When Charlotte decides to uproot her life and move to Nashville, she leaves behind her controlling and privileged parents to start her career in the music industry, or so she thinks. In a desperate attempt to pay the bills, she reluctantly takes a job as a serving wench in a Renaissance-themed dinner theater at the advice of her newfound friends, Jade and Tyler. During Charlotte's horrible start to work, the red knight, Lincoln Miller, is literally thrown into her life. Jousting, risqué parties, and flirtatious knights have Charlotte questioning, is chivalry dead? Lincoln Miller, an aspiring writer by day and sexy knight by, well, night. When his job entails horse riding, jousting, and flaunting his strength to an audience, getting any woman he wants is easy. But, the Renaissance theme starts to get old for Linc, when ex-girlfriend and princess actress, Lindsey, tries to rule not only Linc's kingdom but also any peasant around her. His unfinished novel is collecting dust and piled with distractions. It isn't until he meets Charlotte Bradford that his life finally comes out of the dark ages.

Between 1860 and 1897 Charles Lutwidge Dodgson, known to the ages as Lewis Carroll, produced over 180 booklets, leaflets, pamphlets, and instruction manuals. Varying radically in length and subject matter, they testify to Dodgson's unparalleled creativity and eclecticism. This volume, second in a series, concentrates on Dodgson's career as mathematical lecturer of Christ Church, Oxford. Most of the material collected here has not appeared

in print since the author's lifetime. Appearing in chronological order by mathematical subject, each section is preceded by an introductory essay providing background information to assist both the general reader and the specialist. Several aspects of Dodgson's personality as well as important events in the Victorian period that influenced his views and the mathematical topics he chose to write about are discussed in the general introduction.

Sebastian does more than notice Brad; he takes him to bed. Brad's been with plenty of girls, but with Sebastian, the sex is something else entirely. Not, mind-blowing, affirming, and a little domineering in a way that drives him

wild. But when great sex turns into something more, Brad must face the crushing realization that Sebastian doesn't feel the same. Unless, of course, he does. After all, even grad students can be idiots about matters of the heart. The Flesh Cartel, Season 19: Promise JMS Books LLC

Love, Hypothetically Counterpoint

With a wedge at last driven between Mat and Dougie Carmichael, courtesy of Nikolai Petrovic's expert manipulations, the brothers must each accept their new path forward: Dougie, a perfect slave, sweet and obedient and loving. Mat, a tightly reined dog, snarling and snapping but never allowed to bite. Unfortunately, no transformation, however well planned, is without its growing pains. Mat's leash is so tight it's choking him. Dougie is tormented by a little voice inside his head—a fragment of his former self—that he cannot silence. And Nikolai's most difficult tests for the brothers are still to come. The critical question isn't whether they can pass those tests, but whether they even want to. Without each other to lean on and live for, a bleak future has become bleaker still. But Nikolai's too good to let his slaves slip through his fingers—by death or by despair. A noose, a nighttime sky, a shared lover, an

unexpected friend. A foreboding forest cabin. A lavish party with all the debauchery Nikolai's clientele could want. It's all coming in season 3 of the Flesh Cartel. \*\*See this title's page on [RiptidePublishing.com](http://RiptidePublishing.com) for content warnings.\*\*

I thought things couldn't get worse. I was wrong. I found out what I really wanted and was forced to give him up. Just as I found out who I really am, I was presented to the elusive Horde King as a gift. This was the mystical being I was hidden from for more than twenty years. Although Ryder promised to save me, I couldn't let him get near this creature, so I willingly (sort of) signed myself over to be his new plaything. Now in the Horde Realm, nothing is going remotely like I thought it would. My powers and emotions are on the fritz, and each day seems to bring surprises that I am not sure how to deal with. The Horde King thinks he has me exactly where he wants me. He thinks he has taken all of my options away. I still have choices. Embracing what destiny has planned for me, or escaping it.

Mat and Douglas's time as Nikolai's wards is finally drawing to a close. Though torn apart by Nikolai's

machinations, their fates are still inextricably entwined: they've been sold to the same cruel master, and are united in their desire to go home. But "home" means two different things to the brothers: for Mat, their little bungalow in Nevada, and for Douglas, a swift return to Nikolai and Roger, the only people he believes still love him. But first they must survive their new master. Smythe Hall is a twisted island paradise where Americans affect British accents and slaveboys dress up as slave girls, all at the whims of the rich and megalomaniacal Allen Smythe-Kennedy. Meanwhile, FBI Special Agent Nate Johnson can't let the case of the missing brothers lie. He knows it's a waste of resources to chase ghosts down a cold trail, but after admiring Mathias "Stonewall" Carmichael ringside and at countless afterparties where he was too shy to say hello, he's determined to solve the mystery and bring Mat and his little brother home.

