 Are you excited about planning your next trip? Do you want to try something new? Would you like some guidance from a local? If you answered yes to any of these questions, then this Greater Than a Tourist book is for you. Greater Than a Tourist- Colorado, United States, by Angela C. Kempf, offers the inside scoop on Colorado. Most travel books tell you how to travel like a tourist. Although there is nothing wrong with that, as part of the Greater Than a Tourist series, this book will give you travel tips from someone who has lived at your next travel destination. In these pages, you will discover advice that will help you throughout your stay. This book will not tell you exact addresses or store hours but instead will give you excitement and knowledge from a local that you may not find in other smaller print travel books. Travel like a local. Slow down, stay in one place, and get to know the people and culture. By the time you finish this book, you will be eager and prepared to travel to your next destination. Inside this travel guide book you will find: Insider tips from a local. Packing and planning list. List of travel questions to ask yourself or others while traveling. A place to write your travel bucket list. OUR STORY Traveling is a passion of the Greater than a Tourist book series creator. Lisa studied abroad in college, and for their

honeymoon Lisa and her husband toured Europe. During her travels to Malta, an older man tried to give her some advice based on his own experience living on the island since he was a young boy. She was not sure if she should talk to the stranger but was interested in his advice. When traveling to some places she was wary to talk to locals because she was afraid that they weren't being genuine. Through her travels, Lisa learned how much locals had to share with tourists. Lisa created the Greater Than a Tourist book series to help connect people with locals. A topic that locals are very passionate about sharing.
