Access codes Access codes that are purchased from sellers other than Pearson carry a higher risk of being either the wrong ISBN or a previously redeemed code. Check with the seller prior to purchase. -- Intended primarily for the introductory finance course-undergraduate corporate finance or financial management courses-this text also provides an enduring understanding of the basic tools and fundamental principles upon which finance is based. Get the picture and develop a fundamental understanding of finance. Readers often miss the big picture, viewing finance as a set of unrelated topics, tools, and techniques. In order to help readers see the big picture, this text provides an introduction to financial decision-making that links the concepts to five key principles of finance. Authors Arthur J. Keown, John D. Martin, and Sheridan Titman have incorporated significant revisions that weave currency, relevance, and real-world issues into the pages of this well-know finance text. Break through to improved results with MyFinanceLab® MyFinanceLab is an online homework, tutorial, and assessment program that truly engages students in learning. It helps students better prepare for class, quizzes, and exams-resulting in better performance in the course-and provides educators a dynamic set of tools for gauging individual and class progress. And, MyFinanceLab comes from Pearson, your partner in providing the best digital learning experiences. MyFinanceLab for Financial Management is a total learning package that reflects the vitality of an ever-expanding discipline. Instructors using MyFinanceLab can manage all assessment needs in one program, and easily assign auto-graded homework. Students have the flexibility to practice and self-assess while receiving feedback and tutorial aids. 0133485579 /

MyFinanceLab, an online assessment system that accompanies the Tenth Edition, enables students to identify their weak spots and receive tutorial help to master those areas. Students get more out of each assessment, and professors can assign problem sets online without needing to grade them. For more information, visit MyFinanceLab . OTIS, the Online Trading and Investment Simulator, makes the student a virtual fund manager through direct experience in a portfolio management. This online experience is further enhanced by the Tenth Edition's end-of-chapter exercises and hands-on practice opportunities. OTIS exercises have been expanded so each chapter ends with a question requiring the student to practice their investing skills. For more information, visit OTIS .
