National Book Award
finalist Elizabeth
Partridge reveals the
life and work of
Frederick Law Olmsted,
the designer of Central

Park, the United States
Capitol building's
landscape, and more.
Nobody could get
Frederick Law Olmsted
to sit still. He was filled
with energy,
adventure, and dreams
of changing the world.
As a boy, he found
refuge in the peace
and calm of nature,
and later as an adult,

he dreamed of designing and creating access to parks for a growing and changing America. When New York City held a contest for the best park design for what would become Central Park, Olmsted won and became the father of landscape architecture. He went on to design parks across America, including Yosemite National Park and even the grounds for the United States Capitol. This scenic biography is lavishly illustrated by Becca Stadtlander, and National Book Award finalist Elizabeth Partridge brings her renowned lyricism and meticulous research to the visionary who brought parks to the people.

Convinced the contest is a scam, she rushes to Wave's End to stop Connie from trading her steady job for an uncertain future. When a hurricane ravages the coast, Faith is torn between supporting the shore rescue and bailing out her beleaguered boss. But the storm dredges up deceptions and

emotional debris that threaten to destroy the inn's future and her fragile bonds with her mother. As the women struggle to salvage both the inn and their relationship, Faith begins to see herself and Connie in a new light--and to realize that some moments are better left to chance.

When her favorite brother Kyle vanishes, along with a fortune in stolen amber, Honor's questions are ignored by the Donovan males. Defying them, she heads to the San Juan Islands of the Pacific Northwest in search of answers. Honor needs a guide because she knows nothing about running a boat -- and she knows nothing about Jake Mallory until he answers her ad. One of the things she doesn't know is that Jake is much more than a fishing guide. Until Kyle disappeared, Jake

was brokering amber deals in the Baltic for Donovan International. Honor is completely unaware of the old wars, new politics, greed, and stolen amber that have lured ruthless, high-stakes players from around the globe. Jake wants no part of the intrigue, or of a Donovan woman in his life, but he suspects the Donovans have set him up to take the fall for Kyle's treachery. The way Jake sees it, some Donovan is going to pay for his troubles, and it just may turn out to be Honor. Jake and Honor cast off on a journey moldering with distrust, betrayal, vengeance... and temptation. A hunger grows between them that is as dangerous as the secrets they keep. Alone at sea, they

NATIONAL BESTSELLER

• In April 1992 a young man from a well-to-do family hitchhiked to Alaska and walked alone into the wilderness north of Mt. McKinley. Four months later, his decomposed body was found by a moose hunter. This is the unforgettable story of how Christopher Johnson McCandless came to die. "It may be nonfiction, but *Into the Wild* is a mystery of the highest order."

—Entertainment Weekly McCandless had given \$25,000 in savings to charity, abandoned his car and most of his possessions, burned all the cash in his wallet, and invented a new life for himself. Not long after, he was dead.

Into the Wild is the mesmerizing, heartbreaking tale of an enigmatic young man who goes missing in the wild and whose story captured the world's attention. Immediately after graduating from college in 1991, McCandless had roamed through the West and Southwest on a vision quest like those made by his heroes Jack London and John Muir. In the Mojave Desert he abandoned his car, stripped it of its license plates, and burned all of his cash. He would give himself a new name, Alexander Supertramp, and, unencumbered by money and belongings, he would be free to wallow in the raw, unfiltered experiences that nature presented.

Craving a blank spot on the map, McCandless simply threw the maps away. Leaving behind his desperate parents and sister, he vanished into the wild. Jon Krakauer constructs a clarifying prism through which he reassembles the disquieting facts of McCandless's short life. Admitting an interest that borders on obsession, he searches for the clues to the drives and desires that propelled McCandless. When McCandless's innocent mistakes turn out to be irreversible and fatal, he becomes the stuff of tabloid headlines and is dismissed for his naiveté, pretensions, and hubris. He is said to have had a death wish but wanting to die is a very different thing from being compelled

to look over the edge. Krakauer brings McCandless's uncompromising pilgrimage out of the shadows, and the peril, adversity, and renunciation sought by this enigmatic young man are illuminated with a rare understanding—and not an ounce of sentimentality. Into the Wild is a tour de force. The power and luminosity of Jon Krakauer's stoytelling blaze through every page.
