Land of Promise John Wiley & Sons "STAND FAST, AND hold the traditions which ye have been taught, whether by word, or our epistle Comfort your hearts; and stablish you in every good word and work Finally, brethren, pray for us, that

the word; of the Lord may have free course, and be GLORIFIED, even as it is with you." II Thess. 2:15, 17; 3:1. FASTING, like PRAYER, is a part of the word of God. To dispute this would be as foolish as denying water is wet. Shall we "STAND FAST" on this IRREVOCABLE "TRADITION," which we have been taught in the WORD, since it is indisputably a part of the WORD of God? Let us pray that it will "have free

course, AND BE GLORIFIED," in its proper place in order that JESUS may receive more glory and honor from His children. The purpose of this volume is to popularize, perhaps one of the most downtrodden of all Biblical subjects, and assist in the author's small way to reestablish this part of the Gospel, bringing it out in all its glorious aspects. We are dealing with a tremendous

portion of the Word—able to open up an avenue to tremendous power and glory with JESUS for the mutual welfare of His body, and the bringing of a mighty last day revival. By the proper utilization of fasting, praying, crying and mourning for souls, and by going into the FASTING-PRAYER without a selfish motive, many pillars of the FAITH can pull together in this travail to such an extent that

when tragedy, destruction, persecution, and the rest of the last-day signs approach us more closely, we will have at our disposal a most effective weapon to carry us through for the glory of Jesus. It is NOT the purpose of this book, or any of the other articles on the subject of fasting, to leave an impression that this practice is the Scriptural cure-all for spiritual, moral and

bodily complaints. Emphasis is given the subject for the purpose of quickly enlightening God's people who seem to be "falling away" from the old-time faith, and to prevent the unhappy drift towards modernism that is so sweeping the land. We do not emphasize fasting for the purpose of bragging, or for such great merit that it would be boasting before our God, but we are pressing it

forward with such tempo so that the children of the Bridegroom will become more quickly and fully prepared for the closing of this Holy Spirit dispensation. This work has grown to such an extent, we have had to give up the revival auditorium. The author is devoting his entire time to the work of fasting, even discontinuing most of the traveling speaking engagements, in order to assure it greater

success and promotion over the world for the mutual welfare of Christendom and the Kingdom of God. To make it even easier to grasp, the author has gone to additional expense in constructing drawings, diagrams and charts for numerous cuts to bring forth quickly through the eye-gate, this precious vital truth of orthodox Christianity. May the reader be blessed by them. This

was done solely for the purpose of glorifying our most lovable Jesus. In the name of Father, and of the Son, and of the Holy Ghost, we, therefore, dedicate this work to Jesus. May it bring praise and honor of Him. Revelation 22:17-21.

 Drugs as Weapons Against Us
 meticulously details how a

group of opium-trafficking families came to form an American oligarchy and eventually achieved global dominance. This oligarchy helped fund the Nazi regime and then saved thousands of Nazis to work with the Central Intelligence Agency. CIA operations such as MK-Ultra pushed LSD and other drugs on leftist leaders and left-leaning populations at home and

abroad. Evidence supports that this oligarchy further led the United States into its longest-running wars in the ideal areas for opium crops, while also massively funding wars in areas of coca plant abundance for cocaine production under the guise of a &“war on drugs&” that is actually the use of drugs as a war on us. Drugs as Weapons Against Us tells how scores of

undercover U.S. Intelligence agents used drugs in the targeting of leftist leaders from SDS to the Black Panthers, Young Lords, Latin Kings, and the Occupy Movement. It also tells how they particularly targeted leftist musicians, including John Lennon, Jimi Hendrix, Kurt Cobain, and Tupac Shakur to promote drugs while later murdering them when they started

sobering up and taking on more leftist activism. The book further uncovers the evidence that Intelligence agents dosed Paul Robeson with LSD, gave Mick Jagger his first hit of acid, hooked Janis Joplin on amphetamines, as well as manipulating Elvis Presley, Eminem, the Wu Tang Clan, and others. When the U.S. economy has flourished, government and business, labor and universities, have worked together in a never-ending project of economic nation building. As the United States struggles to emerge from the Great Recession, Michael Lind clearly demonstrates that Americans,

 What has Jung to do with the Postmodern?

Chris Hauke's lively and provocative book, puts the case that Jung's psychology constitutes a critique of modernity that brings it in line with many aspects of the postmodern critique of contemporary culture. The metaphor he uses is one in which 'we are gazing through a Jungian transparency or filter being held up against the postmodern while, from the other side, we are also

able to look through a transparency or filter of the postmodern to gaze at Jung. From either direction there will be a new and surprising vision.' Setting Jung against a range of postmodern thinkers, Hauke recontextualizes Jung's thought as a reponse to modernity, placing it - sometimes in parallel and sometimes in contrast to - various postmodern discourses. Including chapters on themes such

as meaning, knowledge and power, the contribution of architectural criticism to the postmodern debate, Nietzsche's perspective theory of affect and Jung's complex theory, representation and symbolization, constructivism and pluralism, this is a book which will find a ready audience in academy and profession alike. *Chicago* Beacon Press Get a
