Since the garden of Eden, a choice between true and false wisdom has confronted human beings, and the need for discernment is consistent throughout Scripture. This volume engages with the canny decisions of the Hebrew midwives, the moral chaos of the judges' era, dilemmas in the monarchy, and prophetic responses to the turmoil of the threat of empires, along with themes from Psalms, Job, and Proverbs. Wise preaching and teaching are enriched by insights from Tanzania, Myanmar, and Central Asia, and wisdom in daily life is found in biblical practices and is centered on Christ. Colleagues and students honor Lindsay Wilson, whose wisdom interests extend across the canon. This work is valuable for students and teachers of Old Testament and for anyone seeking to become wise.

2016 Christian Book Award finalist (Bibles category) Stories of Scripture are often portrayed two-dimensionally, making people in the Bible seem familiar, predictable, even flat. We don't always read their stories with much awareness of the pressures they faced, the doubts they had, the assumptions they made, or the alternatives they have chosen. The Dancing in the Desert Devotional Bible in the New Living Translation encourages readers to take an honest look at the people in the Bible. Chris Tiegreen, author of many popular devotionals for both men and women, has written 270 devotionals that explore the lives of people in the Bible and how they faced their own life's wilderness and found meaning, significance, and purpose with God. When we keep our gaze fixed on a story bigger than our own lives, we, too, can learn to dance in even the driest of our deserts.
