him when he was born. "A strong tree protects its timoun," Papa said."

Young Facile wants to plant a tree in honor of his new baby sister, but he faces many obstacles. The first seed he plants is eaten by a goat, the second seed is washed away in a storm, and another seed is burnt by a scrub fire. Will Facile ever be able to plant a tree that will grow strong for baby Lucia? In this story of determination, faith, and love, author Karen Lynn Williams introduces readers to the realities of rural life in the mountains of Haiti. Imbued with brilliant colors, expressive characters, and vivid landscapes, Linda Saport's illustrations capture the indomitable

spirit of hope.

Inside Out & Back Again

Candlewick Press

When Amber returns to her home in the Australian desert one year after her brother's death, her hope is to move on from her grief, to start again. Invited to do some work in a remote Aboriginal community, she relishes the opportunity to return to country she loves so deeply. She hadn't realised her friend Andrew had a reason to ask her to come back. She begins a three-day road trip on unsealed roads that link a constellation of Aboriginal communities. From the outset, it is as if she has been picked up willy willy on a windless day, and must be carried to the end of it -until the wind decides to drop. During this adventure, her composure is undone by a series of encounters, observations, the country itself, and she learns that grief takes its own time.

**(Divided We Fall, Book 2)** Penguin

Passion, romance, drama, humor, and tragedy intertwine in this compulsively readable *Hamlet* retelling, from the

perspective of a strong-willed, modern-day Ophelia. Meet Ophelia, high school senior, daughter of the Danish king's most trusted adviser, and longtime girlfriend of Prince Hamlet of Denmark. She lives a glamorous life and has a royal social circle, and her beautiful face is splashed across magazines and television screens. But it comes with a price--her life is ruled not only by Hamlet's fame and his overbearing royal family but also by the paparazzi who hound them wherever they go. After the sudden and suspicious death of his father, the king, the devastatingly handsome Hamlet spirals dangerously toward madness, and Ophelia finds herself torn, with no one to turn to. All Ophelia wants is to live a normal life. But when you date a prince, you have to play your part. Ophelia rides out this crazy roller coaster life, and lives to tell her story in live television interviews. *One Half from the East* Univ. of Queensland Press Science fiction icon Connie Willis brilliantly mixes a speculative plot, the wit of Nora Ephron, and the comedic flair of P. G. Wodehouse in *Crosstalk*—a genre-

bending novel that pushes social media, smartphone technology, and twenty-four-hour availability to hilarious and chilling extremes as one young woman abruptly finds herself with way more connectivity than she ever desired. NAMED ONE OF THE BEST BOOKS OF THE YEAR BY NPR In the not-too-distant future, a simple outpatient procedure to increase empathy between romantic partners has become all the rage. And Briddey Flannigan is delighted when her boyfriend, Trent, suggests undergoing the operation prior to a marriage proposal—to enjoy better emotional connection and a perfect relationship with complete communication and understanding. But things don't quite work out as planned, and Briddey finds herself connected to someone else entirely—in a way far beyond what she signed up for. It is almost more than she can handle—especially when the stress of managing her all-too-eager-to-communicate-at-all-times family is already burdening her brain. But that's only the beginning. As things go from bad to worse, she begins to see the dark side of too much

information, and to realize that love—and communication—are far more complicated than she ever imagined. Praise for Crosstalk “A rollicking send-up of obsessive cell phone usage in too-near-future America . . . [Connie] Willis's canny incorporation of scientific lore, and a riotous cast . . . make for an engaging girl-finally-finds-right-boy story that's unveiled with tact and humor. Willis juxtaposes glimpses of claimed historical telepaths with important reflections about the ubiquity of cell phones and the menace that unscrupulous developers of technology pose to privacy, morality, and emotional stability.”—Publishers Weekly “An exhilarating and laugh-inducing read . . . one of those rare books that will keep you up all night long because you can't bear to put it down.”—Portland Book Review “A fun technological fairy tale.”—BookPage “One of the funniest SF novels in years.”—Locus Return to Dust Eerdmans Books for Young Readers A vivid story of two girls' journey from Melbourne to Madras. MADRAS, 1910: two girls are caught up in a scandal that will

change their lives forever. Singing and dancing across a hundred stages in a troupe of child performers, they travel by steam-train into the heart of India. But as one disaster follows another, money runs short and tempers fray, what must the girls do to protect themselves, and how many lives will be ruined if they try to break free? *Gamer Army* Pan Macmillan Rose is happy living her itinerant life with her family - until, one day, everything changes and she has no one left On the Run Thomas Nelson Publishers An eye-opening, heart-rending tale of love, honor and betrayal from veteran foreign news correspondent Atia Abawi Fatima is a Hazara girl, raised to be obedient and dutiful. Samiullah is a Pashtun boy raised to defend the traditions of his tribe. They were not meant to fall in love. But they do. And the story that follows shows both the beauty and the violence in current-day Afghanistan as Fatima and Samiullah fight their families, their cultures and the Taliban to stay together. Based on the people Atia Abawi met and the events she

covered during her nearly five years in Afghanistan, this stunning novel is a must-read for anyone who has lived during America's War in Afghanistan. Perfect for fans of Patricia McCormick, Linda Sue

Park, and Khaled Hosseini, this story will stay with readers for a long time to come. \* "A suspenseful, enlightening, and hopeful love story." Publishers Weekly, starred review "Riveting plot,

sympathetic characters and straightforward narration studded with vivid, authentic detail: a top choice." - Kirkus review "Heartbreaking and heartwarming." - VOYA review
