TREVINO HAMMOND

God the Father Almighty

Wm. B. Eerdmans

Publishing

A respected author offers this detailed, well-documented exploration of the person of Christ that is accessible for laypersons and stimulating for academics. Top-notch reading.

[Readings in Christian](#)

[theology](#) Kregel Academic

Regarded as the leading text in Christian theology for the last 25 years, Alister E. McGrath's *The Christian Theology Reader* is now available in a new 5th edition featuring completely revised and updated content. Brings together more than 350 readings from over 200 sources that chart 2,000 years of Christian history. Situates each reading within the appropriate historical and theological context with its own introduction, commentary, and study questions. Includes new readings on world Christianity and feminist, liberation, and postcolonial theologies, as well as more selections by female theologians and theologians from the developing world. Contains

additional pedagogical features, such as new discussion questions and case studies, and a robust website with new videos by the author to aid student learning. Designed to function as a stand-alone volume, or as a companion to *Christian Theology: An Introduction*, 6th edition, for a complete overview of the subject. [The Gospel According to Isaiah 53](#) Baker Academic. Seeks to bring the original dictionary up-to-date by supplementing it with pertinent ideas and biographies from the past fifteen years, with an emphasis on the historical figures and movements of the first nineteen centuries of Christianity. *Anyone Can Be Saved* Baker Publishing Group (MI)

Most historical theology texts follow Christian beliefs chronologically, discussing notable doctrinal developments for all areas of theology according to their historical appearance. And while this may be good history, it can make for confusing theology, with the classic theological loci scattered throughout various time periods, movements, and controversies. In *Historical Theology*, Gregg Allison offers students the

opportunity to study the historical development of theology according to a topical-chronological arrangement, setting out the history of Christian doctrine one theological element at a time. Such an approach allows readers to concentrate on one tenet of Christianity and its formulation in the early church, through the Middle Ages, Reformation, and post-Reformation era, and into the modern period. The text includes a generous mix of primary source material as well, citing the words of Cyprian, Augustine, Aquinas, Luther, Calvin, Barth, and others. Allison references the most accessible editions of these notable theologians' work so that readers can continue their study of historical theology through Christian history's most important contributors. *Historical Theology* is a superb resource for those familiar with Wayne Grudem's *Systematic Theology* or interested in understanding the development of Christian theology.

Christian Theology

Zondervan Academic

A 2002 Christianity Today Book of the Year!

Postmodernism. The term slowly filtered into our

vocabularies about three decades ago and now permeates most discussions of the humanities. Those who tout the promises and perils of this twentieth-century intellectual movement have filled many a bookshelf. And in a previous book, *Postmodernizing the Faith: Evangelical Responses to the Challenge of Postmodernism*, Millard J. Erickson provided his own summary of several evangelical responses-- both positive and negative--to the movement. Now in this book Erickson offers his own promised in-depth analysis and constructive response. What are the intellectual roots of postmodernism? Who are its most prominent exponents? What can we learn from their critique of modernism? Where do their assumptions and analyses fail us? Where do we go from here? What might a post-postmodernism look like? Erickson addresses these issues with characteristic discernment, clarity and evenhandedness, neither dismissing the insights of postmodern thought nor succumbing uncritically to its allure. An important book for all who are

concerned with commending Christian truth to the culture within which we live. *Kregel Academic*
 What can the early church contribute to theology today? Donald Fairbairn takes us back to the biblical roots and central convictions of the early church, showing us what we have tended to overlook, especially in our understanding of God as Trinity, the person of Christ and the nature of our salvation as sharing in the Son's relationship to the Father.

Introducing Christian Doctrine John Wiley & Sons

A new edition of leading theologian Millard Erickson's classic text.

The Concise Dictionary of Christian Theology (Revised Edition)

Crossway

In both subtle and distinct ways, postmodernism has permeated American life, becoming a part of our schools, our TV shows, our churches, our conversations, and even our own thinking. How often have we said or heard, "Do what you want, but don't push your values on me," or "You live your life, and I'll live mine"? Its sheer pervasiveness demands that we ask: Is there

anything wrong with postmodernism, or with the tolerance, pluralism, individualism, and casualness that it promotes? With compelling illustrations from current events and everyday life, as well as his customary sound analysis, Millard Erickson equips discerning evangelical Christians not only to understand and recognize the phenomenon of postmodernism but to deal with its effects in a relevant, biblically minded way. As he unearths its evolution, he forcefully reveals postmodernism's inherent problems and its incoherence with the teachings of God's Word. He also unveils the greatest areas of concern for Christians and gives people the tools they need to respond more wisely, believe more certainly, and discern more soundly in this confusing age.

The Postmodern World

Baker Academic

Millard Erickson identifies practitioners of a new theological movement in evangelicalism that he contends have adopted a postconservative position and have drifted from the fundamental affirmations of conservative evangelicalism.

