*Revel for American Government + California Government and  
Politics Today Combo Card* Longman Publishing Group  
For courses in American Government Understand American  
politics from past to present Revel(tm) American Government:  
Roots and Reform helps students view the issues facing the  
United States today through a historical lens. By presenting  
coverage of the origins of American government in tandem with  
material on contemporary political structures and behaviors,  
authors Karen O'Connor and Larry Sabato help students see how  
what happened in the past can be used to understand what

measures should be taken in the future. The 2018 Elections and  
Updates Edition offers new narrative coverage of the major issues  
from today's headlines including the 2018 midterm elections,  
recent policy under the Trump administration, and the  
nomination of Brett Kavanaugh to the Supreme Court. Revel is  
Pearson's newest way of delivering our respected content. Fully  
digital and highly engaging, Revel replaces the textbook and  
gives students everything they need for the course. Informed by  
extensive research on how people read, think, and learn, Revel is  
an interactive learning environment that enables students to  
read, practice, and study in one continuous experience -- for less  
than the cost of a traditional textbook. NOTE: Revel is a fully  
digital delivery of Pearson content. This ISBN is for the standalone  
Revel access card. Before purchasing, check with your instructor

to confirm the correct ISBN. Revel access is title-specific and edition-specific and is not transferable. In addition to this access card, you will need a course invite link, provided by your instructor, to register for and use Revel.

#### *American Government* American Government

Understand American politics from past to present The Summer 2017 Revel(TM) Re-release of American Government: Roots and Reform includes the following changes: - NEW Current Event Bulletins draw examples from the early days of the Trump presidency to contextualize recent events in American government for students and to highlight information that is most relevant to their lives. New CEB articles include topics such as "What Is the Relationship Between Reality, Fake News, Partisanship, and a Changing Media Environment?" and "What Does It Mean to Serve at the Pleasure of the President?" - NEW photos and videos illustrate the changes that occurred within the first one hundred days of the presidency. New imagery includes Sally Q. Yates testifying before the Senate Judiciary Committee and Neil Gorsuch's confirmation hearings; new videos include "What Do Congressional Elections Tell Us about National Politics?" and "How Can the President and Congress Work Together?" and more. - UPDATED interactive figures include the latest data and analysis. For example, Figure 6.1 "How Well Does the House of Representatives Reflect the American People?" now shows numbers from the 115th Congress (instead of the 114th) and Figures 12.5 and 12.6 on campaign financing include the final dollar amounts from the 2016 election. - Examples of NEW narrative content include a chapter-opener for Chapter 12 about Donald Trump's victory in the context of the Electoral College,

analysis of 2016 voter turnout as it relates to income and education, President Trump's Executive Order banning immigrants from seven Muslim nations, his appointment of Justice Neil Gorsuch, his dismissal of ninety-four U.S. Attorneys, and his stance on treaties such as NAFTA, as well as his recent foreign policy moves. - NEW LiveSlide dynamic lecture slides include every data visualization and interactive map within your Revel course, giving you a direct path to all the Social Explorers. Revel(TM) American Government: Roots and Reform helps students view the issues facing the United States today through an historical lens. By presenting coverage of the origins of American government in tandem with material on contemporary political structures and behaviors, authors Karen O'Connor and Larry Sabato help students see how what happened in the past can be used to understand what measures should be taken in the future. In order to boost student engagement with key concepts, the 2016 Presidential Election Edition incorporates coverage of contemporary issues that dominate today's headlines, as well as the most up-to-date data. Revel(TM) is Pearson's newest way of delivering our respected content. Fully digital and highly engaging, Revel replaces the textbook and gives students everything they need for the course. Informed by extensive research on how people read, think, and learn, Revel is an interactive learning environment that enables students to read, practice, and study in one continuous experience -- for less than the cost of a traditional textbook. NOTE: This Revel Combo Access pack includes a Revel access code plus a loose-leaf print reference (delivered by mail) to complement your Revel experience. In addition to this access code, you will need a

course invite link, provided by your instructor, to register for and use Revel.

