ANGELIQUE NAVARRO

One Day at a Time AuthorHouse

The motorcycle adventurer and author of *Two Wheels Through Terror* delivers a "spectacular and gripping read" of his solo journey around the world (Friction Zone). In November of 2001, on a motorcycle trip to the tip of South America, Glen Heggstad was kidnapped at gunpoint by Colombian rebels and held captive for five weeks. Yet even after his traumatic incarceration, Glen did what few others would—finished his trip. Three years later, frustrated by the climate of fear in a media-saturated world and the resulting stranglehold of self-imposed security in the United States, Glen decided to look for truth on his own terms—on the back of his motorcycle. Starting in Japan, Glen wound his way through Siberia, Mongolia, Europe, the Middle East, Southeast Asia, and Africa, stopping in over thirty countries. This was not a tourist's bus tour—Glen battled extreme temperatures, knee-deep mud, bureaucratic roadblocks, health problems, and loneliness, but these problems faded to insignificance with the thrill of the open road and the smiling receptions he received from locals and fellow bikers at every turn. With *One More Day Everywhere*, readers can share Glen Heggstad's vision of a world ungoverned by fear and, like Glen, embrace each experience, with one eye always on the horizon. "If anyone knows determination, perseverance, agony and terror it is Glen Heggstad. And that motorcycles are fun!" —Jimmy Lewis, editor, *Cycle World Magazine* "This is a story of extreme travel at its finest." —RoadRunner "Heggstad manages to illustrate the joys and hardships and benefits and drawbacks of two-wheeled global travel to some of the most difficult places on the planet." —Friction Zone

Ask a Manager HarperCollins

From the creator of the popular website *Ask a Manager* and New York's work-advice columnist comes a witty, practical guide to 200 difficult professional conversations—featuring all-new advice! There's a reason Alison Green has been called "the Dear Abby of the work world." Ten years as a workplace-advice columnist have taught her that people avoid awkward conversations in the office because they simply don't know what to say. Thankfully, Green does—and in this incredibly helpful book, she tackles the tough discussions you may need to have during your career. You'll learn what to say when • coworkers push their work on you—then take credit for it • you accidentally trash-talk someone in an email then hit "reply all" • you're being micromanaged—or not being managed at all • you catch a colleague in a lie • your boss seems unhappy with your work • your cubemate's loud speakerphone is

making you homicidal • you got drunk at the holiday party Praise for *Ask a Manager* "A must-read for anyone who works . . . [Alison Green's] advice boils down to the idea that you should be professional (even when others are not) and that communicating in a straightforward manner with candor and kindness will get you far, no matter where you work."—Booklist (starred review) "The author's friendly, warm, no-nonsense writing is a pleasure to read, and her advice can be widely applied to relationships in all areas of readers' lives. Ideal for anyone new to the job market or new to management, or anyone hoping to improve their work experience."—Library Journal (starred review) "I am a huge fan of Alison Green's *Ask a Manager* column. This book is even better. It teaches us how to deal with many of the most vexing big and little problems in our workplaces—and to do so with grace, confidence, and a sense of humor."—Robert Sutton, Stanford professor and author of *The No Asshole Rule* and *The Asshole Survival Guide* "Ask a Manager is the ultimate playbook for navigating the traditional workforce in a diplomatic but firm way."—Erin Lowry, author of *Broke Millennial: Stop Scraping By and Get Your Financial Life Together* *Tomorrow is One More Day* Stage Partners NOW A MAJOR MOTION PICTURE starring ANNE HATHAWAY and JIM STURGESS It's 1988 and Dexter Mayhew and Emma Morley have only just met. But after only one day together, they cannot stop thinking about one another. Over twenty years, snapshots of that relationship are revealed on the same day—July 15th—of each year. Dex and Em face squabbles and fights, hopes and missed opportunities, laughter and tears. And as the true meaning of this one crucial day is revealed, they must come to grips with the nature of love and life itself. "One of the most hilarious and emotionally riveting love stories you'll ever encounter." —People #1 INTERNATIONAL BESTSELLER

One More Day Dutton Books for Young Readers

"Sparks fly when American good girl Allyson encounters laid-back Dutch actor Willem, so she follows him on a whirlwind trip to Paris, upending her life in just one day and prompting a year of self-discovery and the search for true love."—

