The Vindico Clear Creek Publishers
 In this inspirational and humorous collection of essays, author John Dietsch sees his addiction to and passion for fishing as a parable that can help us shift from compulsive thinking to mindfulness and a closer connection to God. From creating fishing scenes on the set of A

River Runs Through It in Montana, to directing fly fishing shows in New Zealand and from exploring deep canyons in California to guiding in Colorado, John shares his experiences and asks the question: what are we really fishing for? Through John's journeys across the globe, we discover that the same pursuit in fishing—of what is elusive but attainable—can be applied to our own spiritual journey. In the end, Dietsch uncovers his

own truth under the rocks of a childhood river, recognizing the loss of both his brothers as the path of acceptance and faith that is graced by waters.

New Crime Stories from Mystery Writers of America Simon and Schuster

At the moment when Mabel wins Waddles the pig at the Mystery Fair, Dipper ruins his chance to impress Wendy. But when Dipper finds a way to travel back in time and

changes his fate with Wendy, Mabel's fate also changes—for the worse. Will Dipper and Mabel tweak time so they both leave the fair a winner? Will Mabel ever share a slice of pizza with her beloved Waddles again? Then, when a prehistoric creature snatches up Waddles, it's up to the Gravity Falls gang to save him! Readers will love this chapter book filled with black-and-white art from the show.

Knitwear Inspired by the Outlander Series Open Road Media

A story of feline first contact by the Hugo and Nebula Award-winning author that "recalls Robert Heinlein's excellent stories for this age group" (*Publishers Weekly*). Twelve-year-old Barbary has been dreaming of going to space for as long as she can remember. Now, the orphan is on her way, joining the family of her mother's best friend on the research station Einstein—but she won't be going alone. Barbary can't bear to leave behind her only friend, a Manx

tabby cat named Mickey. Getting used to zero gravity is just one challenge the pair will face on their journey; when they finally land on Einstein, Barbary will have to trust her new sister with her secret stowaway. But Mickey's mischievous nature may get Barbary kicked off of her new home for good—and put all of humanity at risk as an alien ship flies their way . . . “Excitement about space, living on a frontier, and . . . down-to-earth mechanical details . . . McIntyre displays the talent that won her acclaim.” —Publishers Weekly “Engrossing. A lot of physics and engineering are woven unobtrusively into the book. Good for buffs and newcomers.” —Kirkus Reviews

Plain Roots Quirk Books

Taryn Clark thought she'd outgrown the need to find her birth mother. She thought that a successful career and a comfortable life in the city were enough to be happy. Did she really need to know about the woman who had given her away? Adopted at birth, her first few years were happy. It hadn't mattered that she didn't know her heritage; she had parents who loved her and wanted her. But divorce, and then death, ripped their tiny family apart, and at the tender age of six, she entered the foster care system. Over the next dozen years, she shuffled from home to home. Finding her roots seemed an impossible dream. But dreams are resilient. An unexpected discovery awakens old yearnings of belonging to a family, of being part of something bigger than herself. Finding the brief, ambiguous note from her birth mother is enough to unfurl the ribbons of hope still binding her heart. Her quest takes her to Lancaster County, Pennsylvania and the heart of the Plain community. Aided by her unique eye color, a healthy dose of luck, and the private investigator

she hires, Taryn finds her birth family easily enough, but finding the truth is another matter. In all her musings, she never imagined a scenario where her mother might be Amish. She never imagined that the fabric of her life might be a patchwork of faith and fear, stitched together with a dark family secret. Taryn is determined to trace her roots, even if it means digging in the mud to do so. Now she's caught in the quicksand of a shocking discovery and the consequences of choices made, almost forty years ago. She'll risk everything to uncover the truth and to claim the family--and the roots--she so desperately craves.

Savio Republic

For over 40 years, Warship has been the leading annual resource on the design, development, and deployment of the world's combat ships. Featuring a broad range of articles from a select panel of distinguished international contributors, this latest volume combines original research, new book reviews, warship notes, an image gallery, and much more, maintaining the impressive standards of scholarship and

research with which Warship has become synonymous. In the 2019 edition of this celebrated title, articles include Hans Lengerer's exploration of the genesis of the Six-Six Fleet, Michele Cosentino's look at Project 1030, Italy's attempt to create a torpedo-armed attack and ballistic missile submarines, and A D Baker III's drawing feature on the USS Lebanon. Detailed and accurate information is the keynote of all the articles, which are fully supported by plans, data tables and stunning photographs. *Highland Knits* Disney Electronic Content A fun and instructive guide to the most popular men's hairstyles of the 20th century The Barber Book is a fun guide to the most popular men's hairstyles of the 20th century, including quirky line drawings to achieve the 'total look' and instructions on how to cut each style. Packed with information this smart handbook uses quirky illustrations and vintage photographs to explore the most popular hairstyles of the 20th century from the undercut and the afro to the classic Madison Avenue look. With a focus on personalities, culture and

fashions and cultural events that inspired each look, the book opens with an illustrated introduction exploring the most popular styles of the 1940s, 50s and 60s through archival photography. The book includes a brand new directory of the world's finest barber shops. *Barbary* Bloomsbury Publishing When supervillains of the Vindico realize they are getting too old to fight the League of Heroes, they kidnap and begin training five teens, but James, Lana, Hayden, Emily, and Sam will not become the next generation of evil without a fight. **An Eclectic Collection of Orations Deserving of a Wider Audience** Phaidon Press Originally published by HarperCollins in 1992. **Manhattan Mayhem** From Wall Street to Harlem, the borough of Manhattan is the setting for all-new stories of mystery, murder, and suspense, presented by best-selling author Mary Higgins Clark and featuring an exclusive Jack Reacher story by Lee Child, as well as other takes from top Mystery Writers of America authors. In Lee Child's "The Picture of the Lonely

Diner," legendary drifter Jack Reacher interrupts a curious stand-off in the shadow of the Flatiron Building. In Jeffery Deaver's "The Baker of Bleecker Street," an Italian immigrant becomes ensnared in WWII espionage. And in "The Five-Dollar Dress," Mary Higgins Clark unearths the contents of a mysterious hope chest found in an apartment on Union Square. With additional stories from T. Jefferson Parker, S. J. Rozan, Nancy Pickard, Ben H. Winters, Brendan DuBois, Persia Walker, Jon L. Breen, N. J. Ayres, Angela Zeman, Thomas H. Cook, Judith Kelman, Margaret Maron, Justin Scott, and Julie Hyzy, *Manhattan Mayhem* is teeming with red herrings, likely suspects, and thoroughly satisfying mysteries. *Law and Inflation* The world is gone, destroyed by human, ecological, or supernatural causes. Survivors dodge chemical warfare and cruel gods; they travel the reaches of space and inhabit underground caverns. Their enemies are disease, corrupt corporations, and one another; their resources are few and their courage
