Imagination is our inner vision, our human skill to see different realities. It can take us to the throne of God, it can connect us to the stream of infinity and allow us to see the universe for what it really is. Controlled use of the imagination is fundamental to magical practice, and this comprehensive study by an experienced practitioner provides

the keys to understanding and using these powerful inner techniques. Based on Nick Farrell's previous book *Magical Pathworking*, this greatly revised and expanded edition includes new chapters which further develop the techniques of pathworking for magical and spiritual purposes. It covers group work, divination, visiting other inner world dimensions and working towards what Farrell calls objective pathworking. "Even if you think you know all about visualisation, pathworking and the magical key of imagination - even if you teach the subjects - this book will astound you. Nick Farrell explores magical imagination with depth and discernment,

revealing principles and methods that will enrich and transform your magical and spiritual practice. Quite simply, this book is the best of its kind and extends the magical use of imagination to new heights and insights. It is an essential book for all magicians, Pagans and anyone who works with the inner realms." - Peregrin Wildoak, author of *By Names and Images*.

The Lazy Man's Guide to Relaxation

New Falcon Publications

Nell'immaginario paesino sardo di Zenaiddi si snodano le peripezie di amministratori e impiegati di un'improbabile quanto disastrata amministrazione pubblica. Dimenticatevi

i grigi burocrati, i freddi e austeri uffici cui l'esperienza quotidiana e l'immaginario collettivo da sempre ci ha abituato. Nel Comune di Zenaiddi tutto può accadere e tutto accade: vicende ai limiti del paradossale, situazioni ai confini dell'assurdo che strappano una risata disincantata al lettore. Una vicenda che porta nel teatro della comicità una realtà, quella che si vive nelle piccole pubbliche amministrazioni, troppo spesso compressa e irrisa, ma capace di offrire spunti ironici e quanto mai divertenti o addirittura demenziali. E così il lettore potrà assistere a esilaranti consigli comunali, potrà leggere le fantasiose delibere degli impiegati e immergersi nelle loro

quotidiane incombenze e vicende. Un altro gioco letterario.

Quando si inizia a scrivere un libro, nonostante le idee ovviamente chiare su come svilupparne la trama, a volte senza accorgersene ci si trova ad aver scritto in realtà qualcosa di diverso da quello che si immaginava. Nel caso di "La verità non si dice mai" la mia intenzione era puntare tutto sul detective Carreras, creando il suo curioso personaggio e inserirlo dentro in una delle sue tante intricate indagini, quindi raccontare di lui e il suo mestiere, ma chiaramente coinvolgere il lettore principalmente sui complicati sviluppi dell'investigazione,

come la maggior parte del genere giallo.

Quando ho finito il libro, rileggendolo, mi sono accorto che in realtà Raul si trova invischiato a sua insaputa all'interno dei complicati intrecci famigliari della strana famiglia Barbieri, tanto da rischiare la vita semplicemente per aver fatto quello per cui era stato pagato. Da protagonista principale come avrei voluto, si ritrova a correre una gara per il primo posto assieme a Isabella, Mauro, Benni, Eva... Questa per me non è stata una scelta ma pura casualità, ma mi ha permesso però di capire determinate dinamiche, riguardanti gli addetti ai lavori, a me totalmente sconosciute.

The Pagan Writes Back
BRILL

In the first book to consider the study of world religion and world literature in concert, Zhang Ni proposes a new reading strategy that she calls "pagan criticism," which she applies not only to late twentieth- and early twenty-first-century literary texts that engage the global resurgence of religion but also to the very

concepts of religion and the secular.

Focusing on two North American writers (the Jewish American Cynthia Ozick and the Canadian Margaret Atwood) and two East Asian writers (the Japanese Endō Shūsaku and the Chinese Gao Xingjian), Ni reads their fiction, drama, and prose to envision a "pagan (re)turn" in the study of world religion and world literature. In doing so, she highlights the historical complexities and contingencies in literary texts and challenges both Christian and secularist assumptions regarding aesthetics and hermeneutics. In assessing the collision of religion and literature, Ni argues that the clash has been

not so much between monotheistic orthodoxies and the sanctification of literature as between the modern Western model of religion and the secular and its non-Western others. When East and West converge under the rubric of paganism, she argues, the study of religion and literature develops into that of world religion and world literature.

Da una parte Lui: il ragazzo perfetto, con una famiglia perfetta,

un lavoro perfetto e delle amicizie perfette. Dall'altra Lei: sfigata, grassottella, e in eterna lotta contro i tacchi. E se per caso cadesse il mondo? Se lo chiedono Eros e Angela, i protagonisti della storia, e se lo chiederà chi si riconoscerà nella vita comune di questi due semplici ragazzi.
