Rates and reviews thousands of rock, pop, soul, rap, country, jazz, blues, folk, and gospel recordings

The Music, Politics and People that Shaped Our Culture Henry Holt and Company

"A biography that will send readers back to the music of Mavis and the Staple Singers with deepened appreciation and a

renewed spirit of discovery" (Kirkus Reviews, starred review)—from the acclaimed music journalist and author featured prominently in the new HBO documentary *Mavis!* This is the untold story of living legend Mavis Staples—lead singer of the Staple Singers and a major figure in the music that shaped the civil rights era. One of the most enduring artists of popular music, Mavis and her talented family fused gospel, soul, folk, and rock to transcend racism and oppression through song. Honing her prodigious talent on the Southern gospel circuit of the 1950s, Mavis and the Staple

Singers went on to sell more than 30 million records, with message-oriented soul music that became a soundtrack to the civil rights movement—inspiring Martin Luther King, Jr. himself. Critically acclaimed biographer and Chicago Tribune music critic Greg Kot cuts to the heart of Mavis Staples's music, revealing the intimate stories of her sixty-year career. From her love affair with Bob Dylan, to her creative collaborations with Prince, to her recent revival alongside Wilco's Jeff Tweedy, this definitive account shows Mavis as you've never seen her before. *I'll Take You There* was written with the

complete cooperation of Mavis and her family. Readers will also hear from Prince, Bonnie Raitt, David Byrne, and many others whose lives have been influenced by Mavis's talent. Filled with never-before-told stories, this fascinating biography illuminates a legendary singer and group during a historic period of change in America. "Ultimately, *Kot* depicts the endurance of Mavis Staples and her family's music as an inspiration, a saga that takes us, like the song that inspired this book's name, to a place where ain't nobody crying" (The Washington Post).

ENTERTAINMENT WEEKLY The Ultimate Guide to Supernatural

Random House Incorporated

A delicious romp through the heyday of rock and roll and a revealing portrait of the man at the helm of the iconic magazine that made it all possible, with candid look backs at the era from Mick Jagger, Keith Richards, Elton John, Bono, Bruce Springsteen, Paul McCartney, and others. The story of Jann Wenner, Rolling Stone's founder, editor, and publisher, and the pioneering era he helped curate, is told here for the first time in glittering, glorious detail. Joe Hagan provides readers with a

backstage pass to storied concert venues and rock-star hotel rooms; he tells never before heard stories about the lives of rock stars and their handlers; he details the daring journalism (Tom Wolfe, Hunter S. Thompson, P.J. O'Rourke) and internecine office politics that accompanied the start-up; he animates the drug and sexual appetites of the era; and he reports on the politics of the last fifty years that were often chronicled in the pages of Rolling Stone magazine. Supplemented by a cache of extraordinary documents and letters from Wenner's personal archives, *Sticky Fingers* depicts an ambitious, mercurial, wide-eyed rock and roll fan of who exalts in youth and beauty and learns how to package it, marketing late sixties counterculture as a testament to the power of American youth. The result is a fascinating and complex portrait of man and era, and an irresistible biography of popular culture, celebrity, music, and politics in America.

The year is 1983, and Chuck Klosterman just wants to rock. But he's got problems. For one, he's in the fifth grade. For another, he lives in rural North Dakota. Worst of all, his parents aren't exactly down with the long hairstyle which rocking requires. Luckily, his brother saves the day when he brings home a bit of manna from metal heaven, SHOUT AT THE DEVIL, Motley Crue's seminal paean to hair-band excess. And so Klosterman's twisted odyssey begins, a journey spent worshipping at the heavy metal altar of Poison, Lita Ford and Guns N' Roses. In the hilarious, young-man-growing-up-with-a-soundtrack-tradition, FARGO ROCK CITY chronicles Klosterman's formative years through the lens of heavy metal, the irony-deficient genre that, for better or worse,

dominated the pop charts throughout the 1980s. For readers of Dave Eggers, Lester Bangs, and Nick Hornby, Klosterman delivers all the goods: from his first dance (with a girl) and his eye-opening trip to Mandan with the debate team; to his list of 'essential' albums; and his thoughtful analysis of the similarities between Guns 'n' Roses' 'Lies' and the gospels of the New Testament.

Hardie Grant Publishing

Highway 61 Revisited resonates because of its enduring emotional appeal. Few songwriters before Dylan or since have combined so effectively the intensely personal with the spectacularly universal. In "Like a Rolling Stone," his gleeful excoriation of Miss Lonely (Edie Sedgwick? Joan Baez? a composite "type"?) fuses with the evocation of a hip new zeitgeist to produce a veritable anthem. In "Ballad of a Thin Man," the younger generation's confusion is thrown back in the Establishment's face, even as Dylan vents his disgust with the critics who labored to catalogue him. And in "Desolation Row," he reaches the zenith of his own brand of surrealist paranoia, that here attains the

atmospheric intensity of a full-fledged nightmare. Between its many flourishes of gallows humor, this is one of the most immaculately frightful songs ever recorded, with its relentless imagery of communal executions, its parade of fallen giants and triumphant local losers, its epic length and even the mournful sweetness of Bloomfield's flamenco-inspired fills. In this book, Mark Polizzotti examines just what makes the songs on Highway 61 Revisited so affecting, how they work together as a suite, and how lyrics, melody, and arrangements combine to create an unusually potent mix. He blends musical and literary analysis of the songs themselves, biography (where appropriate) and recording information (where helpful). And he focuses on Dylan's mythic presence in the mid-60s, when he emerged from his proletarian incarnation to become the American Rimbaud. The comparison has been made by others, including Dylan, and it illuminates much about his mid-sixties career, for in many respects Highway 61 is rock 'n' roll's answer to A Season in Hell.

