[Simple Calligraphy Techniques to Bring Your Words to Life](#) Skyhorse

Learn the art of hand lettering with this comprehensive how-to book, full of beauty, knowledge, and inspiration! Pretty Simple Lettering is the perfect book for any hand letterer, whether you're new to the art or an experienced designer looking to expand your skill. In the book, you will learn the basics of creating alphabets in many different styles, how to develop those styles into one that is uniquely your own, and how to turn your lettering into beautiful pieces of art. Learning the basics of hand lettering can be pretty simple! Whitney breaks down 10 individual alphabets in various lettering styles, including upper and lower case, showing you how to form each letter, turn those letters into

words, and turn those words into works of art! Discover the tools, techniques, and tricks of the trade from a seasoned lettering artist who has been in the business since 2014. In the final sections of this book, learn how Whitney approaches every design as she leads you through a step-by-step tutorial outlining her process of composition. The last section of the book is filled with project pages for you to create your own works of art to hang on your wall or gift to a friend! Every project is surrounded by gorgeous floral designs, adding a special touch of whimsy to your final creation!

*Calligraphy 101* Weldon Owen

The book demonstrates the uses of traditional and cutting edge lettering tools, from classic calligraphy pens to bling-producing metallic foils and glue pens. It introduces a wide array of lettering styles with complete alphabets sample artworks that show an application. Fully stepped-out illustrations break down each letterform, taking the reader through each stroke and a large collection of gallery images provides further inspiration for how to use creative lettering in artwork. Calligraphy, the art of elegant, beautiful lettering, has increased in popularity over the last several years. From brides who want to address their wedding invitations to do-it-yourselfers who want to prepare certificates or make a family tree, and even for art journalers and scrapbookers who like creative text in their works, calligraphy books and classes are hot. This new-in-paperback book will spark the interest of the calligraphy novice by introducing a new approach to lettering, one that combines a lively combination of traditional lettering styles, fun and scripty modern styles, and artsy street-style lettering, along with project ideas that incorporate creative lettering.

A perfect gift for anyone who wants to learn the "write" way to craft calligraphy. Calligraphy is about creating something uniquely beautiful, whether to celebrate a special occasion like marriage or to use every day in the form of stationery. Author Molly Suber Thorpe, an award-winning wedding invitation designer and calligrapher based in Los Angeles, works closely with her international clients to give them the distinctive products they're looking for. In Modern Calligraphy, you can learn from this experienced expert how to master this fresh modern lettering style. The first book to teach this bold new style breaks the calligraphy process down into simple steps so anyone can learn to create

their own stunning wedding invitations, thank you cards, gift tags, and more. Starting with an overview of the supplies—from paper to ink to pens—you will learn how to form letters, words, and then phrases by following Molly's clear step-by-step instructions, and by practicing with the provided templates. After mastering letter forms using a pointed pen and ink you can take it to the next level by learning how to use watercolor and gouache, or how to digitize your calligraphy. The twenty projects in the book provide lots of inspiration for making your own and are grouped into three sections: weddings, entertainment, and personal stationery. With loads of ideas, practice exercises, and helpful tips, soon you will be turning out gorgeous script calligraphy pieces like the ones featured in wedding magazines and popular websites like Pinterest.
