A Kick-Butt Approach to a Better Life Routledge

This compilation of poems is rolled out as one long poem which spans the journey of the spiritual growth of an adulterous woman in a nation spinning, while facing unspeakable adversity with grace and love. It also deals with individual spiritual growth and transferring love from a man to God, and also with National Politics in the USA and the threat of ISIS. It is not only poetry, but also draws influence from "Spoken Word" traditions. In the Afterword you will find a treasure of a Christian Testimony in the form of another Poem by Jamie Wyatt. "Dearest friends, for a long time I was in a place where my exterior circumstances controlled me internally, and I was miserable, not only because it wasn't I who had control, but also because those external circumstances were being imposed against my will, and like everyone else, I blamed it on our President (reminds me of Pink's song, "Mr. President," which was for a different Administration). Eventually, I started opening my mind to the possibility that if the good Lord had permitted so and so to happen, despite intercessory prayer, there was a reason for it and it was His Will. I still didn't like it; so, He opened up the heavens and showed me a little piece of His masterpiece here on earth- He let me see the grid and aliens and bad stuff too: I see ISIS for who they are. Then I realized, I'm just a little spec of sand on the map of time, in one universe, and if I could do some good to at least one other little spec of sand or two - that would probably be enough, and if there was some way the good Lord could use even my suffering and frustration, He would use it for at least my own benefit and someone else's. God is great and nothing is wasted! So no matter what you're going through, know that God will somehow turn it to good in due time. Relish the fight! But love will get you peace. Blessings, hugs and warm thoughts to you and yours! God bless us and God bless the USA!" -Audrey Andujar Wright

By the coauthor of the #1 Wall Street Journal and New York Times bestseller *The One Minute Entrepreneur* Offers a simple, straightforward, and proven approach to negotiating anything. Written in the popular and accessible "business fable" format Negotiation impacts every aspect of our lives, from the deals we strike on the job to our relationships with family members and neighbors, to the transactions we make as customers. Yet most people do anything they can to avoid negotiation -- it makes them uncomfortable, nervous, even frightened. This plague of "negotophobia" is that *The One Minute Negotiator* will remedy. Don Hutson and George Lucas use an engaging business parable to tell the story of a high-level sales professional who learns to master a simple yet profound approach to negotiations. Jay Baxter sells more than anyone else in his company, but his profit margins are slim. Instead of negotiating the best deal for the company, he's giving too much away to get the sale. On a company-sponsored cruise he meets the One Minute Negotiator,

who teaches him a three-step negotiating process that can be applied to any situation: closing a deal to get your product in a big-box retail store, getting the best loaner car while your car is in the shop, seeking a fair solution after a hotel messes up your reservation, settling on the price for your new home -- in short, any transaction. The key is flexibility. Most books on negotiation preach one of two gospels: thou shalt collaborate or thou shalt compete. Either everybody works together toward a common goal or the process is basically adversarial. The problem is no two negotiations are alike -- one strategy cannot fit all. *The One Minute Negotiator* teaches you four potential strategies and shows how to choose the one best suited to the situation, your own inclinations, and the strategy being used by the other side. Besides the obvious benefits, conquering negotiaphobia will reduce your stress level. You'll never walk away thinking about what you should have asked for or might have gotten. Instead, with tools Hutson and Lucas provide you can confidently and consistently guide any negotiation to the best possible conclusion.

DISCIPLE IV UNDER THE TREE OF LIFE is the final study in the four-phase DISCIPLE program and is prepared for those who have completed **BECOMING DISCIPLES THROUGH BIBLE STUDY**. The study concentrates on the Writings (Old Testament books not in the Torah or the Prophets), the Gospel of John, and Revelation. Emphasis on the Psalms as Israel's hymnbook and prayer book leads natural to an emphasis on worship in the study. Present through the entire study is the sense of living toward completion - toward the climax of the message and the promise, extravagantly pictured in Revelation. The image of the tree and the color gold emphasize the prod and promise in the Scriptures for **DISCIPLE IV: UNDER THE TREE OF LIFE**. The word under in the title is meant to convey invitation, welcome, sheltering, security, and rest - home at last. Commitment and Time Involved 32 week study Three and one-half to four hours of independent study each week (40 minutes daily for leaders and 30 minutes daily for group members) in preparation for weekly group meetings. Attendance at weekly 2.5 hour meetings. DVD Set Four of the five videos in this set contain video segments of approximately ten minutes each that serve as the starting point for discussion in weekly study sessions. The fifth video is the unique component that guides an interactive worship experience of the book of Revelation. Under the Tree of Life Scriptures lend themselves to videos with spoken word, art, dance, music, and drama. Set decorations differs from segment to segment depending on the related Scripture and its time period. Set decoration for video segments related to the Writings generally has a Persian theme. Set decoration for the New Testament video segments emphasizes the simpler life of New Testament times.

Sir Edwin Hartley Cameron Leather (1919-2005) was born in Canada. He is remembered as having been a self-defence expert, successful author, politician and Governor of Bermuda. Despite his endorsement of violent acts against other human beings, as described in his book, *Combat Without Weapons*, Sir Edwin was a freemason and Anglican lay reader. How he wrestled with the two opposites of aggression v. faith can only be conjectured, but his book was innovative at the time. Historically, the basis for the killing and maiming methods he proposes came about when Edward William Barton-Wright founded his Bartitsu School of Arms in London in 1898. In 1900, Barton-Wright invited S. K. Uyenishi, to teach jujitsu and his methods proved so successful that he began teaching extreme versions to army officers. Following the sowing of these first seeds, jujitsu self-defence techniques spread throughout Britain and abroad, and the rest is now history.