Few relationships have proved more pivotal in changing the course of American politics than those between presidents and social movements. For all their differences, both presidents and social movements are driven by a desire to recast the political system, often pursuing rival agendas that set them on a collision course. Even when their interests converge, these two actors often compete to control the timing and conditions of political change. During rare historical moments, however, presidents and social movements forged partnerships that profoundly recast American politics. *Rivalry and Reform* explores the relationship between presidents and social movements throughout history and into the present day, revealing the patterns that emerge from the epic battles and uneasy partnerships that have profoundly shaped reform. Through a series of case studies, including Abraham Lincoln and abolitionism, Lyndon Johnson and the civil rights movement, and Ronald Reagan and the religious right, Sidney M. Milkis and Daniel J. Tichenor argue persuasively that major political change usually reflects neither a top-down nor bottom-up strategy but a crucial interplay between the two. Savvy leaders, the authors show, use social movements to

support their policy goals. At the same time, the most successful social movements target the president as either a source of powerful support or the center of opposition. The book concludes with a consideration of Barack Obama's approach to contemporary social movements such as Black Lives Matter, United We Dream, and Marriage Equality.

Check with the seller prior to purchase. -- Updated in a new 2011 Alternate edition, *American Government: Roots and Reform* provides the historical context students need to understand our government and the most crucial and controversial issues affecting the nation in the 21st century. This bestselling book has been extensively revised to provide in-depth coverage of President Barack Obama's first two years in office and the 111th Congress, the 2010 congressional elections, continued concerns related to the wars in Iraq and Afghanistan, and domestic concerns related to health care reform and the economy.

*American Government* Routledge

The activist state of the New Deal started forming decades before the FDR administration, demonstrating the deep roots of energetic government in America. In the period between the Civil War and the New Deal, American governance was transformed, with momentous implications for social and economic life. A series of legal reforms gradually brought an end to nineteenth-century traditions of local self-government and associative citizenship, replacing them with positive statecraft: governmental activism intended to change how Americans lived and worked through legislation, regulation, and public administration. The last time American public life had been so thoroughly altered was in the late eighteenth century, at the founding and in the years immediately following. William J. Novak shows how Americans translated new conceptions of citizenship, social welfare, and economic democracy into demands for law and policy that delivered public services and vindicated people's rights. Over the

course of decades, Americans progressively discarded earlier understandings of the reach and responsibilities of government and embraced the idea that legislators and administrators in Washington could tackle economic regulation and social-welfare problems. As citizens witnessed the successes of an energetic, interventionist state, they demanded more of the same, calling on politicians and civil servants to address unfair competition and labor exploitation, form public utilities, and reform police power. Arguing against the myth that America was a weak state until the New Deal, *New Democracy* traces a steadily aggrandizing authority well before the Roosevelt years. The United States was flexing power domestically and intervening on behalf of redistributive goals for far longer than is commonly recognized, putting the lie to libertarian claims that the New Deal was an aberration in American history.

*Outlines and Highlights for American Government* Pearson  
Levinson argues that too many of our Constitution's provisions promote either unjust or ineffective government. Under the existing blueprint, we can neither rid ourselves of incompetent presidents nor assure continuity of government following catastrophic attacks. Less important, perhaps, but certainly problematic, is the appointment of Supreme Court judges for life.

Adding insult to injury, the United States Constitution is the most difficult to amend or update of any constitution currently existing in the world today. Democratic debate leaves few stones unturned, but we tend to take our basic constitutional structures for granted. Levinson boldly challenges the American people to undertake a long overdue public discussion on how they might best reform this most hallowed document and construct a constitution adequate to our democratic values. "Admirably gutsy and unfashionable." --Michael Kinsley, The New York Times "Bold, bracingly unromantic, and filled with illuminating insights. He accomplishes an unlikely feat, which is to make a really serious argument for a new constitutional convention, one that is founded squarely on democratic ideals." --Cass R. Sunstein, The New Republic "Everyone who cares about how our government works should read this thoughtful book." --Washington Lawyer

American Government 3e Pearson College Division

Guided by the belief that students must first understand the origins of American government to fully understand the issues facing the United States today, this market-leading text offers the strongest coverage of both history and current events of any college textbook devoted to American politics. From hallmark features like "The Living Constitution" to new features like the illustrated historical timelines, *American Government: Continuity and Change* provides the historical context students need to understand our government and the most crucial and controversial issues affecting the nation in the 21st century. The Texas edition of this classic text features the exact same coverage as the comprehensive version but with 7 additional chapters devoted to Texas politics. This bestselling book has

been extensively revised to provide in-depth coverage of the 2008 presidential and congressional elections, President George W. Bush's second administration and the 110th Congress, continued controversies related to the wars in Iraq and Afghanistan and the war on terrorism, and domestic concerns related to rising gas and food prices and the subprime mortgage crisis.
