Grammar and Beyond Level 2 Student's BookCambridge University Press

The Basics of New Testament Syntax Cambridge University Press

A resource book of grammar games and interactive activities. Games for Grammar Practice is a teacher's resource book containing a selection of more than forty games and activities for grammar practice. The activities are designed to promote intensive and interactive practice with learners of all ages from elementary to advanced level. Photocopiable pages and step-by-step instructions provide instant supplementary activities for busy teachers. The emphasis on peer interaction and cooperation helps students find grammar practice meaningful and rewarding. The grammar areas covered in the book are all commonly found in courses, making the activities easy to slot into a lesson.

Fix It! Grammar: the Nose Tree [Book 1 Teacher/Student Combo] Grammar and Beyond

Based on extensive research, Grammar and Beyond ensures that students study accurate information about grammar and apply it in their own speech and writing. This is the second half of Workbook, Level 4. In the Workbook, learners gain additional practice in the grammar from the Student's Book, including practice correcting common learner errors.

Grammar and Beyond Level 2 Workbook Cambridge University Press

Based on extensive research, Grammar and Beyond ensures that students study accurate information about grammar and apply it in their own speech and writing. The Grammar and Beyond Teacher Support Resource Book with CD-ROM, Level 2, provides suggestions for applying the target

grammar to all four major skill areas, helping instructors facilitate dynamic and comprehensive grammar classes; an answer key and audio script for the Student's Book; a CD-ROM containing ready-made, easily scored Unit Tests, as well as 32 PowerPoint® presentations to streamline lesson preparation and encourage lively heads-up interaction.

Grammar and Beyond Level 1 Writing Skills Interactive Cambridge University Press

Based on extensive research, Grammar and Beyond ensures that students study accurate information about grammar and apply it in their own speech and writing. This is the first half of Workbook, Level 2. In the Workbook, learners gain additional practice in the grammar from the Student's Book, including practice correcting common learner errors.

Grammar and Beyond Level 4 Workbook B Cambridge University Press

Beyond Grammar: Language, Power, and the Classroom asks readers to think about the power of words, the power of language attitudes, and the power of language policies as they play out in communities, in educational institutions, and in their own lives as individuals, teachers, and participants in the larger community. Each chapter provides extended discussion of a set of critical language issues that directly affect students in classrooms: the political nature of language, the power of words, hate language and bullying, gender and language, dialects, and language policies. Written for pre-service and practicing teachers, this text addresses how teachers can alert students to the realities of language and power--removing language study from a "neutral" corner to situate it within the context of political, social, and cultural issues. Developing a critical pedagogy about language instruction can help educators understand that classrooms can either maintain existing inequity or address and diminish inequity through critical language study. A common framework structures the chapters of the text: * Each chapter begins with an overview of the language issue in question, and includes references for further research and for classroom use, and provides applications for classroom teachers. * Numerous references to the popular press and the breadth of language issues found therein foreground current thought on socio-cultural language issues, attitudes, standards, and policies found in the culture(s) at large. * References to current and recent events illustrate the language issue's importance, cartoons address the issue, and brief "For Thought" activities illustrate the point being discussed and extend the reader's knowledge and awareness. * "Personal Explorations" ask readers to go beyond the text to develop further understanding; "Teaching Explorations" ask teachers to apply chapter content to teaching situations. Beyond Grammar: Language, Power, and the Classroom is intended for undergraduate and master's level courses that address literacy education, linguistics, and issues of language and culture.

Games for Grammar Practice Cambridge University Press

A gargantuan, mind-altering comedy about the Pursuit of Happiness in America Set in an addicts' halfway house and a tennis academy, and featuring the most endearingly screwed-up family to come along in recent fiction, Infinite Jest explores essential questions about what entertainment is and why it has come to so dominate our lives; about how our desire for entertainment affects our need to connect with other people; and about what the pleasures we choose say about who we are. Equal parts philosophical quest and screwball comedy, Infinite Jest bends every rule of fiction without sacrificing for a moment its own entertainment value. It is an exuberant, uniquely American exploration of the passions that make us human - and one of those rare books that renew the idea of what a novel can do. "The next step in fiction...Edgy, accurate, and darkly witty...Think Beckett, think Pynchon, think Gaddis. Think." --Sven Birkerts, *The Atlantic*

Routledge

Grammar and Beyond is a four-level North American grammar course informed by a collection of over one billion words of authentic language, ensuring that students learn grammar the way it is used in real spoken and written English. The series places special emphasis on grammar for writing. CEF: B2-C1.

Grammar and Beyond Level 1 Student's Book A and Workbook a Pack Cambridge University Press

Based on extensive research, Grammar and Beyond ensures that students study accurate information about grammar and apply it in their own speech and writing. This is the first half of Student's Book, Level 4. The Student's Book is the main component of Grammar and Beyond. In each unit, students study the grammar in a realistic text and through charts and notes informed by a billion-word corpus of authentic language. The exercises provide practice in reading, writing, listening, and speaking, making this a complete course. Students learn to avoid common mistakes, based on an extensive corpus of learner language. Each unit concludes with a Grammar for Writing section, in which students apply the grammar in an extended writing task.

Grammar and Beyond Level 4 Student's Cambridge University Press

This Greek grammar text integrates the technical requirements for proper Greek interpretation with the actual interests and needs of Bible Students. It is the first textbook to systematically link syntax and exegesis of the New Testament for second-year Greek students.

Grammar Explorer 2 Cengage Learning

Based on extensive research, Grammar and Beyond ensures that students study accurate information about grammar and apply it in their own speech and writing.

Standalone for Students Cambridge University Press

This textbook provides an innovative introduction to core areas of grammar: a systematic guide to the structure of English, arranged hierarchically from the word to the sentence to the paragraph level. Using a linguistic framework, activities and exercises, and diverse authentic texts, the book connects grammar knowledge to writing development, strengthening student understanding of language as a tool for text construction. Students of linguistics and English language will develop foundational knowledge about grammar and texts, as will writing students. Aligning with state curricular standards around the world, the book will be particularly useful for students of English Education.
