Powered by Blinklearning Disclaimer ...Skillful Listening & Speaking Level 1 - Macmillan Education Real listening is an active process that has three basic steps. Hearing. Hearing just means listening enough to catch what the speaker is saying. For example, say you were listening to a report on zebras, and the speaker mentioned that no two are alike. If you can repeat the fact, then you have heard what has been said. Understanding. The next part of listening happens when you take what you have heard and understand it in your own way.
