This workbook/study guide pertains to the latest changes to the civics portion of the U.S. citizenship exam. Potential citizens are required to know 128 answers, whereas before it was only 100. This

change starts December 1st, 2020.

Texas Test Review for the Texas Examinations of Educator Standards

Letts and Lonsdale

In the mid 1700s, around the age of eleven,

Olaudah Equiano and his sister were kidnapped from their village in

equatorial Africa and sold to slavers. Within a year he was aboard a

European slave ship on his way to the Caribbean.

The Interesting Narrative of the Life of Olaudah Equiano, or Gustavus

Vassa, the African was published by the author in 1789 and is part adventure story, part treatise on the corrupting power of slavery, and part tract about the transformative powers of Christianity. Equiano's story takes him from Africa to the Americas, back across the Atlantic to England, into the Mediterranean, and even north to the ice packs, on a mission to discover the North-East passage. He fights the French in the Seven Year's War, is a mate and merchant in the

West Indies, and eventually becomes a freedman based in London. The Interesting Narrative of the Life of Olaudah Equiano was one of the first popular slave narratives and was reprinted eight times in the author's lifetime. While modern scholars value this account as an important source on the life of the eighteenth-century slave and the transition from slavery to freedom, it remains an important literary work in its own right. As a valuable part of the

African and African-American canons, it is still frequently taught in both English and History university courses. This book is part of the Standard Ebooks project, which produces free public domain ebooks.