'Galactic Ramble' is a study of the 60s and 70s UK music scene. It covers thousands of albums, from pop, rock, psych and prog to jazz, folk, blues and beyond.

The Rolling Stone Album Guide Wenner Books

At no time since the rock & roll explosion of the 1960s did music matter more than in the 1990s—the decade of grunge, gangsta rap and Britney Spears. The Nineties might have kicked off with Vanilla Ice, but music changed forever the following year when Nirvana's "Smells Like Teen Spirit" exploded onto the airwaves, giving birth to the alternative nation. The decade spawned dozens of new stars (Pearl Jam, Eminem, Dave Matthews,

Christina Aguilera and Jay-Z among them); top artists from U2 to Madonna made their most adventurous records; and hip-hop icons Tupac Shakur and Biggie Smalls met violent ends. Rolling Stone was there to tell all those stories and more—and The '90s collects the best of them: the last major interview with Kurt Cobain, conducted by David Fricke three months before the Nirvana singer took his life in 1994; Jonathan Gold's 1993 trip to Compton to check in with Snoop Dogg and Dr. Dre; Carrie Fisher's intimate one-on-one with Madonna following her 1991 film, *Truth or Dare*; Kim Neely partying with a riot-starting Guns n' Roses in 1991; Anthony Bozza riding along with an Ecstasy-gobbling Eminem in 1999; and, that same year, Steven Daly's visit to the bedroom of a teenage Britney Spears. Packed with over fifty stories, portraits by the biggest names in photography including Mark Seliger, David LaChapelle and Steven Meisel, and a guide to the decade's hundred greatest albums, *The '90s* is a definitive look back at the decade that rocked.

Never a Dull Moment Time Inc. Books
For the past fifty years, Rolling Stone has

been a leading voice in journalism, cultural criticism, and—above all—music. This landmark book documents the magazine's rise to prominence as the voice of rock and roll and a leading showcase for era-defining photography. From the 1960s to the present day, the book offers a decade-by-decade exploration of American music and history. Interviews with rock legends—Bob Dylan, Mick Jagger, Kurt Cobain, Bruce Springsteen, and more—appear alongside iconic photographs by Baron Wolman, Annie Leibovitz, Mark Seliger, and other leading image-makers. With feature articles, excerpts, and exposés by such quintessential writers as Hunter S. Thompson, Matt Taibbi, and David Harris, this book is an irresistible and essential keepsake of the magazine that has defined American music for generations of readers.

The ultimate listening party guide, *Booze and Vinyl* shows you how to set the mood for 70 great records from the 1950s through the 2000s. From modern craft cocktails to old standbys, prepare to

shake, stir, and just plain pour your way through some of the best wax ever pressed. Wickedly designed and featuring photography throughout, *Booze & Vinyl* is organized by mood, from Rock to Chill, Dance, and Seduce. Each entry has liner notes that underscore the album's musical highlights and accompanying "Side A" and "Side B" cocktail recipes that complement the music's mood, imagery in the lyrics, or connect the drink to the artist. This is your guide to a rich listening session for one, two, or more. Among the 70 featured albums are: Sgt. Pepper's Lonely Hearts Club, Purple Rain, Sticky Fingers, Born To Run, License to Ill, Appetite for Destruction, Thriller, Like a Virgin, Low End Theory, The Rise and Fall of Ziggy Stardust, Hotel California, Buena Vista Social Club, Back to Black, Pet Sounds, Vampire Weekend, and many more *Stuff You Should Know* Bloomsbury Publishing USA

A reference guide to the decade's top trends, performers, and sounds, reviews the most influential albums, provides biographical overviews of key artists, and considers how technology and the Internet have impacted the industry.

Updated For 2021 Vintage

A gorgeous compendium of Joni Mitchell's handwritten lyrics and drawings, originally handcrafted as a gift for a select group of friends in 1971 and now available to the public for the first time. In 1971, as her album *Blue* topped charts around the world, Joni Mitchell crafted one hundred copies of *Morning Glory on the Vine* as a holiday gift for her closest friends. For this stunningly beautiful book, Joni hand-wrote an exquisite selection of her own lyrics and poems and illustrated them with more than thirty of her original pictures.

Handcrafted, signed, and numbered in Los Angeles, the existing copies of this labor of love have rarely been seen in the past half-century. Now, during Joni's seventy-fifth birthday year, *Morning Glory on the Vine: Early Songs and Drawings* will be widely available for the first time. In this faithfully reproduced edition, Joni's best-loved lyrics and poems spill across the pages in her own elegant script. The lively, full-color drawings depict a superb array of landscapes, still lifes, portraits of friends, self-portraits, innovative abstractions, and more. All the artwork from the original book is included, along with several

additional pictures that Joni drew of her friends from the same period. Finally, the refreshed volume features an original introduction written by Joni. *Morning Glory on the Vine* is a gorgeous and intimate keepsake and an invitation to explore anew the dazzling, visionary world of Joni Mitchell.
