Cinder Feiwel & Friends

In New York Times bestselling author Marissa Meyer's young adult contemporary romance, a girl is suddenly gifted with the ability to cast instant karma on those around her – both good and bad. Chronic overachiever Prudence Barnett is always quick to cast judgment on the lazy, rude, and arrogant residents of her coastal town. Her dreams of karmic justice are fulfilled when, after a night out with her friends, she wakes up with the sudden ability to cast instant karma on those around her. Pru giddily makes use of the power, punishing everyone from public vandals to mean gossips, but there is one person on whom her powers consistently backfire: Quint Erickson, her slacker of a lab partner. Quint is annoyingly cute and impressively noble, especially when it comes to his work with the rescue center for local sea animals. When Pru resigns herself to working at the rescue center for extra credit, she begins to uncover truths about baby otters, environmental upheaval, and romantic crossed signals—not necessarily in that order. Her newfound karmic insights reveal how thin the line is between virtue and vanity, generosity and greed . . . love and hate... and fate.

The Girl with No Soul Little, Brown Books for Young Readers
 Welcome to Nissera, land of three kingdoms and home to spectacular magic. Bristol, a sixteen-year-old kitchen maid, finds herself in a gritty fairy tale gone wrong when she discovers she has magic in her blood. She's descended from an ancient line of immortal sorcerers called elicromancers—a race that has all but died out in her world, but only two remain in Nissera after a bloody civil war. Bristol joins their ranks without knowing that one of them has a dark secret . . . Tamarice is plotting a quest to overthrow the realm's nobility and take charge herself. Together, Bristol and Brack must guard the three kingdoms of Nissera against Tamarice's black elicromancy. There are princesses to protect, royal alliances to forge, and fierce monsters to battle—all with the hope of preserving peace. With clever homages to Cinderella, Sleeping Beauty, and the Chinese legend of Hua Mulan, Hannah West makes a fast-paced, exciting, and wholly original debut. The Nissera Chronicles begin here and continue with *Fields of Fire*, a short story set against the events of *Kingdom of Ash and Briars*, and *Realm of Ruins*, a gripping companion novel. "One of the best books I've ever read."—C.J. Redwine, *New York Times* best-selling author of *The Shadow Queen* "A world both terrifying and wonderful."—Kirkus Reviews (starred review)
