The Eldership and the God-Ordained Way  
 Lewis & Roth Publishers  
 Building and Sustaining a Thriving  
 Leadership Culture Essential to every  
 healthy church is a biblical model of  
 leadership. In the New Testament, church  
 leadership is built around a team of elders  
 working together, each bringing his own  
 unique skills and gifts to the cause of  
 shepherding the flock God entrusted to  
 them. However, in many churches today  
 the principle of plurality in leadership is  
 often misunderstood, mistakenly applied,  
 or completely ignored. Dave Harvey

encourages church leaders to prioritize  
 plurality for the surprising ways that it  
 helps churches to flourish. This book not  
 only builds a compelling case for churches  
 to adopt and maintain biblical elder  
 pluralities guided by solid leadership but  
 also supplies practical tools to help elders  
 work together for transformation.

 The eldership is a very old and wonderful  
 gift of God to his people. This book paints  
 the grand biblical narrative of this office  
 from its beginnings. Today's church cannot  
 afford to ignore God's past instruction for  
 the functioning of this office. It continues  
 to be a blessing today

 Effective leadership is important. Nowhere  
 is this more true than in the church.  
 Jeramie Rinne offers readers a concise  
 overview of the Bible's teaching on  
 spiritual leadership, setting forth an easy-  
 to-understand "job description" for elders  
 that is focused on enabling pastors and  
 church leaders to effectively shepherd

their congregations. Giving practical guidance to new elders and helping church members better understand and support their spiritual leaders, this conversational book emphasizes purposeful ministry rather than project management. It will also bolster leaders' confidence by encouraging them to embrace their pastoral calling with grace, wisdom, and a clarity of vision.

*Biblical Servant Leadership* Crossway

This book considers five major mysteries in the Bible: the mystery of the universe, the mystery of man, the mystery of God, the mystery of Christ, and the mystery of the church.

Change the Way You Think about Leadership At the age of thirty-three, Dr. Albert Mohler became the youngest president in the 164-year history of Southern Baptist Theological Seminary. He was the driving force behind the school's transformation into a thriving institution with an international reputation characterized by a passionate conviction for truth. In the process he became one of the most important and prominent Christian voices in contemporary culture. What will it take to transform your leadership? Effective leaders need more than administrative skills and vision. They need to be able to change the hearts and minds of those they lead. Leadership like this requires passionate beliefs that can stand up to pressure from without and within. In this updated edition Dr. Mohler has added a new introduction and conclusion based on an additional 10 years of leadership. He has also completely rewritten the chapter "The Digital Leader." The Conviction to Lead will crystallize your convictions while revolutionizing your thinking, your decision-making, your communication, and ultimately, those you lead. "Dr. Al Mohler has written a book that shakes us up and challenges our thinking. The Conviction to Lead is poised to become one of the all-time classic works on Christian leadership."--JIM DALY, President - Focus on the Family "Having rarely thought about leadership, I was hooked from the first chapter--to my complete surprise. This is a powerful book and gracefully written."--FRED BARNES, Executive Editor--The Weekly Standard

*The Mending Ministry of John* Living Stream Ministry

Of all the demons, monsters, fiends, and ogres to preoccupy the western imagination in literature, art, and film, no figure has been more feared—or misunderstood--than Satan. But how accurate are the popular images of Satan?

How--and why--did this rather minor biblical character morph into the very embodiment of evil? T.J. Wray and Gregory Mobley guide readers on a journey to retrace Satan's biblical roots. Engaging and informative, *The Birth of Satan* is a must read for anyone who has ever wondered about the origins of the Devil.

No previous knowledge of theology demanded, this volume is written in an essentially readable way and is the perfect core to the library of anyone who loves to learn. "This wide-ranging, well-directed, sharp-sighted textbook is his magnum opus. This one stands high as a demonstration of the biblical rationality of the Reformed faith." J. I.

*Biblical Eldership* Crossway

In this concise book, one of America's most influential pastors puts forth a model of church leadership that is both biblically sound and practically effective. Part of the Re:Lit A Book You'll Actually Read series.