It is the twilight of mankind. Depleted by generations of war with a race of dark beasts, humanity stands on the brink of extinction. The outlands are soaked with the blood of the fallen. The midlands are rotting with decadence and despair.

Elfkind, estranged by past crimes, watches and waits for nature to run its course. And then the two collide. Ayden's life has long been guided by two emotions: love for his sister, and hatred of all things human. When he's captured in battle, he is enslaved in the service of a human prince, Freyrik Farr. Freyrik's always known elves to be beautiful and dangerous, but never has one affected him as deeply as Ayden. Teetering on a dagger's edge between duty and high treason, Freyrik discovers that some

choices can change a life, and some an entire world. Between prejudice, politics, pride, and survival, Ayden and Freyrik must carve a new path, no matter how daunting. For nothing less than the fate of both their peoples rests on the power of their perseverance — and their love.

As prince of a war-torn human province, Freyrik could ill afford to fall for an enemy. And Ayden, an elven warrior with three hundred years of bitterness in his heart, wanted no part of love. Yet they came together despite themselves and the wills of their peoples, joining hearts and minds to fight.

Enslaved during the invasion of the rival King of Herra, Micah cut off his emotions and adapted to his new life in servitude. Institutionalized by his slavery, unable to cope with his freedom, Micah seeks to please the new

master he's found in Eli throughout their harrowing journey to a homeland he no longer remembers. Eli protects the young man and introduces Micah to the pleasures denied him as a prisoner. Will Micah accept his noble birthright when they reach Alekia, and more importantly, can he accept Eli as the devoted slave his father has given him rather than the master he's come to love?

Sublime service, made to order. In episode two of *The Flesh Cartel*, the dark purpose behind Mat and Dougie Carmichael's abduction is revealed. Though Dougie is protected from the worst of the guards' brutality, he's disgusted to find himself halfway to broken—despairing of escape and terrified of pain. Mat holds onto hope despite repeated rapes and beatings, but threats toward his brother teach him well to lay aside his pride and pick his battles carefully. Worn down by days of unrelenting fear and abuse, Mat and Dougie are packaged and marketed with the same ruthless efficiency as any consumer product: Dougie the prettyboy twink, Mat the rabid pit bull. They are led to the auction block as the showpiece of the house's collection. Mat would rather be beaten to death than play the role of obedient slave for sale, but Dougie, desperate not to be separated from his brother, strikes a deal with the pitiless Madame who runs the auction house and controls both their fates. It might just be enough to keep them together—slaves, but together—assuming Mat even wants to be after Dougie fulfills his end of his deal with the devil. \*\*See this title's page on RiptidePublishing.com for content warnings.\*\*

For the past six months, Jared's been selling sex at Market Garden, a London

club that caters to the better-off. But business is slow in the run-up to Christmas, when businessmen and bankers are too busy bickering over bonuses to rent themselves a little high-class action. Though Jared's wallet finds the downtime unnerving, the rest of him rather enjoys the opportunity it gives him to admire Tristan, an old hand in the club whose reputation usually sees him well-booked. Jared has been crushing on Tristan for months—he's no more immune to Tristan's cockiness and confidence than the johns, and those are just Tristan's inner qualities. Just as Jared's about to chat Tristan up, a businessman asks for something a little different: he wants to book them both. They agree—and Jared finds himself going from crush to mind-bending lust as he's made the pawn in a sexual power game. Tristan shows him how a pro handles a john while delivering the top-shelf sex for which the Market Garden is so rightly renowned.

To ease the burden on the overcrowded prison system, Brooklyn was sold into slavery rather than incarcerated. something more. Brooklyn hesitates to call it "love"--such things do not exist between freemen and slaves--but when Nathaniel reveals that he wants to help get Brooklyn's conviction overturned, he dares to hope. Mitch McAllister and Liv Winslow grew up in the same squalid trailer park, turning to each other for comfort as scared kids. When they meet there again while visiting their dysfunctional families as adults, Mitch and Liv escape the ghosts of their past in sexual excess. They ultimately include Mitch's neighbor Sam Lawson in their giddy, extravagant play. It was only supposed to be sex: hot, dirty, spine-melting sex. None of them wanted to fall in love. If life has taught Liv, Mitch and Sam anything, though, it's that we don't always get what we want. But if we're very lucky, sometimes we get exactly what we need.
