“Sleeplessness gets
the Susan Sontag
illness-as-metaphor
treatment in this
pensive, compact,
lyrical inquiry into the
author’s nighttime

demons.” —Kirkus
Reviews In 2016,
Samantha Harvey
began to lose sleep.
She tried everything to
appease her
wakefulness: from
medication to therapy,
changes in her diet to
changes in her living
arrangements. Nothing
seemed to help. The
Shapeless Unease is
Harvey’s darkly funny

and deeply intelligent anatomy of her insomnia, an immersive interior monologue of a year without one of the most basic human needs. Original and profound, and narrated with a lucid breathlessness, this is a startlingly insightful exploration of memory, writing and influence, death and the will to survive, from “this generation’s Virginia Woolf” (Telegraph). “Captures the essence of fractious emotions—anxiety, fear, grief, rage—in prose so elegant, so luminous, it practically shines from the page. Harvey is a hugely talented writer, and this is a book to relish.” —Sarah Waters, New York Times–bestselling author “Harvey writes with hypnotic power

and poetic precision about—well, about everything: grief, pain, memory, family, the night sky, a lake at sunset, what it means to dream and what it means to suffer and survive . . . The big surprise is that this book about ‘shapeless unease’ is, in the end, a glittering, playful and, yes, joyful celebration of that glorious gift of glorious life.” —Daily Mail “What a spectacularly good book. It is so controlled and yet so wild . . . easily one of the truest and best books I’ve read about what it’s like to be alive now, in this country.” —Max Porter, award-winning author of Lanny

Nature's Lessons in

Healing Trauma... Waking the Tiger offers a new and hopeful vision of trauma. It views the human animal as a unique being, endowed with an instinctual capacity. It asks and answers an intriguing question: why are animals in the wild, though threatened routinely, rarely traumatized? By understanding the dynamics that make wild animals virtually immune to traumatic symptoms, the mystery of human trauma is revealed. Waking the Tiger normalizes the symptoms of trauma and the steps needed to heal them. People are often traumatized by seemingly ordinary experiences. The reader is taken on a guided tour of the subtle, yet powerful

impulses that govern our responses to overwhelming life events. To do this, it employs a series of exercises that help us focus on bodily sensations. Through heightened awareness of these sensations trauma can be healed.

The Shapeless Unease Penguin

He was once a captive, but his urges were never caged. Now he'll release them on a beautiful stranger whose own secret desires are longing to be sated... He doesn't have a name. He doesn't have a clan. The humans who held him prisoner for forty years have taken them away. He knew nothing but captivity until nearly a year ago, when he was released into the light. Now Tiger lives in the Austin

Shifertown, where he struggles to belong and searches for an identity. Carly Randal thinks her fabulous life is complete—until her car breaks down on the side of the road, and a wild-looking Shifter is the only one to help her. Tiger takes one look at Carly and knows instantly—she will be his mate. As Carly is drawn into his Shifter world, she risks everything she has for that forbidden something she still wants: passionate love. *The Rise of a Hungry Nation* Penguin Tiptoe through the jungle with monkey, but don't wake the tiger! Each page introduces readers to new animals and their sounds - and venetian paper technology makes the pages move and brings every scene

to life.

Nauti Boy Penguin
 Tiger is fast asleep, but oh dear! She's lying completely in the way. Just how will the animals get past without waking her up? Luckily, Frog has an excellent idea and, holding his balloon, he floats right over sleeping Tiger! Fox is next, followed by Tortoise, Mouse and

Stork, but it will be tricky for them all to get past without Tiger noticing! It's a good job that the reader is there to help keep Tiger asleep, isn't it? But where exactly are they going with all those big shiny balloons? Do you think it might be someone's birthday? Can you guess who? The Living Sea of Waking Dreams Berkley Selina Bruce has impulsively left behind her lawyer fiancé in London and flown alone to a tiny island off the Spanish coast. She is searching for the father she has never known, but what she finds is an unexpected truth about herself and the man she plans to marry. For exotic San Antonio offers Selina more than the penetrating brilliance

of the noonday sun. It offers the mysterious George Dyer, who holds the key not only to her past . . . but to her heart. A Novel of the Black Dagger Brotherhood Houghton Mifflin Harcourt Hungry Little Mouse is looking for some breakfast, and he knows just where he can find it. Scampering into the kitchen next door, he finds a lot of delicious things. But just as he finds something truly perfect, Little Mouse discovers ... that he's not the only one looking for breakfast! *Bengal's Quest* Berkley Traces the crisis period leading up to America's entry in World War II, describing the nation's polarized interventionist and isolation factions as

represented by the government, in the press and on the streets, in an account that explores the forefront roles of British-supporter President Roosevelt and isolationist Charles Lindbergh. (This book was previously featured in Forecast.)

The White Tiger

HarperCollins UK

This story explains the actions of two teenage boys, who are confronted by the fight or flight options when their lives are turned upside down by circumstances beyond their control. Andy McLean, the Scot, chooses the 'FIGHT' option. Bullied by his alcoholic father throughout his sixteen years, he comes home one night to his mother being terrorized by her drunken husband. In a fit of uncontrollable

rage, Andy attacks his father and accidentally kills him. His self-preservation instinct kicks in and urges him to revert to flight to escape a long prison sentence. Tommy Nelson chooses 'FLIGHT' when, at fifteen years old, his parents are killed in a car crash. The authorities could not find foster parents for him so they were going to send him to an Orphanage for his own safety. Tommy decided to take his chances elsewhere and "did a runner" to become a street kid. He did odd jobs when available or, alternatively, joined a street gang of kids who were also runaways. They did what it took to survive. Andy and Tommy meet by a strange coincidence. They both decided to

kip for the night in the same disused warehouse on the Dockyards at Southampton, to shelter from the icy winter weather. After an initial altercation they formed a strange bond which was to last a lifetime: both afraid, but stronger together. Instinctively trusting one another in a new bond of friendship, they decided to try to make a new life for themselves by stowing away on a ship bound for Australia. Both boys, frightened and pretending to be hard men, looked forward to their sea escape, hoping that Andy's Uncle Jack, an Australian resident, would sponsor them. He may even be able to advise them and help them find trades; Tommy as a Chef and

Andy as a Marine Engineer. On their journey, maritime pirates attack their ship and the boys are instrumental in foiling their murderous plans. The Captain promises to reward them and writes them a glowing character reference. When they finally arrive in Australia, Andy continues his boxing career and, with his trainer, travels to the 'outback' town of Coober Pedy where the world's best opals are

mined. He has agreed to fight the local Aboriginal boxer to raise funds for the Royal Flying Doctor Service. One experience after another makes Andy realize he is extremely lucky to have been given a second chance to make a new life for himself. Both boys work hard to prove themselves in their chosen career. Read what happens to the boys in Australia where they have to fight more battles to survive.
