The Golem's Eye Spectra

Contains the following complete novels: - Cobweb Bride (Book One) - Cobweb Empire (Book Two) - Cobweb Forest (Book Three) Praise for Cobweb Bride ". . . Nazarian writes clean and true prose . . ." —Publishers Weekly "Set in an alternate Renaissance Europe, this series opener by Russian-born Nazarian combines the stylistic manner of a folktale with the trappings of an epic fantasy, one driven by compassion rather than heroics. . . . Fans of period fantasy and those who like stories that feel like fairy tales should appreciate this skillful novel by the twice Nebula Award-nominated author of *Dreams of the Compass Rose* and *The Duke in His Castle*." —Library Journal "I really enjoyed the rich, complex and highly unusual storytelling in the Cobweb Bride. Nazarian does an excellent job of painting the Renaissance world of her alternate reality and bringing in interesting twists of fantasy to the story. . . . Everything about this story that was fresh and new. I loved the premise it was built on and I loved the story itself. The characters are rich, multi-dimensional, and so easy to get to know and identify with. I am really looking forward to reading the next book in the trilogy when it comes out and in finding out more about what happens to the characters that still have a mission to carry out and how the story eventually resolves by the end of the trilogy. I recommend this book to readers of YA, lovers of fantasy, alternate-history, and alternate-reality. It was a terrific read." —Tracy M. Riva, Midwest Book Review "Cobweb Bride is astonishing and captivating; a lush fantasy of imagery and magical realism. The visuals are illustrated by the author's lyrical and metaphoric writing. Every chapter and scene revels in this mortal coil, surrounded by an expansive collage of characters immersed in a plot as rich and decadent as a Verdi opera. . . . The vibrancy of Ms. Nazarian's writing is sheer kaleidoscopic visualization. The folkloric-fable twists and turns recount shavings from the mythos of Hades and Persephone without boring you with a full-blown serving of predictability. The romance is as subtle as it is grim, with glimmers of hope taking us further to our doom—perhaps. . . . The overall tone is introspective, hauntingly quiet with elements of horror-fantasy that are as provocative as the works of Tanith Lee and Storm Constantine." —Patrice, Romantic Historical Reviews, a 5-Star Top Pick Many are called... She alone can save the world and become Death's bride. COBWEB BRIDE is a history-flavored fantasy novel with romantic elements of the Persephone myth, about Death's ultimatum to the world.

Imagine a world without color, illuminated by a gray sun....

Imagine a sudden brilliant flash -- an artificial orb ignites, filled with peculiar impossible light. . . . The nature of this light bears no description. It lingers in dreams, inciting an unrequited love for a goddess. A corrupt city is shaped like a perfect wheel, and is ruled by a sister and brother, Regent and Regentrix, by perverse desires, and by a secret. . . . A loyal warrior woman swears to serve a mysterious lord. At the same time, an epic invasion is precipitated by a being of utter darkness, who is the one absolute source of black in a monochrome silver world. And amid all this, flickers an ancient memory of a phenomenon called Rainbow and of those who had once filled the world with an impossible thing called color. . . . *Lords of Rainbow*.

son, who finds his destiny linked to the fate of all of humanity. For something is systematically dismantling the nine planets of the solar system. Something beyond human comprehension. Something that has no use for biological life in any form... Hachette UK

Colonel Ridge Zirkander isn't the model of military professionalism—he has a tendency to say exactly what's on his mind, and his record has enough demerits to wallpaper the hull of an airship—but as the best fighter pilot in the Iskandian army, he's used to a little leniency from his superiors. Until he punches the wrong diplomat in the nose and finds himself issued new orders: take command of a remote prison mine in the inhospitable Ice Blades Mountains. Ridge has never been in charge of anything larger than a flier squadron—what's he supposed to do with a frozen fortress full of murderers and rapists? Not to mention the strange woman who shows up right before he arrives... Sardelle Terushan wakes from three hundred years in a mage stasis shelter, only to realize that she is the last of the Referatu, the sorcerers who once helped protect Iskandia from conquerors. Their subterranean mountain community was blown up in a treacherous sneak attack by soldiers who feared their power. Everyone Sardelle ever knew is dead, and the sentient soulblade she has been bonded to since her youth is buried in the core of the mountain. Further, what remains of her home has been infested by bloodthirsty miners commanded by the descendants of the very soldiers who destroyed her people. Sardelle needs help to reach her soulblade—her only link to her past and her last friend in the world. Her only hope is to pretend she's one of the prisoners while trying to gain the commander's trust. But lying isn't her specialty, especially when the world has changed so much in the intervening centuries, and if Colonel Zirkander figures out who she truly is, he'll be duty-bound to sentence her to the only acceptable punishment for sorcerers: death.

COBWEB BRIDE (Cobweb Bride Trilogy, Book One) is a history-flavored fantasy novel with romantic elements of the Persephone myth, about Death's ultimatum to the world. Until she is found, in a single time-stopping moment all dying stops. There is no relief for the mortally wounded and the terminally ill.... Covered in white cobwebs of a thousand snow spiders she lies in the darkness... Her skin is cold as snow... Her eyes frozen... Her gaze, fiercely alive... While kings and emperors send expeditions to search for a suitable Bride for Death, armies of the undead wage an endless war... A black knight roams the forest at the command of his undead father... Spies and political treacheries abound at the imperial Silver Court... Murdered lovers find themselves locked in the realm of the living... Look closer--through the cobweb filaments of her hair and along each strand shine stars... As a result, Percy joins the crowds of other young women of the land in a desperate quest to Death's own mysterious holding in the deepest forests of the North... And everyone is trying to stop her.
