The Seeds of New Earth (the Silent Earth, Book 2) Dreams of Earth and Sky  
 This 8.5 x 11 inch 120 page journal features a dream catcher at the top of each page. It also includes space for your emotions before sleep, dream, interpretation, feeling upon waking, date, time and comments. Grab one of these for your friends, family and coworkers. An excellent gift for secret Santa, Birthdays or Christmas. Check out our other journals, notebooks, planners and more by clicking on the author's name above.  
[Tarkovsky, Bergman, Sokurov, Kubrick, and Wong Kar-wai](#) New York Review of Books  
 "This fascinating little volume explores the stuff that dreams are made of and the role the pandemic is playing in them. The dreams from Barrett's survey are riveting vignettes--from terrifying to touching to hilarious. Her decades of scientific research and clinical practice inform incisive commentary on what these dreams reveal about society's response. She offers simple exercises for managing anxieties over COVID-19 and for

inspiring adaption in this unique period of history. A great read!" - Amy Tan, author of The Joy Luck Club DREAM: I looked down at my stomach and saw dark blue stripes. I "remembered" these were the first sign of being infected with COVID-19. DREAM: My home was a Covid-19 test center. People weren't wearing masks. I'm taken aback because I wasn't asked to be a test site. I'm worried that my husband and son (who actually lives out of state) will catch it because of my job as a healthcare worker. DREAM: I was a giant antibody. I was so angry about COVID-19 that it gave me superpowers, and I rampaged around attacking all the virus I could find. I woke so energized! Since the COVID-19 pandemic swept around the world, people have reported unusually a vivid and bizarre dream lives. The virus itself is the star of many--literally or in one of its metaphoric guises. As a dream researcher at Harvard Medical School, Deirdre Barrett was immediately curious to see what our dream lives would tell us about our deepest reactions to this unprecedented disaster. Pandemic Dreams draws on her survey of over 9,000 dreams about the COVID-19 crisis. It describes how dreaming has reflected each aspect of the pandemic: fear of catching the virus, reactions to sheltering at home, work changes, homeschooling, and an individual's increased isolation or crowding. Some patterns are

quite similar to other crises Dr. Barrett has studied such as 9/11, Kuwaitis during the Iraqi Occupation, POWs in WWII Nazi prison camps, and Middle Easterners during the Arab Spring. There are some very distinctive metaphors for COVID-19, however: bug-attack dreams and ones of invisible monsters. These reflect that this crisis is less visible or concrete than others we have faced. Over the past three months, dreams have progressed from fearful depictions of the mysterious new threat . . . to impatience with restrictions . . . to more fear again as the world begins to reopen. And dreams have just begun to consider the big picture: how society may change. The book offers guidance on how we can best utilize our newly supercharged dream lives to aid us through the crisis and beyond. It explains practical exercises for dream interpretation, reduction of nightmares, and incubation of helpful, problem-solving dreams. It also examines the larger arena of what these collective dreams tell us about our instinctive, unconscious responses to the threat and how we might integrate them for more livable policies through these times. Deirdre Barrett, PhD is a dream researcher at Harvard Medical School. She has written five books including *Pandemic Dreams* and *The Committee of Sleep*, and edited four including *Trauma and Dreams*. She is Past President of The International Association for the Study of Dreams and editor of its journal, *DREAMING*.

This book is a philosophical inquiry into historical meaning and narrative understanding. Interpreting selected writings of Husserl and Merleau-Ponty, and stories of Kafka, Rilke, Sartre, and Camus, the author defends the narrative coherence of life and the irreducibility of narrative understanding and truth. The island imagery uncovered in these authors provides the parameters for a contemporary philosophy of history properly mingling earth and sky as natality and mortality, remembering and forgetting, wandering and homecoming, waking and dreaming, wealth and poverty. Johnson has pushed the life-world theme of Husserl's phenomenology out toward the wild-flowering world where it seems to have been headed.

