The first volume of MEIN KAMPF' was written while the author was imprisoned in a Bavarian fortress. The book deals with events which brought the author into this blight. It was the hour of Germany's deepest humiliation, when Napoleon has dismembered the old German Empire and French soldiers occupied almost the whole of Germany. The books narrates how Hitler was arrested with several of his comrades and imprisoned in the fortress of Landsberg on the river Lech. During this period only the author wrote the first volume of MEIN KAMPF. One of the most dazzling and adventurous writers now working in English takes on the enigma of the Cambridge spies in a novel of exquisite menace, biting social comedy, and vertiginous moral complexity. The narrator is the elderly Victor Maskell, formerly of British intelligence, for many years art expert to the Queen. Now he has been unmasked as a Russian agent and subjected to a disgrace that is almost a kind of death. But at whose instigation? As Maskell retraces his tortuous path from his recruitment at Cambridge to the airless upper regions of the establishment, we discover a figure of manifold doubleness: Irishman and Englishman; husband, father, and lover of men; betrayer and dupe. Beautifully written, filled with convincing fictional portraits of Maskell's co-conspirators, and vibrant with the mysteries of loyalty and identity, The Untouchable places John Banville in the select company of both Conrad and le Carre. Winner of the Lannan Literary Award for Fiction

"Contemporary fiction gets no better than this... Banville's books teem with life and humor." - Patrick McGrath, The New York Times Book Review "Victor Maskell is one of the great characters in recent fiction... In the years before the Mexican Revolution, Mexico is ruled by a tiny elite that apes European culture, grows rich from foreign investment, and prizes racial purity. The vast majority of Mexicans, who are native or of mixed native and Spanish blood, are politically powerless and slowly starving to death. Presiding over this corrupt system is Don Porfirio Díaz, the ruthless and inscrutable president of the Republic. Against this backdrop, The City of Palaces opens in a Mexico City jail with the meeting of Miguel Sarmiento and Alicia Gavilán. Miguel is a principled young doctor, only recently returned from Europe but wracked by guilt for a crime he committed as a medical student ten years earlier. Alicia is the spinster daughter of an aristocratic family. Disfigured by smallpox, she has devoted herself to working with the city's destitute. This unlikely pair—he a scientist and atheist and she a committed Christian—will marry. Through their eyes and the eyes of their young son, José, readers follow the collapse of the old order and its bloody aftermath. The City of Palaces is a sweeping novel of interwoven lives: Miguel and Alicia; José, a boy as beautiful and lonely as a child in a fairy tale; the idealistic Francisco Madero, who overthrows Díaz but is nevertheless destroyed by

the tyrant's political system; and Miguel's cousin Luis, shunned as a "sodomite." A glittering mosaic of the colonial past and the wealth of the modern age, *The City of Palaces* is a story of faith and reason, cathedrals and hovels, barefoot street vendors and frock-coated businessmen, grand opera and silent film, presidents and peasants, the living and the dead. The Edgar Award-winning mystery that launched the career of bestselling novelist Stuart Woods. In the bitter winter of 1920, the first body is found in Delano, Georgia; the naked corpse of an unidentified teenager. There is no direct evidence of murder, but the body bears marks of what seems to be a ritual beating. The investigation falls to Will Henry Lee, a failed cotton farmer newly appointed as Delano's first chief of police. Lee's obsession with the crime begins a story that weaves through the decades, following the life of a small southern town and the role of three police chiefs in unraveling the crime. *Chiefs* is the best kind of thriller, where the investigation plays out against the drama beneath the surface of a seemingly placid community, seething with the pressures of race, love, hate, and; always; political power, extending from the town fathers all the way to Washington, DC. Includes a new foreword by the author on the twenty-fifth anniversary of its publication.