Crossing 50 Borders on the Road to Global Understanding Flashlight Press

This novella by the maverick Tamil prose writer G. Nagarajan centres on one eventful day in the life of a small-scale operator, fix-it man, pimp and procurer, Kandan. It offers a reading of the seamy margins of society and explores time and temporality, human desire and the possibility of love in the harsh and often violent underworld of a small town in Tamil Nadu. Translated by Abbie Ziffren, one of the finest readers of modern Tamil prose,

and with an insightful introduction by David Shulman, *Tomorrow Is One More Day* presents a major Tamil novelist to a whole new audience.

KwangBin Baek Createspace Independent Publishing Platform In the tradition of *Coal Miner's Daughter*, the rags-to-riches story of one of the most famous and successful country/gospel recording artists of all time: Cristy Lane. Here is Cristy's story of faith, of hope, and of a dream that led her through darkness into the light of success.

One Day in the Life of Ivan Denisovich Hachette Books

On the short side of eternity, depression, self-harm, addiction, and abuse are only a few of the issues that sent seventeen-year-old Zane Banks into the perfect downward spiral with no other choice. In "One Word," P. C. Houtzer introduces us to Zane's soulmate, Adda Hawkins, who spends her days in tears, clinging to the remnants of a four-year fallen short forever. Zane's best friend since kindergarten, Hailey Miller, descends into an impulsive, depressive addiction as another burning ember sears her skin. Then his best friend of six years, Kyle Jones, tries his best to step into the shoes Zane left behind while juggling the high-school football team with a father who's less than a star. Each one wanted the best for Zane, and now it's getting the best of them in this unexpected, addicting, and inspiring journey where one word would have changed everything.

Red Sonja: One More Day Vintage

The test results are back, and they say it's cervical cancer. As if that isn't bad enough, getting laid off from her job means Mackenzie can't afford to pay her bills, including the medical ones! She's convinced it's the worst day of her life. Not even meeting that Super Hot Guy from the coffee shop can make it better. Or can it? Ryan has been trying to get the nerve to talk to her for months. Her art is amazing. It's exactly the type of thing he'd like to ink onto his skin forever. For the first time, the beautiful artist wasn't lost in her work. Nope, she was lost in something else. Something that brought tears to those gorgeous eyes. It's the excuse he needs to finally get up the nerve and talk to her. She needs a shoulder, and he's more than willing to give it - plus a job that lets her use her art. Mackenzie never expected to be working in a tattoo parlor, but it will pay the bills, and being around Ryan is pretty nice. Maybe too nice. His shy smiles make her stomach flip, or that could be the chemo. It all comes back to the cancer, so why should she even try? The Super Hot Guy is her boss, and maybe this is as good as her life is going to get... because the cancer's getting worse. Mackenzie may want to protect him, but Ryan isn't going to lose the girl. Not because he's her boss, not because he's too scared to make a move, and he's certainly not going to let some disease screw this up. She thinks the cancer is going to win, but he has other plans. He just needs

one more day to prove it, but she may not give him that option.

This book contains some mature situations and is recommended for readers 18+

Ms. Bixby's Last Day Sourcebooks, Inc.

A grandfather's death inspires his grandchildren to create a book of wishes in this sensitive portrayal of dealing with the loss of a loved one. When Anna and her little brother Joey hear the sad news about their Poppy's death, they begin to think about what they would do if they could have one more day with him. They smile thinking about Poppy's crazy birthday hat, giggle at the silly songs Poppy used to plunk out on the piano, and laugh out loud at the weekly chicken-soup game they played with him at the deli. As the list grows into a pile, the pile becomes a book—a book of wishes for one more day with Poppy—or, as their mother explains, a memory book of the love and fun they shared with him, since all of their wishes have already come true. This treasured memento celebrates Poppy's life and helps Anna and Joey keep his memory alive for years to come.

