Are God, angels, and demons really invisible? Or can the spirits be seen with human eyes, through the lens of Church Ethics? The gift of discerning of spirits is indispensable to the study of church ethics. Ignatius of Loyola, founder of the Society of Jesus (Jesuits), wrote two sets of Rules for Discerning of Spirits in his Spiritual Exercises in the early 1500s. He taught how the church can receive from God the gift to see otherwise invisible angels, demons, and the Holy Spirit. Ignatius' views were influenced by John Cassian, Jacobus de Voragine, Ludolph of Saxony, and Thomas Kempis. Ignatius' Rules are exegeted in dialogue with contemporary scholars Karl Rahner, Hugo Rahner, Piet Penning de Vries, Jules Toner, and Timothy Gallagher, and applied to one study of ecclesial ethics in the narrative theology of Samuel Wells. A four-step Ignatian "pneumato-ethical method" is developed, which

any analyst can follow to see the spirits, by consolation/desolation, consent, manifestation, and pneumatology-ethics. This method revolutionizes how we study ecclesiology, soteriology, missiology/world religions, liturgy, worship, Eucharist, hermeneutics, homiletics, pastoral counseling, church history, and politics. The spirits are not invisible at all. They can be clearly discerned through the lens of ecclesial ethics.

Life abundant? Jesus promised it and we long for it, yet few Christians seem to have it. Blending lively anecdotes, commentary, and teachings from the

Bible, Dr. Charles Stanley introduces you to the Holy Spirit. "A big part of the Spirit-filled life is learning to recognize the fingerprint of the Holy Spirit. Once you know what to look for and once you begin looking for it, you will be amazed at how real the Holy Spirit will become to you. Learning to recognize the Holy Spirit is the first step in learning to live the Spirit-filled life."

You know the battle is raging--but are you fighting the right enemy? Just as enemies fought Joshua in the Promised Land, and Nehemiah faced opposition as he rebuilt the walls of Jerusalem, our enemy will fight us as we approach the spiritual terrain God has promised us. Most Christians retreat at the first sign of conflict because they fail to recognize the true nature of the battle. But you can prevail in freedom and joy. Sharing his deeply personal story of demonic bondage, torment and ultimate deliverance, pastor and bestselling author Kris Vallotton turns the idea of spiritual warfare as we know it on its head. He reveals the diabolical lies and strategies of the enemy--attacks and traps so subtle and deceptive that we may find our souls and hearts imprisoned without even knowing it. No more! Now you can win the invisible battle against sin and the enemy. Victory is within your grasp. Will you take hold? "It is with great excitement that I recommend this book to you, knowing that fruit will increase until Jesus gets His full reward."--Bill Johnson, author, *When Heaven Invades Earth* and *The Essential Guide to Healing*, senior pastor, Bethel Church, Redding, California

God wants His people to know the gifts He has given them. Gifts appear in Scripture primarily in three passages, each with its own list, with other gifts mentioned individually here and there in other parts of Scripture. This three volumes study of New Testament gifts deals with the three lists separately to honor the uniqueness of each list. You are invited to come along with the author in discovering what God has given to His people, including you.

Foundational Teaching on Discerning What Is Happening in the Spiritual Realm For many believers, operating in the gifts of the Spirit has become a normal way of life. Yet there is one often-overlooked, often-misunderstood gift crucial to the well-being of the church: the gift of discerning spirits.

This gift is the powerful supernatural ability to hear and see into the spiritual realm, yet many people who have it may think they are crazy. Finding no help from the church, some have turned to medical doctors and actually been diagnosed with a mental disorder. Jennifer Eivaz, a trusted prophetic voice, has been there, and she offers hope, healing, and practical help. Pulling back the veil, she · lays a biblical foundation for how this gift works · helps you discern what you are seeing and hearing · reveals what is happening in the spiritual realm · provides insight into the demonic, the angelic, and spiritual happenings · and more. The enemy is on the move. More than ever, the church needs people who operate in this powerful gift to expose hidden threats and help lead the church to victory.

