Miss Marple Harper Collins

A stunning omnibus that gathers together every short story featuring one of Agatha Christie's most

famous creations, Miss Marple. Described by her friend Dolly Bantry as the typical old maid of fiction, Miss Marple has lived almost her entire life in the sleepy hamlet of St. Mary Mead. Yet, by observing village life she has gained an unparalleled insight into human nature and used this incredible ability to ferret our murderers and solve crimes. As her friend Sir Henry Clithering, the ex-Commissioner of Scotland Yard has been heard to say, She's just the finest detective God ever made.

Herman Melville

(1819-91) brought as much genius to the smaller-scale literary forms as he did to the full-blown novel: his poems and the short stories and novellas collected in this volume reveal a deftness and a delicacy of touch that is in some ways even more impressive than the massive, tectonic passions of Moby-Dick. In a story like "Bartleby, the Scrivener" -- one of the very few perfect representatives of the form in the English language -- he displayed an unflinching precision and insight and empathy in his depiction of the drastically alienated inner life of the title character. In "Benito Cereno," he addressed the great racial dilemmas of the nineteenth century with a profound, almost surreal imaginative clarity. And in Billy, Budd, Sailor, the

masterpiece of his last years, he fused the knowledge and craft gained from a lifetime's magnificent work into a pure, stark, flawlessly composed tale of innocence betrayed and destroyed. Melville is justly honored for the epic sweep of his mind, but his lyricism, his skill in rendering the minute, the particular, the local, was equally sublime.

Agatha Christie's Poirot
Hercule Poirot: The Complete Short Stories
Hercule Poirot made his first public appearance in 1920 at the age, one guesses, of about 60. He finally breathed his metaphorical last in 1975 at the age of maybe 75 or 80. And in that short span of time - either 55 years or about 20, depending on how you count it - Poirot became one of England's most profitable and ubiquitous export commodities. But it's very clear that his creator, Agatha Christie, did not at first intend for it to go that way. She made a very definite attempt to end the Hercule Poirot saga in the mid-1920s, when his story consisted simply of three novels and 25 short stories. It is that first Hercule Poirot bibliography, the one Christie clearly intended

to leave for posterity when she typed up the last few words of "The Crag in the Dolomites" sometime in 1924, that is presented in this collection.

The Chocolate Box
William Morrow
Late one night, the residents of Styles wake to find Emily Inglethorp dying of what proves to be strychnine poisoning. Hastings, a houseguest, enlists the help of his friend Hercule Poirot, who is staying in the nearby village, Styles St Mary. Poirot pieces together events surrounding the murder. On the day she was killed, Mrs Inglethorp was overheard arguing with someone, most likely either her husband, Alfred, or her stepson, John. Afterwards, she seemed quite distressed and, apparently, made a new will - which no one

can find. She ate little at dinner and retired early to her room with her document case. The case was later forced open by someone and a document removed. Alfred Inglethorp left Styles earlier in the evening and stayed overnight in the nearby village, so was not present when the poisoning occurred. No one knows exactly when or how the strychnine was administered to Mrs Inglethorp... Get Your Copy Now.

Here is a sparkling collection of mystery gems, polished puzzlers from the pen of Agatha Christie starring the vain, eccentric and utterly brilliant Hercule Poirot. Hercule Poirot grapples with a chain of mysteries that challenge his ingenuity and display the author's wide-ranging imagination to fine effect. Herein the detective deals with the theft of a gem said to have been the eye of a mysterious idol, a million dollars in bonds that disappear from a locked case, jewel thieves who have conceived of a seemingly impossible theft, and even the kidnapping of the Prime Minister of England. Poirot uses deduction, deception

and isn't above creating illusions to reveal a killer, but his foes are often both more unusual and more dangerous than simple murderers. He finds himself battling spies, masters of disguise and even trying to thwart a supposed Egyptian curse. Upon the initial appearance of Poirot Investigates in 1924 reviewers were impressed by the author's ability to create a complete, thoroughly conceived mystery with a surprising but logical solution inside a tight package of perhaps four thousand words. For the next fifty years, writing at any length that took her fancy, Christie would continue to produce some of the finest mysteries ever written. With an eye-catching new cover, and professionally typeset manuscript, this edition of Poirot Investigates is both modern and readable.

The Collected Short Stories Everyman's Library

With "a touch of genius," this round-robin mystery follow-up to *The Floating Admiral* features famous detectives including Lord Peter Wimsey (*The Times Literary Supplement*). Following the success of *The Floating Admiral*, in which certain members of

the Detection Club—including Agatha Christie, Dorothy L. Sayers, and G. K. Chesterton—collaborated on a whodunit, six writers pooled their talents to create another coauthored mystery. This time the premise had an added twist: authors would swap their detective characters, allowing for some extremely entertaining parodies of one another's sleuths. When a ruthless British newspaper tycoon is shot dead in his home, the high-level suspects include the assistant commissioner of Scotland Yard, casting doubt on the impartiality of a formal police investigation. As a solution, the home secretary brings in four brilliant detectives to solve the murder: Mrs. Bradley, Sir John Saumarez, Lord Peter Wimsey, and Roger Sheringham. Featuring a preface by inaugural Detection Club member Agatha Christie, this playful tour de force gathers together half a dozen Golden Age Mystery masters: John Rhode, Helen Simpson, Gladys Mitchell, Anthony Berkeley, Dorothy L. Sayers, and Milward Kennedy.

The Complete Short

Stories with Hercule Poirot - Vol 4 HarperCollins UK

At last, a single volume that gathers together all of the short stories featuring Agatha Christie's most famous creation, Hercule Poirot. The dapper, mustache-twirling little Belgian with the egg-shaped head and curious mannerisms has solved some of the most puzzling crimes of the century—and, in his own humble opinion, is "probably the greatest detective in the world." In this complete collection of more than 50 stories, ranging from short tales to novellas, Poirot faces violent murders, poisonings, kidnappings, and thefts—all solved with his characteristic panache. Only Agatha Christie could have devised cases worthy of Hercule Poirot's skill and "little gray cells."