As I reflect upon the times that I spent with my mother doing the

simple things, my heart fills with joy. These are the instances that I miss the most when I think about my childhood. Her constant love and care were ever present, surrounding me like a warm blanket. My life has not been the same since my mother's passing. Holding on to the pleasant memories and the many lessons that she taught brings me the strength to move on. If I had one more day on earth with my beloved mother, I would do the simple things like talking, laughing, taking her for a drive the way I used to do on the weekends, helping her with her shopping, and sitting with her to enjoy a nice meal. This book describes such a day.

A series of meditations based on sources from the Bible to contemporary writers and scientists offers inspiration and courage to those suffering from painful and debilitating illnesses--whether physical or psychological

MacLarens of Fire Mountain Contemporary Romance, Book 3 HarperCollins

What if our beliefs were not what divided us, but what pulled us together In *Have a Little Faith*, Mitch Albom offers a beautifully written story of a remarkable eight-year journey between two worlds--two men, two faiths, two communities--that will inspire readers everywhere. Albom's first nonfiction book since *Tuesdays with Morrie*, *Have a Little Faith* begins with an unusual request: an eighty-two-year-old rabbi from Albom's old hometown asks him to deliver his eulogy. Feeling unworthy, Albom insists on understanding the man better, which throws him back into a world of faith he'd left years ago. Meanwhile, closer to his current home, Albom becomes involved with a Detroit pastor--a reformed drug dealer and convict--who preaches to the poor and homeless in a decaying church with a hole in its roof. Moving between their worlds, Christian and Jewish, African-American and white, impoverished and well-to-do, Albom observes how these very different men employ faith similarly in fighting for survival: the older, suburban rabbi embracing it as death approaches; the younger, inner-city pastor relying on it to keep himself and his church afloat. As America struggles with hard times and people turn more to their beliefs, Albom and the two men of God explore issues that perplex modern man: how to endure when difficult things happen; what heaven is; intermarriage; forgiveness;

doubting God; and the importance of faith in trying times.

Although the texts, prayers, and histories are different, Albom begins to recognize a striking unity between the two worlds--and indeed, between beliefs everywhere. In the end, as the rabbi nears death and a harsh winter threatens the pastor's wobbly church, Albom sadly fulfills the rabbi's last request and writes the eulogy. And he finally understands what both men had been teaching all along: the profound comfort of believing in something bigger than yourself. *Have a Little Faith* is a book about a life's purpose; about losing belief and finding it again; about the divine spark inside us all. It is one man's journey, but it is everyone's story. Ten percent of the profits from this book will go to charity, including The Hole In The Roof Foundation, which helps refurbish places of worship that aid the homeless.

One More Day Hyperion

Longtime journalist Kym Klass tells an amazing true story of suicide and depression, and it's effect on faith and family is this emotional book, "One More Day." It tells the story of Kym's journey in dealing with the suicide death of her little sister Katie in 2015 and how Katie's struggles with depression led Kym to question her faith and deal with severe emotional issues herself. "One More Day" is a must-read for another who's dealt with depression and suicide, either themselves or with a friend or family member.

Another Day St. Martin's Press

As a young man I experienced many things that I found not only intriguing but relevant to young men like me. Afraid for where I am, afraid of where I am going, and not sure how I may get there with a growing family. I started to write this book out of experience I was having and didnt know what to do. So I decided to write all my good and bad times down so if I ran into a problem like that again I would know what to do by looking back over my life experience I was born in a country area where we work and took care of each other and shared each other hope and dreams I miss one grade in high school this book is for everyone who has or will have to face life and grow from the real time discussion you would have to face this book is one section of my life from nineteen seventy four until nineteen eighty-nine.

One More Day KwangBin Baek

When everything is lost, can she find the strength to love again?

Just One More Day Hachette Books

On the final day of classes at Rochester High School, a renegade student takes over the morning announcements and proposes that everyone do something bold. Or unexpected. Or brave. Or stupid. The point is, you may not have another chance, so now's the time to stop being a wallflower and kiss the girl (or guy!). To let your enemies know that you have always hated their guts. Or to do something as simple as climb the rope in gym without throwing up. Through a series of interconnected scenes, misconceptions, grudges, and secret crushes come out into the open in hilarious and surprisingly touching ways. A comedy with a lot of heart, and no regrets. (A full-length version is also available.) Comedy/Drama One-act. 40-45 minutes 4-12 actors, gender flexible
