 LAURIE J. MULLINS  
 Helps students of today become effective managers of tomorrow by truly understanding organisational behaviour. For undergraduate and graduate courses in Organisational Behaviour and Management. Taking a managerial approach and demonstrating the application of behavioural science within the workplace, this text emphasises the role of management as a core integrating activity.  
 Management and Organisational Behaviour - Laurie J ...  
 Management. Finally, the glue that holds these building blocks together is the character of management. Throughout this text, we shall see numerous examples of how the degree of managerial effectiveness and prowess have determined the success or failure of a venture. We shall take a managerial view throughout our survey of organizational behavior.  
 A Model of Organizational

Behavior and Management ...  
 The text was comprehensive, covering areas that are important when teaching organizational behavior. Some of the topic areas, such as diversity and ethics, are more comprehensive than others, but all topics are covered well enough for entry-level students. The text included a comprehensive table of contents, but no index or glossary.