Konstantin Tsiolkovsky was a Russian and Soviet rocket scientist and pioneer of the astronautic theory. His works later inspired leading Soviet rocket engineers and contributed to the success of the Soviet space program. Tsiolkovsky spent most of his life in a log house on the outskirts of Kaluga, about 200 km southwest of Moscow. A recluse by nature, he appeared strange and bizarre to his fellow townfolk. This volume contains both his scientific and philosophical works.

*TIME DREAMS*. They are dreams, like any other dream. They are dreams about space and Time. They seem real, but so does life. Dreams are thoughts. You've heard it before, "I think, therefore I am." (Rene' Descartes). But, the fact is - nobody even knows where thoughts come from. Most people believe they have free will. They believe they have a choice. They believe they act of their own volition. But, will is not an action. It is only a thought. You cannot will something to happen. You are only free to choose the thoughts in your head. And, no one knows where they come from. Life is a fantasy. No one knows what Life is or where it came from. No one knows what Time is. No one knows where Man came from or how long he's been on this planet. No one knows if their actions are truly theirs. No one knows where dreams come from. No one knows what reality is. *Quexistence: The Quest for*

*the Meaning of Existence: TIME DREAMS* is a philosophical fantasy of dreams, space, Time, and love. It is the story of one man's search to find the meaning of his existence. But, how can he when nothing in this world is real? Have you ever wondered where Man came from? Did Man evolve from the apes? Was Man created by God? Perhaps Man was genetically created by the "Gods". Perhaps these "Gods" created other creatures in their attempt to make Man. "TIME DREAMS" is a story that reaches back to the Time of Creation. Man, the most arrogant of species, has no idea what Life is or where it came from. He doesn't even know how he originated or how long he's been on this planet. So, is that important in finding meaning for your existence? Gork thinks it is. In his quest to find clues to the origin of Man, Gork discovers there may be something even more meaningful. Gork tells Angie the story of how he met the girl in his dreams, her grandmother, Amani. His Time Dreams begin as he travels to an archaeological site near the Calico Hills in California. During the drive across the desert, Gork has his first dream, a dream that takes him to another time, another world. In his dream he sees a girl, the girl of his dreams, Amani. He falls in love. It is True Love. It is Eternal Love. It is a love that has been since the beginning of creation. Gork travels through space and time, compelled to follow his dream. His dreams take him back to a time and place long forgotten. While in reality he discovers an underground cavern that holds the secret to Man's past. A secret buried in Time.

Each and every one of us was born to live a miraculous life. And never before has it been easier to tap into the magic and miracles life has to offer. *The Miracle That Is Your Life* will take you on a journey of exploration and discovery, offering you

simple ways for you to adjust, finally being able to experience the life you have only been able to dream of. Maybe you've been working hard, but your bank account does not reflect your efforts. Maybe you have gone through a break-up and wondering what may be next for you. Or possibly you've been taking care of so many other people and other responsibilities, that you are concerned about your health. Whatever your circumstances, this book is going to help you gain your clarity and position you to take your next steps. If there has been a feeling in your gut, a pull in your heart, and the very fact you are reading this description, allow Wendy Darling to show you the way. Not only is there something more for you to experience, you can finally get on the path of living a most special and miraculous life. Start turning those dreams and desires into reality....right now!

Films and Dreams considers the essential link between films and the world of dreams. To discuss dream theory in the context of film studies means moving from the original, clinical context within which dream theory was originally developed to an environment established by primarily aesthetic concerns. Botz-Bornstein deals with dreams as "self-sufficient" phenomena that are interesting not because of their contents but because of the "dreamtense" through which they deploy their being. A diverse selection of films are examined in this light: Tarkovsky's anti-realism exploring the domain of the improbable between symbolization, representation and alienation; Sokurov's subversive attacks on the modern image ideology; Arthur Schnitzler's shifting of the familiar to the uncanny and Kubrick's avoidance of this structural model in *Eyes Wide Shut*; and Wong Kar-Wai's dreamlike panorama of parodied capitalism.