Get an upper hand over the power of the Enemy! Deliverance. Casting out demons. These are often controversial subjects among Christ-followers, when in fact, they were regular parts of Jesus earthly ministry. If we want to truly follow Jesus and experience the fullness of His Kingdom power, we need to be ready to confront the powers of darkness victoriously! Unfortunately, many Christians regularly deal with demonic torment and oppression. In *Discerning and Destroying the Works of Satan*, Kathy DeGraw presents a powerful blueprint for victory in this easy-to-follow and relational approach to spiritual warfare. You will receive freedom in Christ and then discover how to use your Kingdom authority to deliver others from the bonds of darkness! You will discover how to: Operate prophetic discernment and recognize key signs of demonic torment. Recognize manifestations of darkness such as generational curses, offense, bitterness, woundedness, fear and unforgiveness. Identify groups of demons: usually when one is cast out, it stirs other spirits harassing the individual. Maintain your deliverance: learn how to walk in sustained freedom, rather than falling back into cycles of bondage and torment. Protect your soul the realm that demons specifically target. Lead yourself and others to freedom through a powerful action-plan of deliverance. Watch every area of your life and the lives of others be supernaturally transformed by the total freedom you received in Christ!

Spiritual discernment is good for more than just making monumental decisions according to God's will. It is an essential, day-to-day activity that allows thoughtful Christians to separate the truth of God from error and to distinguish right from wrong in all kinds of settings and situations. It is also a skill-something that any person can develop and improve, especially with the guidance in this book. Written by a leading evangelical blogger, *The Discipline of Spiritual Discernment* is an uplifting, scripturally grounded work that explains the need for discernment, its challenges, and the steps that will cultivate it. Author Tim Challies does not do the discerning for readers; he simply shows them how to practically apply scriptural tools, principles, and wisdom so that their conclusions about everything-people, teachings, decisions, media, and organizations-will be consistent with God's Word.

For more than a century, anthropologists and psychiatrists engage in conversations concerning relationships between embodied well-being and religion. Taking account of shifting meanings of 'religion' in global modernities, the included essays reveal how historically and culturally embedded local encounters between psychiatry, religious experience, and ritual healing contribute to an increasing diversification of 'mental health.' The multitude of theoretical perspectives and methodological approaches brought to the field in the global north and the global south introduce novel insights into current debates between clinical practitioners, ethnographic fieldworkers, and historians of psychiatry. Flowing in God's Purpose offers different perspectives concerning spiritual warfare. It was written with theology as its theme. It is intended to show areas of our lives where the enemy may not be discernible. In our humanity, it is normal to observe trials, tests, and annoyances from a physical or psychological realm; however, we miss the bigger picture when we take an improper perspective. God understands our initial reactions because he gave us emotions. Emotions do have a place in our lives and are often manifested at the outset of trial. Flowing in God's Purpose was not written to seek agreement; it was written to offer different perspectives.

In this thorough, in-depth study, Sandie Freed identifies the demonic system and structures of the dark power that has believers confused, anxious, and lacking in authority: the antichrist spirit. Not a book on the identity of the endtimes Antichrist, this book exposes the demonic spirit that has been prevalent in society since the birth of Christianity and that will eventually animate the end-time ruler the Bible describes. With piercing insight and practical application, Freed helps readers identify and overcome the stronghold that is even now infiltrating thoughts and belief systems. Only then can we find freedom and healing to live the life God intends.

Professor Hailu brings fresh, new insights into the operation of the spiritual gifts as found in 1 Corinthians 12:1-11 from his ministerial experiences. He tells how he was baptized in the Holy Spirit in 1993 and started experiencing what can only be termed "explosive" manifestations of the spiritual gifts shortly thereafter. He takes the position that every Christian is granted one or more gifts upon being born-again, but only fully "unwraps" those gifts upon receiving the Baptism of the Holy Spirit. He emphasizes the importance of developing a personal relationship with and dependence on the Holy Spirit in order to exhibit the power-filled life that Jesus Christ had in his earthly ministry. As both an academic and a religious leader, this work constitutes an important contribution to the theological dialogue on this important theme. It is simply written so that the layperson as well as the

theologian can rejoice with this man whom God has raised up to minister to the present generation.
