Las Vegas provides the classic sophistication and darkness necessary for a deadly noir story. Stylish, sultry, brimming with ambition and greed, the characters who populate this literary Las Vegas are pushed to the extremes of human experience. From the neon glitter of the Strip to the treacherous views of Red Rock Canyon and Boulder City, from the desperation of Naked City to the racial tensions of the Westside, no other location offers so many different avenues leading to serious trouble.

From the New York Times Bestselling Author and Co-Star of Fox's American Grit comes a rare and powerful book on the art of being a sniper. Way of the Reaper is a step-by-step accounting of how a sniper works, through the lens of Irving's most significant kills - none of which have been told before. Each mission is an in-depth look at a new element of eliminating the enemy, from intel to luck, recon to weaponry. Told in a thrilling narrative, this is also a heart-pounding true story of some of The Reaper's boldest missions including the longest shot of his military career on a human target of over half a mile. In Iraq and Afghanistan, Nick Irving earned his nickname in blood, destroying the enemy with his sniper rifle and in deadly firefights behind a .50 caliber machine gun. He engaged a Taliban suicide bomber during a vicious firefight, used nearly silent sub-sonic ammo, and was the target of snipers himself. Way of the Reaper attempts to place the reader in the heat of battle, experiencing the same dangers, horrors and acts of courage Irving faced as an elite member of the 3rd Ranger Battalion, 75th Ranger Regiment, while also examining the personal ramifications of taking another life. Readers will experience the rush of the hunt and the dangers that all snipers must face, while

learning what it takes to become an elite manhunter. Like the Reaper himself, this explosive book blazes new territory and takes no prisoners.

This collection is packed with 20 easy-to-make recipes that rely on little more than chicken and pantry staples. You'll learn how a few flavor-packed ingredients can transform humble chicken into the star of the dinner table. Take our spice-cabinet chicken recipes, which will simplify your grocery shopping—just raid your spice cabinet for three delicious takes on roast whole chicken. Or how about Southern-Style Stewed Chicken and Rice, a comforting one-pot meal that features rice plumped with flavored stock and tossed with tender pieces of shredded chicken? Chicken Mole Poblano surprisingly depends on pantry essentials such as dried chiles, nuts, a handful of common dried herbs and spices, and a bit of chocolate for its deeply complex flavor.

This is a biographical book. I had been careful, on my arrival in Bologna, to take up my quarters at a small inn, so as not to attract any notice, and as soon as I had dispatched my letters to Therese and the French officer, I thought of purchasing some linen, as it was at least doubtful whether I should ever get my trunk. I deemed it expedient to order some clothes likewise. I was thus ruminating, when it suddenly struck me that I was not likely now to succeed in the Church, but feeling great uncertainty as to the profession I ought to adopt, I took a fancy to transform myself into an officer, as it was evident that I had not to account to anyone for my actions.

Love takes work, but, when it comes to relationships, it pays to work smarter. Couple Skills, Second Edition, revised and updated from the therapist-recommended classic, will show you how to work smarter in your relationship. You'll learn to improve communication, cope better with problems, and resolve conflicts with the one you love in healthy and creative ways. Each chapter teaches you an essential skill that supports greater relationship satisfaction and deeper intimacy. New to this edition is a chapter on using acceptance skills, developed from the revolutionary new acceptance and commitment therapy (ACT). These new approaches will help you to accept your partner's feelings (and your own emotions) without judgment. Using these techniques will help you decide what you really value in your relationship and then commit to acting in ways that further those values every day.