"Between the Christianity of this land, and the Christianity of Christ, I recognize the widest possible difference." --Frederick Douglass, 1845 The prophets of old were not easy to listen to because they did not flatter. They did not cajole. They spoke hard words that often chafed and unsettled their listeners. Like the Old Testament prophets, and more recent prophetic voices like Frederick Douglass, Dr. Eric Mason calls the evangelical church to a much-needed reckoning. In a time when many feel confused, complacent, or even angry, he challenges the church to: Be Aware - to understand that the issue of justice is not a black issue, it's a kingdom issue. To learn how the history of racism in America and in the church has tainted our witness to a watching world. Be Redemptive - to grieve and lament what we have lost and to regain our prophetic voice, calling the church to remember our gospel imperative to promote justice and mercy. Be Active - to move beyond polite, safe conversations about reconciliation and begin to set things aright for our soon-coming King, who will be looking for a WOKE CHURCH.

How would you describe the spiritual aroma of your home? The source of this aroma is the relationship between husband and wife. Many can fake an attempt at keeping God's standards in some external way. What we cannot fake is the resulting, distinctive aroma of pleasure to God. Reforming Marriage does what few books on marriage do today: it

provides biblical advice. Douglas Wilson points to the need for obedient hearts on the part of both husbands and wives. Godly marriages proceed from obedient hearts, and the greatest desire of an obedient heart is the glory of God.

*Who Runs the Church?* Living Stream Ministry

Alexander Stauch was not satisfied that the church was following God's plan for leadership. His intense study and search of the scriptures resulted in this fantastic Biblical view of leadership God's way. You and your leadership will greatly benefit from studying this book.

In a time when many churches have lost sight of the real purpose of the church, *The Care of Souls* invites a new generation of pastors to form the godly habits and practical wisdom needed to minister to the hearts and souls of those committed to their care. Harold Senkbeil helps remind pastors of the essential calling of the ministry: preaching and living out the Word of God while orienting others in the same direction. And he offers practical and fruitful advice--born out of his five decades as a pastor--that will benefit both new pastors and those with years in the pulpit. Drawing on a lifetime of pastoral experience, *The Care of Souls* is a beautifully written treasury of proven wisdom which pastors will find themselves turning to again and again.

*Systematic Theology* Lewis & Roth Publishers

Strong leadership in the church is exactly what God had in mind. However, very few people, Gene Getz believes, understand the biblical pattern for church leadership. He has written *Elders and Leaders* to unravel the mystery and alleviate the confusion surrounding this critical topic. In the first part of the book, Getz lays the historical and biblical groundwork for the position of elder. In the second part, he shares how he has applied or has seen these principles applied over the years. *One Accord for the Lord's Move* B&H Academic

Going to college can be exciting, anxiety inducing, and expensive! everything from choosing a major and discerning one's vocation to balancing academics and fun, from cultivating relationships with peers and professors to helping students figure out what to do with their summers. Witness Lee speaks of the church in *The Practical Expression of the Church*, not only from the viewpoint of God's eternal purpose, which is the church triumphant and universal, but also from the viewpoint of the believers' experience and enjoyment of the riches of Christ, which produces a local expression of the church, an expression that displays the oneness of the Body of Christ and brings in God's commanded blessing (Psalm 133).

*Women and Men in Ministry* David C Cook Churches have split and denominations have formed over the issue of church government. While many Christians can explain their church's form of rule or defend it because of its "tried and true" traditions, few people understand their church's administrative customs from a biblical perspective. *Who Runs the Church?* explores questions such as: What

model for governing the church does the Bible provide, and is such a model given for practical or spiritual reasons? Is there room for different methods within Christianity? Or is there a right way of "doing church"? And, finally, how (and by whom) should the church be governed? Four predominant approaches to church government are presented by respected proponents: Episcopalianism - represented by Peter Toon Presbyterianism - represented by L. Roy Taylor Single-Elder Congregationalism - represented by Paige Patterson Plural-Elder Congregationalism - represented by Samuel E. Waldron As in other Counterpoints books, each view is followed by critiques from the other contributors, and its advocate then responds.