The Word Became

Flesh Baker Academic
Theology is for everyone. Everyone is a theologian of sorts. Theology simply means thinking about God and expressing those thoughts in some way. But sloppy theology is a problem. As Christians, our thoughts about God need to coincide with what He has said about Himself in the Bible. With his clear understanding of the Scriptures and unpretentious writing style, Charles Ryrie has written Basic Theology for every student of God's Word, from the devotional student to the seminary student. Ryrie's name has become synonymous with dispensational theology and his texts on the subject invaluable to the Bible scholar. Now Ryrie's Basic Theology is available to you from Moody Press, the company that brings you the Ryrie Study Bible. Featuring charts, definitions, and Scripture and subject indices, Basic Theology will give you a clear and comprehensive picture of Ryrie's approach to systematic theology. Its 94 chapters are arranged in outline style for easy reference. Considerable emphasis is given to explaining the dispensational view of the

end times.

Christian Theology

Baker Books
'For those wrestling with the task of how to communicate God's truth to a self-centered, sound-bite generation that has lost confidence in the very notion of truth, this may be just the book to turn to. The authors have done an excellent job of understanding the challenge and offering usable instruction on how to meet it. This book is recommended reading for preachers of the Bible as we launch out into a new millennium.'-Duane Litfin
Paul and Scripture
Baker Academic
A new edition of leading theologian Millard Erickson's classic text. How Shall They be Saved?
Zondervan Academic
Leading evangelical scholar Millard Erickson offers a new edition of his bestselling textbook, now substantially updated and revised throughout. This edition takes into account feedback from professors and students and reflects current theological conversations, with added material on the atonement, justification, and divine foreknowledge. Erickson's comprehensive introduction is biblical, contemporary, moderate, and fair to various

positions, and it applies doctrine to Christian life and ministry.

A Basic Guide to Eschatology

Baker Publishing Group (MI)

A biblical, clear, cogent, accessible,

comprehensive, and practical summary of

Christian belief by one of the most important and

original American theologians of the last

hundred years.

Religious Life of

Theological Students

In God the Father

Almighty Erickson

develops a sturdy

exposition of the doctrine

of God. He interacts with

criticism brought against

the traditional view of God

and offers a fresh analysis

of the attributes of God in

light of Scripture and the

contemporary scene. God

the Father Almighty is a

companion volume to

Erickson's other

theological monographs

(God in Three Persons and

The Word Became Flesh).

Lectures in Systematic

Theology Baker Academic

Written by eleven biblical

scholars, this study

explores the theology of

the suffering servant in

Isaiah 53 and answers a

number of important

questions: What is a

Christian interpretation of

Isaiah 53? What is a

Jewish interpretation of Isaiah 53? How did the New Testament writers understand Isaiah 53? How should forgiveness and salvation be understood in Isaiah 53? How can Isaiah 53 be used in Jewish evangelism? How do we preach Isaiah 53?

Life in the Trinity

Zondervan Academic
Does God know the future? Or is the future unknowable to even God? Open theists believe the search for biblical answers will spark a new Revolution. Are they right? Arguing that God interacts with his creatures spontaneously, the controversial new movement known as "open theism" has called classic church theology up for reexamination. Confronting this view, classic theists maintain that God has complete foreknowledge and that open-theist arguments are unorthodox. Each view has implications for our vision of the future and of God's dealings with humanity.

The Living God Baker Publishing Group
Part 1 delineates the array of positions - including liberal, Catholic, and Protestant stances - taken on the destiny of the unevangelized. In part

2 the author probes the critical issues, including the role of general revelation, the possibility of salvation after death, the requirements of salvation, the number of the redeemed, and the problem of annihilationism. In the final part, Erickson tackles two practical areas: (1) the fate of those who die in infancy and others who do not reach the age of accountability and (2) how the subject of the destiny of the unevangelized affects evangelism and missions.

Practical Christian Theology Crossway
Anyone Can Be Saved articulates a biblical-theological explanation of the doctrine of salvation in light of the rise of Calvinistic theology among Southern Baptist churches in the United States. Ten scholars, pastors, and leaders advocate for the ten articles of the Traditional Statement by appealing to Scripture, the Baptist Faith and Message, and a variety of biblical, theological, and philosophical writings. Although many books address the doctrine of salvation, these authors consciously set aside the Calvinist-Arminian presuppositions that have

framed this discussion in western theology for centuries. The contributors are unified in their conviction that any person who hears the gospel can be saved, a view that was found among earlier Baptists as well as other Christian groups today. This book is not meant to be the final word on Southern Baptist soteriology, but is offered as a peaceable contribution to the wider conversation on the doctrine of salvation. What Does God Know and When Does He Know It? Wipf and Stock Publishers
From baby busters to the Willow Creek model to deconstructionism, Where Is Theology Going? tours current events with an eye toward the horizon. Theologian Millard J. Erickson anticipates challenges that will either make or break the Christian community, depending on whether those in leadership step in now to shape developments or wait and overreact later. He writes about discerning dangers and maximizing opportunities in the areas of: influences in popular culture and postmodern thought that will change how the church grows, worships, evangelizes, and leads; trends in

approaches to the historic Christian doctrines of Scripture, God, humanity, sin, Christ, and salvation; philosophy, the sciences, and other disciplines. and breezes blowing in