*Eye Toward Sky* Vintage

Redeeming Dreams Jeannette Redding captured America's hearts when she won gold with the Olympic women's swim team, but no one knew the hidden past she couldn't escape. Her dream of starting over in Whisper, Colorado might derail if her past comes to light. Tanner Brock lost his passion for building when his vengeful ex-wife destroyed his company and career. He started over doing odd jobs for The Heartsong Ranch but never dreamed he'd work with his hands again. As Jeannette and Tanner discover their passion, can they find a way to make their dreams come true or will they lose out on love and a brighter future?

A modern classic, Einstein's Dreams is a fictional collage of stories dreamed by Albert Einstein in 1905, about time, relativity and physics. As the defiant but sensitive young genius is creating his theory of relativity, a new conception of time, he imagines many possible worlds. In one, time is circular, so that people are fated to repeat triumphs and failures over and over. In another, there is a place where time stands still, visited by lovers and parents clinging to their children. In another, time is a nightingale, sometimes trapped by a bell jar. Now translated into thirty languages, Einstein's Dreams has inspired playwrights, dancers, musicians, and painters all over the world. In poetic vignettes, it explores the connections between science and art, the process of creativity, and ultimately the fragility of human existence.

Each of us was given a specific assignment to achieve in this

lifetime. It was handed to us before we were born. As children, we were connected to that authentic purpose, expressing ourselves in our own unique ways. Most of us lose touch with who and what we truly wanted to be by the time we become adults. In *Victory is Vision*, Carey Conley takes you on a journey to discover who you were always meant to be. Through the activities provided you'll identify what's held you back from living your purpose and passion and how to move beyond those walls to create a vision that is bigger than any obstacle you might encounter. As co-creator of the inspired community Infinite Nation Conley has carved out a niche helping others identify their desires and define their goals through vision building. She has helped hundreds of entrepreneurs turn their visions into victories.

*Achieve Your Dreams* Orb Books

In the year 1464, the Kingdom is engulfed by civil war as the renowned houses of Lancaster and York fight to the death for the crown of England. Richard, Duke of Gloucester, the future Richard III, arrives, aged twelve, for the safety of Middleham Castle to begin his training for knighthood. His new companions discover he can change from kindness to cold rage within the wink of an eye. Men, it was said, watched him with wary eyes, for they knew when the young pup found his teeth, he would make a dangerous enemy. Far in the north, Margaret of Anjou, warrior Queen to Henry VI, prepares to fight against the advancing armies of Edward IV. Why does she abandon her husband, and flee to France vowing never to return? Who blackmails her, seven years later, to join forces with her most hated enemy, to return and fight once again for the crown of England? King Edward IV, tall, handsome, and clever, is a brilliant warrior, whose Achilles' heel is women; he loves them all. What dark forces drive him into a secret marriage that rips his kingdom apart? He is forced to fight Louis XI of France, and the mighty Earl of Warwick, not only for his crown but also his life. From the courts of Edward IV, Louis XI, and Margaret of Anjou, comes intrigue, betrayal, witchcraft, and love. The *Dreams of Kings* weaves plots and characters together to make a roller-coaster read of the period they call the WAR of the ROSES.

Awaken one...awaken them all. Insomniac Piper Laurel focuses on the simple things, the feel-good things. She likes her coffee black, her wine cheap, and her men gone by morning. But when her last living relative dies, she must confront the feel-bad things. She's the last Laurel, she's almost thirty, and she's completely alone. When she returns to her sleepy seaside hometown, her ex is still as yummy as ever, and a familiar-seeming stranger is also there to tug at her heartstrings. But a love triangle isn't the only thing waiting for her. The immortal Anik has spent centuries plotting to claim the last Laurel--and a lot of innocent souls in the bargain. To survive Anik and the Realm Wars, Piper must forget her version of reality and awaken to her destiny as a Seekin, Guardian of Souls. With two men vying for her heart and hellhounds on her heels, Piper must decide who she trusts and who she loves while embracing her destiny with her eyes wide open.
